at its core even though is a conjunction that expresses a concession or contradiction it is used to introduce a clause that presents information that is unexpected or contrary to what might be expected based on the information presented in the previous clause how to use even though even though is a stronger form of although used when the breaking of logical expectations is more surprising as in even though the fire was surrounding his house he refused to leave at its core even though is a subordinating conjunction that introduces a subordinate dependent clause this clause usually contrasts the information presented in the main independent clause here s how to use it effectively use 1 real situations and facts the examples below show us that although even though and despite in spite of are similar in meaning but are used differently although even though clause despite in spite of verb ing even though he s a millionaire he lives in a very small flat although and even though are conjunctions and have the same meaning they are used at the beginning of a subordinate clause and express that the action in the main clause is surprising unusual or unexpected he drives a second hand car main clause even though he s a multi millionaire whether you re writing a formal email delivering a presentation or engaging in daily business conversations having a diverse range of ways to express even though can greatly enhance your language skills and help convey your thoughts clearly although though and even though are subordinating conjunctions they are followed by a subject and a verb e g although it is raining you can use them to show contrast between two parts clauses of a sentence even if and even though are not equivalent so what s the difference between them even if we use even if when we re talking about an unreal situation we use it when we re speculating or when we don t consider something as a fact to understand this better let s look at an example i m going out tomorrow even if it s raining both although and even though are used to mean despite the fact that however the latter is more emphatic than the former for example although he worked hard he failed the test even though he worked hard he failed the test even though is used to express a fact something that is real or true even though precedes a statement of fact it means despite in spite of the fact it is more emphatic or stronger than though or although even though john is rich he lives in a small house the meaning of even though is used as a stronger way to say though or although how to use even though in a sentence idiom add to word list despite the fact that even though he never completed college he runs a successful software company definition of even though from the cambridge academic content dictionary cambridge university press b2 translations of even though in chinese traditional 即使 即使 see more in chinese simplified 即使 即使 see more phrase you use even if or even though to indicate that a particular fact does not make the rest of your statement untrue cynthia is not ashamed of what she does even if she ends up doing something wrong even though i work by myself there
