a fictional story of northwestern himalayas small villages a girl her upbringing and culture with a combination of ancient and a bit of modernity along with tossing and turning experiences stories composed around the corner of saroi a place where life is imagined as another world exactly just at the end corner of the universe a mixed memoir of personal and paternal life experiences description of cherished moments encountered in a joint family house called chowki house while everyone is sitting on the patio in the deep dark snowy and wintery nights having endless gossiping sessions in the open close to a bonfire called angheetha in the local dialect and brazier in today s world though this narrative is totally fictional the gist is inspired through the experiences of our forefathers and the narration of a particular community of that age that undoubtedly existed around that time highlighted the myths and misbeliefs that had prevailed over the period carried on from generation to generation despite some of them being proved as having scientific notions behind them while some had been in practice to keep family and community on the right track into closely knitted societal bonds otherwise they have no meaning however other side of the edge is not just about the pain and pleasure our forefathers generations experienced in the olden days it s about the precious human values shared as a part of society that refused to be ignored where family gathering was the one and only source of entertainment for extended families to discuss share their past and present experiences and stand up together to prepare the best for the future of those they care about and want to have around them where bonding with relatives was meant to show respect without being self centred rather than a gesture of formality from my writing i attempted to pen down those glimpses heard through the mouth of forefathers and some of them sighted in childhood yet perhaps there might be times i would not have understood precisely what the message meant during those tender years of childhood

Wrong Side of the Badge 2017-09-30

1980 s the texas war on drugs drug dealers have taken control local texas governments and are sending innocent police officers to prison eddie donevan former air force fighter pilot and veteran of the drug wars in southeast asia is trying to save his career in law enforcement a tight knit group of federal agents is formed to take down the

corrupt local officials in texas while battling cross border raids by a former dea agent the lines are blurred as investigations attempt to determine which lawmen are on the wrong side of the badge

The Other Side of the World *2011-07*

the other side of the world vision and reality embraces and celebrates the experiences of idealistic young peace corps volunteers as they confronted the ancient and enigmatic civilization of india four decades ago prompted by memories and emotions tapped during a gathering on the 40 year reunion of their return to the states members of india 44 a b provide reflections that are honest compelling insightful riotous humbling and yet redemptive these reflections give expression to feelings long repressed and at the same time uncover the mysterious ways in which their service in remote india transformed and redirected the trajectory of their lives their stories provide a humorous and deeply moving description of village life where imperfect language skills and limited technical capabilities interacted with good intentions and stubborn dedication to produce embarrassment on the one hand and the occasional minor miracle on the other this is not a feel good testimony to the peace corps on its golden anniversary rather it is a sobering depiction of the lives of volunteers living in one of the peace corps most demanding site countries where frustrations and challenges were found in abundance yet at the end of the day these stories generally attest to the wisdom of the peace corps concept which affirms the powers of volunteerism and the giving of self for many it was the first time these volunteers had articulated their feelings since leaving india mary jo clark thomas corbett michael simonds and haywood turrentine compiled the book respectively the authors reside in san diego california madison wisconsin the greater hartford area and birmingham alabama sbpra com haywoodturrentine

The Far Side of the Moon *2022-05-19*

a vivid inquiring memoir a properly soul searching book tim adams observer as one of our leading campaigners for justice human rights lawyer clive stafford smith has spent a lifetime getting to know his clients from detainees in guantánamo bay to prisoners facing execution on death row and finding out in his own words what makes

them tick but for much of his life closer to home there was a man whose mind remained off limits his own father it was only years after dick s death when clive inherited more than 3 000 of his letters that he could finally take a breath and start to piece together the obsessive personality behind them in the far side of the moon stafford smith seeks the broad conversation about mental illness that was not accessible in his earlier years reflecting on his father s fragmented life together with that of larry lonchar a client who also struggled with severe depression and whose fate continues to preoccupy him following the critically acclaimed injustice this courageous new book is an indictment of the failures in our social and justice systems a meditation on privilege and its consequences and an intimate exploration of how the mind s hinterlands can impact a family and shape a life

The Third Side of The Coin #0920 2020-09-03

this is the perfect time to go back to the basics unlearn outdated thinking and relearn new norms especially we need to sharpen our ability to see things from new perspectives this book will do that we re not looking from another perspective anymore we re looking back on how we think about thinking how we view and learn things rethinking about thinking

Dark Side of the Moon: Wernher von Braun, the Third Reich, and the Space Race 2012-01-23

a stunning investigation of the roots of the first moon landing forty years ago this illuminating story of the dawn of the space age reaches back to the reactionary modernism of the third reich using the life of rocket scientist wernher von braun as its narrative path through the crumbling of weimar germany and the rise of the nazi

regime von braun a blinkered opportunist who could apply only tunnel vision to his meteoric career stands as an archetype of myriad twentieth century technologists who thrived under regimes of military secrecy and unlimited money his seamless transformation from developer of the deadly v 2 ballistic missile for hitler to an american celebrity as the supposed genius behind the golden years of the u s space program in the 1950s and 1960s raises haunting questions about the culture of the cold war the shared values of technology in totalitarian and democratic societies and the imperatives of material progress

