The Ramayana 1891

based on ramayana verse work on the life and exploits of rama hindu deity by valmiki

The Ramayana 1992

the ramayana is derived basically from valmiki s sanskrit classics the epic exemplifies righteous outlook and action devotion to duty fearlessness and compassion the reading of saga has been deemed through the ages to bestow merit besides literary joy the epic is one of the most widely read lore in indian homes and abroad rama s story has through generations influenced the quality of human beings the poet himself offering the testament of a supreme transformation

The Ramayana 2002

14 leading ramayana scholars examine the epic in its myriad contexts throughout south and southeast asia they explore the role the narrative plays in societies as varied as india indonesia thailand and cambodia the essays also expand the understanding of the text to include non verbal renditions of the epic

The Ramayana Revisited 2004-09-30

contributed articles presented at first international conference on ramayana and mahabharata organized by the department of indian studies university of malaya kuala lumpur malaysia

Critical Perspectives on the Rāmāyaṇa 2001

the ramayana is one of the world s oldest and most highly regarded classics of indian literature it tells the spiritual adventures of lord rama and his wife sita and brother lakshmana as they battle the mighty demon ravana but it is not only an emotional thriller but it is also a book filled with ancient wisdom that is as valid today as in olden times and this introduction to the ramayana uses numerous verses from it to give direct examples of what it has to offer some of what you will find includes a summary of the ramayana which shows why it has kept its popularity for thousands of years the ramayana on the need for a proper ruler and how to recognize such a person and the results of when a country has no qualified leader how lord rama is described as the same as lord vishnu which enlivens all rama devotees how the ramayana can uplift anyone from the troubles of human existence lord rama fact or fiction and the evidence that shows him as an historical person and when he actually existed descriptions of the sites associated with the ramayana found in india and in sri lanka and how you can see them this introduction is a key to understanding the many levels of knowledge and wisdom the ramayana provides and how to experience it and gives

evidence that shows the reality of its history and spiritual power this book is a short read written in a way anyone can understand

The Power of the Ramayana *2019-08-27*

extended narrative poem on the life and exploits of rāma hindu deity

The Ramayana of Valmiki *1981*

valmiki ca 400 b c e northern india is celebrated as the poet harbinger in sanskrit literature he is the author of the epic ramayana based on the attribution in the text of the epic itself he is the inventor of the vedic poetic meter shloka which defined the form of sanskrit poetry in many latter works he is revered as the first poet in hinduism there is also a religious movement based on valmiki s teachings as presented in the ramayana and the yogavashista called valmikism the ramayana consists of 24 001 verses in six cantos some say seven i e including the utara ramayana kandas the ramayana tells the story of a prince rama of ayodhya whose wife sita is abducted by the demon rakshasa king of lanka ravana the valmiki ramayana is dated variously from 500 bc to 100 bc or about co eval with early versions of the mahabharata as with most traditional epics since it has gone through a long process of interpolations and redactions it is impossible to date it accurately

The Ramayana Tradition in Asia *1980*

the social conditions of ancient india have to be patiently reconstructed by gathering together the data available from archaeology and literature it is impossible for one individual even in a lifetime to examine critically all the information at his disposal to the archaeologist india presents a fund of sociological data covering at least five thousand years and the student of her literature finds more elaborate and informative evidence in literary works the earliest of which cannot under any circumstances be dated later than 1000 b c a careful study of the facts so available is absolutely necessary if we are to have a complete and reliable picture of ancient indian society it is for this purpose that the sociological data of the ramayana are subjected to a detailed scrutiny in this publication although the ramayana contains very valuable information for the study of the social conditions of india it had been for many years overshadowed by the great epic the mahabharata there are fewer works dealing with the sociological data of the ramayana even though the scholars who worked on the mahabharata occasionally referred to it in this publication an attempt has been made to discuss as many aspects of the ancient indian society as practicable while the first chapter has been devoted to establish the history the date and the historicity of the text which is our source book the other eight chapters discuss the evidence which has been called from the ramayana with meticulous care after study of all three recensions available both in printed editions and manuscripts no less than fifty five different aspects are dealt with in these ten chapters ranging from geographical data to religious and

philosophical teaching it is gratifying states one of its critics to note that his attitude in respect of the problems discussed by him is quite reasonable and non dogmatic the society of the ramayana contains the results of the researches conducted by dr ananda guruge during the years 1951 and 1952 in ceylon and india under the guidance of professor o h de a wijesekera professor of sanskrit university of ceylon peradeniya it was presented to the university of ceylon in 1953 under the title social conditions of ancient india as reflected in the ramayana and was accepted for the ph d degree since its publication in sri lanka in 1960 it has been widely used by scholars throughout the world as demonstrated by scholars throughout the world as demonstrated by numerous references in monographs and articles referring to the wealth of data in the ramayana translation describes in 1984 dr guruge s work as the elaborate and useful treatment in 1965 it was translated into tamil as ramayana samudayam dr guruge is currently sri lanka s ambassador and permanent delegate to unesco in paris france

