nothing in your life is ordinary your present world isn t supposed to be this small you were made for something much bigger and no you don t have to be an astronaut or even a star wars fan to live it finding god in a galaxy far far away is not about space travel or even a movie it s about rediscovering your sense of wonder something we adults have successfully squelched from our everyday lives but god never meant it to be that way timothy jones by way of an astounding eye opening study of the spiritual parallels found in the star wars saga will make you a kid again you ll be marveling at the mysterious laughing anew at life s coincidences and remembering above all the creator for which you were made may the true force be with you remember when star wars first captured your imagination how your longing for adventure propelled you to distant worlds and transformed you into a jedi knight faster than you could say luke i am your father this same longing once sparked by john

williams s triumphant score and fanned by darth vader s sweeping black cape is your ticket to life s greatest adventure join timothy paul jones on an astounding eye opening exploration of the spiritual themes in the star wars saga and the truth will become clear like young luke skywalker you were also made for more much more rediscover awe revel in the wonder of every moment and pursue all you were meant to be it is your destiny the force is strong with this one i could not recommend it more joshua griffin editor owner theforce net manager purpose driven youth ministry if you own a lightsaber or a bible you re sure to benefit from reading his book kevin miller author and reviewer hollywoodjesus com awe some reading that both delights and challenges us a fun and thoughtful book for christians who consider and enjoy popular culture and media robert w pazmino valeria stone professor of christian education andover newton theological school story behind the book the night i first saw star wars from the backseat of my parents ford pinto was the first night i experienced awe it sent me on a quest that continues today there is in every one of us a longing to touch the forever to sense the magnitude of the vastness in which we live this universal longing explains why we ride roller coasters and tell scary stories this universal longing for awe also explains why after nearly thirty years the popularity of the star wars saga shows no sign of subsiding i wrote this book to inspire readers to relish awe and wonder because god did not only create us to long for awe but also to live in it timothy jones