The Other Side of Terror 2021-08-10

reveals the troubling intimacy between black women and the making of us global power the year 1968 marked both the height of the worldwide black liberation struggle and a turning point for the global reach of american power which was built on the counterinsurgency honed on black and other oppressed populations at home the next five decades saw the consolidation of the culture of the american empire through what erica r edwards calls the imperial grammars of blackness this is a story of state power at its most devious and most absurd and at the same time a literary history of black feminist radicalism at its most trenchant edwards reveals how the long war on terror beginning with the late cold war campaign against organizations like the black panther party for self defense and the black liberation army has relied on the labor and the fantasies of black women to justify the imperial spread of capitalism black feminist writers not only understood that this would demand a shift in racial gendered power but crafted ways of surviving it the other side of terror offers an interdisciplinary black feminist analysis of militarism security policing diversity representation intersectionality and resistance while discussing a wide array of literary and cultural texts from the unpublished work of black radical feminist june jordan to the memoirs of condoleezza rice to the television series scandal with clear moving prose edwards chronicles black feminist organizing and writing on the other side of terror which tracked changes in racial power transformed african american literature and black studies and predicted the crises of our current era with unsettling accuracy

The Other Side of Silence *2022-09-01*

when mahnaz afkhami picked up the phone in a new york hotel room early one morning in november 1978 she learned she could never go home again she had been declared an apostate and enemy of the iranian revolution and was now on its death list afkhami iran s first minister for women s affairs began to rebuild her life in the united states becoming an architect of the women s movement in the global south along the way she encountered familial cultural political and organizational hurdles that threatened to derail her quest to empower women and change the very structure of human relations a skilled storyteller who has spent her life in two worlds mahnaz afkhami shares her unexpected and meteoric rise from unassuming english professor to a champion of women s rights in iran the clash between western feminists and those from the global south and the challenges of international women s rights work during the so called war on terror her journey through exile shows what it takes to launch and sustain a worldwide grassroots movement funding an ever expanding network conferences education and decades of hard work requiring individuals and organizations to persevere despite ongoing wars humanitarian disasters and climate change told with humor honesty and compassion afkhami s remarkable story illuminates the possibility of bringing opportunity and choice to women across the world

Indira Files: A Critical Look at The Controversial Side of Indira Gandhi *2023-12-21*

i have always felt that indira gandhi is the exceptional and foremost example of the dynastic politics of independent india she is a perfect example of dynastic rule on one hand she is called the iron lady on the other hand people pay tribute to her dictatorship for imposing emergency in the country where on one hand indira gandhi carved her name in golden letters in indian history by dividing pakistan into two on the contrary she has also endured the slogans like sanjay ki mummy badi nikammi for blindly

loving her son like gandhari loved duryodhana nonetheless we cannot forget that it was indira gandhi who gave wings to india s strength and courage by conducting the nuclear test however she was also the prime minister for whom the high court issued orders to be removed from her office in fact indira gandhi is merely a symbol of dynasty politics the point here is to remind the young people that they cannot strive for ideal politics by idolising those who have flourished through family inheritance of post or position in today s scenario there are numerous political parties that operate under a single family s control although i hold great admiration for indira gandhi however her darker side is perhaps more prominent hence i believe that young aspirants who are interested in politics can learn valuable lessons from this book on what not to do

The Dark Side of Modernity *2013-04-25*

in this book one of the world s leading social theorists presents a critical alarmed but also nuanced understanding of the post traditional world we inhabit today jeffrey alexander writes about modernity as historical time and social condition but also as ideology and utopia the idea of modernity embodies the enlightenment s noble hopes for progress and rationality but its reality brings great suffering and exposes the destructive impulses that continue to motivate humankind alexander examines how twentieth century theorists struggled to comprehend the janus faced character of modernity which looks backward and forward at the same time weber linked the triumph of worldly asceticism to liberating autonomy but also ruthless domination describing flights from rationalization as systemic and dangerous simmel pointed to the otherness haunting modernity even as he normalized the stranger eisenstadt celebrated axial age transcendence but acknowledged its increasing capacity for barbarity parsons heralded american community but ignored modernity s fragmentations rather than seeking to resolve modernity s contradictions alexander argues that social theory should accept its janus faced character it is a dangerous delusion to think that modernity can eliminate evil civil inclusion and anti civil exclusion are intertwined alexander enumerates dangerous frictions endemic to modernity but he also suggests new lines of social amelioration and emotional repair

Comptroller's Report, Containing the Annual Statement of the Fiscal Affairs of the City of Buffalo for the Year ...