The Ramayan of Valmiki - 2010-01-01

vikrant pande and neesh kulkarni s quest to retrace the trail of rama s fabled travels during his years in exile began with their trying to locate chitrakoot on the map and realizing that they had little idea where it might be curious about the places mentioned in the ramayana they set off on a journey of their own following rama s route from ayodhya to the dandakaranya forest and panchavati near nashik and on to kishkindhya close to hampi rameshwaram and sri lanka along the way they would discover how closely

the narrative of the ramayana is linked to local folklore and how the stories of the ramayana and the moral framework that binds them together still speaks to the people who live in the land across which rama sita and lakshman made their journey for the armchair traveller as well as the enthusiast for epic tales this is a wonderful book with which to revisit the world of the ramayana

The Society of the Ramayana 1991

this is an abridged verse translation of the two longest epic poems in world literature the ramayana and mahabharata this translation is surprisingly readable and very moving once you get used to the rhymed couplet format this also serves as an ideal introduction to the sprawling plots of these epic tales a transcendental epic tragedy of divine sorts a ramayana book story with as much beauty and poetry as philosophy and truths each character and situation reflects different things in both the spiritual realm as in our human condition decisions consequences tragedy nobility of spirit height of thought duty and unflinching righteousness it is as well a fantastic story with things that can happen only in spiritual manifestations of the spiritual realm such as flying giant monkeys which think and talk flying mountains a giant prehistoric world war a sure entertaining and edifying epic ralph t h griffith has distilled the beautiful essence of the ramayana one of india s greatest epics into a single compelling volume this is the story of prince rama s dedication to dharma the responsibilities that fall to him as a result of his status as human and prince in the face of incredible misfortune it is also the story of what people are willing to do

for those they love witness rama's war against the demons of lanka to recuperate his wife sita and the tragic twists that can undermine that love as when rama exiles sita to placate the suspicions of his subjects for those who have never even heard of this epic loved by millions in the near east and east buck's soaring adaptation will be a real eye opener the ancient indian epic ramayana valmiki is as far as i know one of indian's most popular and loved epics and it seems to have been composed around 500 to 750 bc although there are many variations throughout the centuries the gist of it is probably the same though the one i am talking about here is just an audiobook translation by william buck and i say translation but i actually mean a retelling it is not in poetic form it is retold in simple modern english narrative which means that it is probably significantly different from the original but i still assume that it has some grains of the original for me to at least familiarize myself with the story in short very short rama is the son of a king and is actually the human form of a god the god comes to earth as a human form but he forgets he is a god this is way it always works something happens something happens he is exiled his beautiful wife sita is stolen by a demon king ravana and he needs to save her something something epilogue here is the absolute fascinating thing about the epic ramayana english for me if the story is written around 2 500 years back we really have not progressed much story telling wise seriously people always whine about how recent films are copying the classics from fifty or thirty years back and ramayana has the basis of a lot of epic films released nowadays the main highlight for me in the epic and the one that best illustrates this is the main battle between rama's army and the army of the demon king this is almost lord of the ring rama is a powerful bowsman and there is part in the epic where he gets a really strong bow he has a bad ass friend who is

really strong they befriend the races of monkeys and bears having a few main characters in these races and when they face the demon king it is almost like it was written today when he starts losing he starts sending out strong characters one by one and each one seems undefeatable at first and rama s army seems to be losing but one character goes against him and wins and then the next fighter it was pretty exciting my favorite character was probably indrajit he was seriously kicking ass it was very anime

In The Footsteps Of Rama 2021-05-15

critical articles on the ramayana

The Ramayana 1893

study of the vālmīki rāmāyaṇa extended narrative poem on the life and exploits of rāma hindu deity from the linguistic archaeological and historical evidences

The Ramayana 2017-08-13

this is the third volume of a planned seven volume translation of india s most beloved and influential epic tale the ramayana of valmiki this third volume carries forward the narrative by following the exiled hero

rama his wife and his brother on their wanderings the book contains the narrative center of the epic the abduction of sita by the demon king ravana it provides a profound meditation on the paradox of the hero as both human and divine the present translation seeks to provide a readable and trustworthy english version of the poem it is accompanied by a full commentary elucidating the philological aesthetic and cultural problems of the text extensive use is made in the annotations of the numerous commentaries on the ramayana the substantial introduction to this volume aims to supply a historical context for an appreciation of the poem and a critical reading exploring the ideological components of the work the volumes of this work will present the entire ramayana translated for the first time on the basis of the critical edition oriental institute baroda

Rama & the Bards 1975

one of the ancient world s great verse epics is retold in energetic english prose in this sparkling volume

