ptolemy s comprehensive treatises on astronomy and geography were influential for nearly two millennia equally influential was his treatise on harmonics the ancient science which combined and brought to completion the study of philosophy and science

this volume offers a comprehensive english translation and commentary of ptolemy s harmonics the treatise begins with ptolemy s study of pitches and intervals for which he extracts both an idealized musical scale and a new acoustical tool after discussing modulation he expands his horizons by applying musical intervals to the human soul and celestial bodies ultimately describing a cosmic harmony the english translation faithfully reproduces ptolemy s style and includes all the charts surviving in the manuscript tradition the commentary offers a full exegesis of the text loci paralleli and citations of modern scholarly sources

deepen connections with the people you love build relationships with the people you meet we can go through each day or a lifetime as sleepwalkers while awake tossing and turning on pillows that are as hard as appointment books wandering a paved spiritual wilderness from bank window to house of worship to hospital bedside but if we are fortunate enough to happen upon a vision of the divine in a chance chat with a semi stranger or a lingering conversation with a good friend we can awaken to the spirituality between people that martin buber called i thou from god in our relationships it is possible to infuse every moment of life with meaning from the routine act to the once in a lifetime situation and this first of its kind introduction to martin buber s i thou shows you how drawing on jewish tradition the science of human behavior buber s ideas and the hasidic stories that he loved rabbi dennis ross illuminates a theology of relationships in easy to understand accessible language you will clearly see how to use the principles of i thou to create new answers to critical issues in life such as how do i react to others in times of stress how do i relate to strangers how can i take full advantage of the time i have

to spend with my loved ones by unlocking the depths in buber s concepts for spiritual growth ross supplies you with the tools you need to communicate better love more completely and find the sacred in everyday life