1886

the thomas and mayfield family are closer than ever from the outside things look great but personal and emotional issues have surfaced to cause serious problems everyone has gotten older and despite the successes the family has enjoyed there is distrust unhappiness and more secrets adam and aira s relationship is in trouble and some of the children in the family needed a good whipping junior mayfield have major decisions to make and delano devereaux the ex drug dealer comes face to face with his past aira c mayfield narrates the story and takes you through each family member s house to show you that we will all go through trials and storms that can shake the foundations of your life but they are holding on until they can get right each sunday they receive reaffirming relief from pastor miles sermons while forcing their minds not to drift and to pay attention to the signs relationships become tore and the evilness of sin are upon them one by one they struggle to understand the changes and how to effectively overcome any battle the world brings because they know money can t fix all their woes and sorrows love and patience can conquer all but there is no getting through to some people is the pain too great or are they that hard headed and stuck in their ways will there be forgiveness

The Deepest Side of Love *2014-01-07*

a devastating terrorist bomb blast at a spiritual retreat outside santa fe new mexico sends journalist kevin pitcairn and his beloved emmy on a quixotic quest to understand the roots of violence traveling across the country deep into the bowels of southern appalachia their search takes them through a long standing rift in the american consciousness to confrontations with remarkable and anomalous characters some of them deeply spiritual others well grounded in research and psychology in this sequel to the much acclaimed a killer s grace pitcairn and emmy return to the exploration of innocence while adding to it a deepening understanding of injury and ordeal and its amazing corollary of post traumatic growth as the quest and its dangers rip their lives apart doors open that lure them back and forth across the country in search of tendrils tying together the events and anguish as well as bringing the protagonists more deeply together

The Night Side of Nature, Or, Ghosts and Ghost Seers 1848

the case a grandmother who vanished from a locked room the best lead a psychic who is as mysterious as she is cute detective jack duarte is the one called upon when weird cases hit auckland a fierce loner with a reputation for solving the unsolvable she is the perfect choice for the latest odd mystery the locked room disappearance of a beloved grandmother who has vanished without trace and seemingly without suspects or a motive this time around though jack has also been assigned a partner the fresh young detective piper who has transferred in with a difficult history is determined to prove themselves smart perky and inexperienced they are exactly the kind of partner jack manages to scare away as they dig deeper into the mystery though jack has to put her own reluctance in the back seat and help piper navigate a whole different world because the beloved grandmother has her own mysterious past one that has already cost lives and souls with the help of the enigmatic and beautiful psychic emmaline jack and piper must confront the strange world on the other side of the mirror some mysteries can only be solved with magic

The Dark Side of Grace 2023-05-01

on the eve of her birthday ashley wakes to find her family murdered a deadly hunger ravaging her body a dark voice beseeches her to seek her new fate as an immortal being plunged into a world ruled by laws and myths long forgotten along the way she meets apollo her soul mate one born of two fathers together they travel lost to their souls confronting the unholy secrets the past violent passions erupt as ashley fights her hunger for blood and lustful desires for her new companion meet the firstborn croven the witch orion the elfin king draagyn the vampire destroyer of life danger unfolds as ashley's soul is entwined with draagyn's mate amber rose seeking once more to take her seat at his side follow into the web of deceit as ashley struggles to find her true self is she draagyn's queen of darkness reincarnate the long lost beloved of her apollo or is she the prophecy yet to be fulfilled

The Other Side of the Mirror *2020-11-27*

brief stories use dreamlike imagery to tell of a fugitive poet a messenger a remote town paradise pigs and parents

The Other Side of Midnight 2010-06-25

three translations of the koran al qur an side by side is an anonymous compilation of koran translations the koran is one of the most important texts ever published but like many ancient writings its translations can be up to interpretation this book shows the similarities and differences between the three most popular english translations of this religious text in a fascinating show of what can change based simply on who performs a translation

The Other Side of the Story 1987

alzheimers and marriage is a complex combination of emotions you change too when your spouse has alzheimers this is a poignant collection of personal experiences moving from confusion loneliness and fear to understanding and peace knowledge of resources and connecting with others who are or have been faced with this consuming task help you find your way through the maze of many unanticipated challenges finding the support of others is critical to achieving acceptance of this life changing event with a sprinkling of humor this becomes a story of the power of love allowing you to survive it the other side of alzheimers is written with honesty sensitivity and love every experience describes the physical mental and emotional challenges while alluding to humor and hope there are few published resources that deal with feelings of a spouse faced with a partners alzheimers disease and none i have read as good as this one i found it to be a beautiful love story that any reader can appreciate carol long rn bc board certified gerontological nurse sozo senior wellness raleigh north carolina ms ellis has written a beautiful insightful account of the journey through alzheimers it reveals how love understanding and the acceptance of change can overcome any adversity it applies to us all as we navigate through the ebb and flow of a significant relationship karen brisendine retired electronics industry business manager caregiver martha lee ellis has written a touching memoir that