A Series of Talks on - the Ramayana - an Introduction Book 1 2022-03

compared to the western epics the ramayana and mahabharata are more complete story of hindu religious cultural and social imagination and more exact narration of evolutionary rise of man in this book william buck has succeeded better than anyone else in conveying the spirit of the original the task of presenting a

faithful image of the original text its metaphysical nuances as well as its chronological sequence the world s largest epic in a small book is a stupendous task mainly as a narration the version of william buck will serve as an interesting and complete tale to the english speaking reader valmiki was called the adikavi or first poet of sanskrit literature and some of his remarkable talent shines forth in the english rendering the reader will find pleasure in reading it aloud to himself or the others

The Ramayana 1972

the fifth and most popular book of the ramayana of valmiki the sundarakanda recounts the adventures of the monkey hero hanuman in leaping across the ocean to the island citadel of lanka once there he scours the city for the abducted princess siti the poet vividly describes the opulence of the court of the demon king ravana the beauty of his harem and the hideous deformity of sita s wardresses after witnessing sita s stern rejection of ravana s blandishments hanuman reveals himself to the princess and restores her hope of rescue the great monkey then wreaks havoc on the royal park and fights a series of hair raising battles with ravana s generals permitting himself to be captured by the warrior indrajit hanuman is led into the presence of ravana whom he admonishes for his lechery his tail is set ablaze but he escapes his bonds and leaping from rooftop to rooftop sets fire to the city taking leave of sita hanuman once more leaps the ocean to rejoin his monkey companions this is the fifth volume translated from the critical edition of the valmiki ramayana it contains an extensive introduction exhaustive notes and a comprehensive bibliography

two great epics of the ancient hindus the ramayana recounting the adventures of a banished prince and the mahabharata based on the legends surrounding a war condensed version features selections linked with short notes

The Rāmāyaṇa of Vālmīki: An Epic of Ancient India, Volume V 2016-12-13

the immortal epic of valmiki is undoubtedly one of the gems of literature indeed some considering it as the kohinur of the literary region which has for centuries and from a time reaching to the dim and far past been shedding unparalleled and undying halo upon the domain presided over by the vision and the faculty divine the burthen of the bard s song is the perpetual contest between good and evil that is everywhere going on in this mysteriously ordered world of ours and which seemingly sometimes ending in the victory of the former and at others in that of the latter vitally and spiritually results in the utter overthrow and confusion of evil and in the triumph and final conquest of good rāma sprung from the bright loins of the effulgent luminary of day and bringing his life and being from a long and illustrious ancestry of sovereigns rāma taking birth among the sons of men for chastising and repressing rampant iniquity and

injustice typifies the spirit of good that obtains in this world rāvana that grim and terrible ten headed one a rakshasa by virtue of birth and worthy to be the chief and foremost of rākshasas by virtue of his many misdeeds and impieties who challenges and keeps in awe the whole host of the celestials to whom the sun did not shine too hot and about whom the wind did not dare to breathe represents the spirit of unrighteousness and evil lakshmana disregarding the pomp and splendours of princely life to follow his beloved brother rāma into the forest and cheerfully undergoing there a world of trials and privations and daily and nightly keeping watch and ward over his brother and his spouse in their cottage and bharata stoutly and persistently declining despite the exhortations of the elders and the spiritual guides to govern the kingdom during rāma s absence in the forest and holding the royal umbrella over his brother s sandals are personations of the ne plus ultra of fraternal love and consummate and perfect ideals of their kind the righteous bibhishana who for rāma s cause forsook his royal brother and set small store by the splendours of royalty who suffered no earthly considerations to interfere with his entire and absolute devotion to his friend embodies in his person the sterling virtues going under the precious name of friendship the ever devoted hanumana glorying in the appellation of rāma s servant ever prompt at the beck and call of his master to lay down his life is the grandest and loftiest conception of the faithful servant that is to be found in all literature shall we say aught of rāma and sitā or keep silence over themes too sacred for babblement and frofane mouthing the kingdom is astir and alive with the jubilations of the populace at the prospect of rāma s coronation pennons by thousands are streaming like meteors in the air at the tops of stately edifices and drums and panavas and other musical instruments are sounding forth the auspicious announcement the

royal household swims in a sea of bliss surging and heaving on all sides delight and joy move about and laugh and talk under the names of daçarātha and kaucalya anon a thunder clap bursts in the midst of the merry making and converts delight into dole the sounds of laughter and hilarity into loud wails and lamentations issuing from hearts knowing no consolation

The Ramayana *1891*

the greatest indian epic one of the world s supreme masterpieces of storytelling a penguin classic a sweeping tale of abduction battle and courtship played out in a universe of deities and demons the ramayana is familiar to virtually every indian although the sanskrit original was composed by valmiki around the fourth century bc poets have produced countless versions in different languages here drawing on the work of an eleventh century poet called kamban narayan employs the skills of a master novelist to re create the excitement he found in the original a luminous saga made accessible to new generations of readers the ramayana can be enjoyed for its spiritual wisdom or as a thrilling tale of ancient conflict for more than seventy years penguin has been the leading publisher of classic literature in the english speaking world with more than 1 700 titles penguin classics represents a global bookshelf of the best works throughout history and across genres and disciplines readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators
