sharing the land sharing a future looks to both the past and the future as it examines the foundational work of the royal commission on aboriginal peoples rcap and the legacy of its 1996 report it assesses the commission s influence on subsequent milestones in indigenous canada relations and considers our prospects for a constructive future rcap s five year examination of the relationships of first nations metis and inuit peoples to canada and to non indigenous canadians resulted in a new vision for canada and provided 440 specific recommendations many of which informed the subsequent work of the truth and reconciliation commission of canada trc considered too radical and difficult to implement rcap s recommendations were largely ignored but the trc reiterates that longstanding inequalities and imbalances in canada s relationship with indigenous peoples remain and quite literally calls us to action with reflections on rcap s legacy by its co chairs leaders of national indigenous organizations and the minister of crown indigenous relations and leading academics and activists this collection refocuses our attention on the groundbreaking work already performed by rcap organized thematically it explores avenues by which we may establish a new relationship build healthy and powerful communities engage citizens and move to action

## ***A Caring Society?***

2006-11-14

becoming a caregiver is increasingly an inevitable experience for many people and therefore a likely life transition drawing on research and personal experiences of working with family caregivers this book examines a range of family caregiving situations from across the life course it seeks to capture the dynamics of caregiving in a number of common situations caregiving during infancy for adults who acquire a disability through accidents or illness for older people with age related issues and caregiving by children and adolescent carers and grandparent carers in drawing attention to key moments of vulnerability faced by family and informal caregivers and by suggesting how to assist reconnection at these moments the book provides a guide for those working in the area of health disability and care informal care is conceptualised as occurring with the context of personal interrelationships these being nested within wider kin networks and linked with wider professional formal care networks informal care is seen both as an expression of social capital and as an activity that builds social capital it is an indicator of resources of mutual support within social networks and it has the effect of adding to the stock of social resources the book makes a case therefore for facilitating the development of social capital by strengthening the capacity of informal caregivers and caregiver groups and by improving the linkages with formal care organisations

## ***Sharing the Land, Sharing a Future***

2021-06-11

health rights are a common but controversial legal phenomenon every country is signatory to a treaty that incorporates health rights yet existing health rights do not fit easily into the traditional claim right model and questions remain over how to theoretically incorporate health rights into domestic systems the pluralist right to health care addresses this incongruity between theory and practice with an account of the right to health care that is both philosophically and practically sound utilizing a pluralist framework michael da silva argues that the right to health care is best understood as a set of claims to related ends the goods necessary for a dignified existence procedural fairness in determining what other goods to provide and in the provision of goods and a functioning health care system through philosophical reasoning analysis of relevant international human rights law and a close study of the canadian case the pluralist right to health care provides crucial insight into the potential of law and policy to improve health care systems in canada and beyond

## **Inuit Child Welfare and Family Support**

2000

pope francis and the caring society is a thoughtful exploration of the pope s earnest call for a dialogue on building a truly compassionate society francis s fervent support for uplifting the poor and protecting the environment has inspired far reaching discussions worldwide do capitalism and socialism have positive or negative social consequences what is the most effective way to fight poverty and what value does a religious perspective offer in addressing moral political and economic problems pope francis and the caring society is an indispensable resource for consideration of these vital questions edited by robert m whaples with a foreword by michael novak the book provides an integrated perspective on francis and the issues he has raised examining the intersection of religion politics and economics readers will discover important historical and cultural context for considering francis s views along with alternative solutions for environmental preservation a defense of francis s criticism of power and privilege a case for market based entrepreneurship and private charity as potent tools for fighting poverty and an examination of francis s philosophy of the family pope francis and the caring society is essential reading for anyone interested in creating a better more caring and prosperous world

## Family Care and Social Capital: Transitions in Informal Care

2013-08-04

at its core indigenous child and youth care weaving two heart stories together is about unity it seeks to create a heart to heart practice by bridging indigenous ways of knowing with western child and youth care practices encouraging students to approach their work with a more open understanding of first nations métis and inuit worldviews author cherylanne james guides students through self location by dismantling their pre existing biases regarding indigenous peoples understanding personal privilege and power educating themselves on canadian and indigenous history and contexts and learning about the pervasive impacts of colonialism students will cultivate a practice that encourages ethical spaces of engagement while steering away from surface level or disingenuous interactions the text applies concepts and theories such as relational accountability interconnectivity resurgence community centred approaches wise practices relationship building anti oppression anti racist and social justice frameworks to enrich cyc practices and prepare students to engage with indigenous children youth and families in an informed meaningful way indigenous child and youth care is designed as a journey wherein the student reflects while they learn and grow as a cyc professional it includes a variety of pedagogical features that catalyze thoughtful interaction with the material such as a glossary discussion questions reflective practice question boxes and additional resources for further learning this is a powerful and vital text for college and university students in child and youth care and human services features unites indigenous worldviews histories and knowledge systems with western child and youth care practices exposes students to pre existing colonial and racist power structures while introducing them to indigenous concepts and theories for inclusive practice contains a broad variety of pedagogical features including a glossary reflective practice questions discussion questions activities and additional resources

## The Pluralist Right to Health Care

2021

this important book examines the life of children in modern society and addresses the following key questions what determines the nature of childhood what is the place and value of children in society what is the future of children likely to be children and society demonstrates that in contemporary industrialised societies like australia social policies and the institutions which act as instruments of these policies tend to perpetuate inadequate and unequal

treatment of children a wealth of recent data much of which has been produced by the authors is presented and analysed in the book to highlight the inadequacy and inequality of current policies this analysis is followed by the examination of government policies affecting children and families noting especially the diversity of service systems which help to maintain social divisions and inequalities

## **Pope Francis and the Caring Society**

2017-09-01

child and family welfare systems confront the problems of families throughout the world on a daily basis whilst there may be differences between nations and organisations there are also similarities this book presents a comparative study of child and family welfare models in the developed nations

## **Indigenous Child and Youth Care**

2023-08-10

children who receive child welfare services are a vulnerable group and their numbers are growing all who care about them need to be fully informed about current outcomes indicators of success and failure and best practices this second edition of child welfare connecting research policy and practice has a special focus on canadian child welfare and contains entirely new material on these important themes the book highlights major developments in child welfare and shows how these inform directions taken in research policy and practice the book includes new sections on indigenous issues and best practices and several of its chapters review efforts to increase supports for families in need contributions from new and international authors illustrate the endemic nature of child welfare challenges and how we can learn from these experiences contributors provide recommendations for promoting best practice and enhancing resilience among children and families closing chapters within each section and at the end of the book summarize key theoretical and practice issues along with recommendations to improve the research policy and practice continuum in child welfare the challenge is to translate good research into policy and practice in ways that enhance the life chances of children who need our care and protection

## **Caring for Family and Community [kit] : a New Guide for Home Caregivers**

1994-01-01

today women find themselves playing an ever increasing role in caring for older family members who are frail developmentally disabled or suffering from serious mental illness while this has role of women as caregivers has been documented the actual impact on the lives of women has remained largely unstudied in this volume the authors examine caregiving as a central feminist issue looking at its impact on women socially personally and economically the authors review how changing family structures the changing economy and workforce and the changing health care demands of needy adults have impacted on women s lives they critique existing public and private policies demonstrating a need for fundamental structural changes in social institutions and attitudes to improve the lives of women finally they propose a social model of care that is oriented toward gender justice recognition of the work of caring and its impact upon women socially personally and economically for students scholars and practitioners in the field of gerontology gender studies and social work this book is a must

## ***Children and Society***

1996

told through the eyes of spirit bear the story recounts how children and youth across canada stood up for the health safety and well being of first nations kids by learning about the case speaking from the heart and taking respectful action for change

## **Towards Positive Systems of Child and Family Welfare**

2006-01-01

in 1991 the government of canada ratified the united nations convention on the rights of the child requiring governments at all levels to ensure that canadian laws and practices safeguard the rights of children a question of commitment children s rights in canada is the first book to assess the extent to which canada has fulfilled this

commitment the editors r brian howe and katherine covell contend that canada has wavered in its commitment to the rights of children and is ambivalent in the political culture about the principle of children s rights a question of commitment expands the scope of the editors earlier book the challenge of children s rights for canada by including the voices of specialists in particular fields of children s rights and by incorporating recent developments

## **Child Welfare**

2011-07-22

how does climate change affect social work and social development what actions are needed to integrate the three pillars of economic development environmental development and social protection with global warming and the increase in natural disasters due to the emission of greenhouse gases an alternative approach to the natural environment is vital the main focus of this volume is to emphasize the person in environment concept and to find measures for its implementation for social work the environment has traditionally been viewed as a world of human relationships as opposed to the interaction between man and environment this informative and incisively written edited collection brings together experts from around the world to analyze the person in environment concept and to find measures for its implementation through the presentation of theoretical and practical platforms for environmental social work or green social work we hope to bring about a new paradigmatic shift in our attitude to the concept of person in environment

## **Feminist Perspectives on Family Care**

1995-08-29

this latest edition of case critical applies decolonized critical analysis to highlight what is often hidden from view for most canadians the personal trauma and communal devastation inflicted on indigenous people by past and present colonialism and the ways in which neoliberal tax cuts austerity and privatization create more inequality homelessness and despair among both indigenous and non indigenous people social service providers the authors argue should become social activists working in solidarity with progressive grassroots social movements in order to de legitimatize colonial and neoliberal policies looking for the pdf of table 5 1 social work skills in social services 2017 download it under extras

2018

the contributors explain the provisions of the declaration and how it provides a framework for ensuring justice dignity and security for the world s indigenous peoples the development and adoption of the declaration and ways and means of implementing the declaration within canada and internationally this book provides accessible information and guidance on the declaration and how it might be used to advance human rights

## ***A Question of Commitment***

2009-07-29

canadians like to see themselves as champions of human rights in the international community closer to home however the human rights system in canada particularly its public institutions such as commissions and tribunals has been the object of sustained debate and vehement criticism based largely on widespread myths about how it works in speaking out on human rights pearl eliadis explodes these myths analysing the pervasive distortions and errors on which they depend canada s human rights system a unique legal tradition operating within a powerful modern constitution is a fundamental mechanism for ensuring the practical application of our national commitment to tolerance and inclusion drawing on in depth interviews with canada s leading human rights experts and extensive original research eliadis explores the evolution of commissions and tribunals as vehicles of public policy and considers their mandate to mediate rights conflicts in such contested areas as hate speech religious freedoms and sexuality she provides a frank assessment of how canada s human rights system functions and argues that misplaced critiques have prevented urgent and necessary discussions about the reforms that are needed to improve fairness and equality before the law and to ensure institutional independence impartiality and competence speaking out on human rights shows how our human rights system plays a unique and important role in the rights revolution both in canada and internationally and offers promising avenues for its future development
