GRACOLLING 2000-10 it is only in childhood that books have any deep influence on our lives graham greene the luminous books of our childhood will remain the luminous books of our lives joyce carol oates writers as they often attest are deeply influenced by their childhood reading salman rushdie for example has said that the wizard of oz made a writer of me twice told tales is a collection of essays on the way the works of adult writers have been influenced by their childhood reading this fascinating volume includes theoretical essays on salman rushdie and the oz books beauty and the beast retold as jane eyre the childhood reading of jorge luis borges and the remnants of nursery rhymes in sylvia plath s poetry it is supplemented with a number of brief commentaries on children s books by major creative writers including maxine hong kingston and maxine kumin

222222222 2007-01 this book traces the historical roots of western culture s stories of childhood in which the child is subjugated to the adult going back 400 years it looks again at hamlet fairy tales of the brothers grimm and walt disney cartoons inventing the child is a highly entertaining humorous and at times acerbic account of what it means to be a child and a parent in america at the dawn of the new millennium john zornado explores the history and development of the concept of childhood starting with the works of calvin freud and rousseau and culminating with the modern consumer childhood of dr spock and television the volume discusses major media depictions of childhood and examines the ways in which parents use different forms of media to swaddle educate and entertain their children zornado argues that the stories we tell our children contain the ideologies of the dominant culture which more often than not promote happiness at all costs materialism as the way to happiness and above all obedience to the dominant order

2019-12-10 the poetics of childhood investigates the sensibility of childhood and the ways writers try to recapture it it explores the earliest conceptions of innocence and the

development of literature about children through contemporary times it encompasses the pastoral the dark pastoral the anti pastoral it addresses picture books fantasy and realism it looks with originality at the literature of childhood inclusive of children s literature and literature about childhood so that the child and adult can be seen reflexively the child in the adult and the various stages of childhood as they are remembered and retained in adulthood it confronts issues of primal and socially constructed desire adn the use of childhood to talk about desire it is a poetics a way of imagining the experience of childhood and explores childhood as a particulary fluid and porous time it also addresses issues of creativity this is an essential reference for teachers parents artists and writers

Inventing the Child 2021-11-19 queer little people by harriet beecher stowe published by good press good press publishes a wide range of titles that encompasses every genre from well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read each good press edition has been meticulously edited and formatted to boost readability for all e readers and devices our goal is to produce ebooks that are user friendly and accessible to everyone in a high quality digital format

The Poetics of Childhood 2014-06-03 by myra kelly is a delightful collection of short stories that capture the quirks challenges and joys of school life in early 20th century new york through the eyes of young students kelly paints a vibrant picture of cultural diversity childhood innocence and the transformative power of education her witty and heartwarming tales resonate with readers of all ages making it a delightful read for anyone who has ever stepped foot in a classroom

2227272 2020-06 the past thirty years have seen an explosion of interest in greek and roman social history particularly studies of women and the family until recently these studies did not focus especially on children and childhood but considered children in the larger context of family continuity and inter family relationships or legal issues like legitimacy adoption and inheritance recent publications have examined a variety of aspects related to childhood in ancient greece and rome but until now nothing has attempted to comprehensively survey the state of ancient childhood studies this handbook does just that showcasing the work of both established and rising scholars and demonstrating the variety of approaches to the study of childhood in the classical world in thirty chapters with a detailed introduction and envoi the oxford handbook of childhood and education in the classical world presents current research in a wide range of topics on ancient childhood including sub disciplines of classics that rarely appear in collections on the family or childhood such as archaeology and ancient medicine contributors include some of the foremost experts in the field as well as younger up and coming scholars unlike most edited volumes on childhood or the family in antiquity this collection also gives attention to the late antique period and whether or how conceptions of childhood and the life of children changed with christianity the chronological spread runs from archaic greece to the later roman empire fifth century c e geographical areas covered include not only classical greece and roman italy but also the eastern mediterranean the oxford handbook of childhood and education in the classical world engages with perennially valuable questions about family and education in the ancient world while providing a much needed touchstone for research in the field

The Story of My Childhood 1868 a survey of childhood that reveals startling views of life in europe and america during the past 2000 years this book documents the lives of former children who were abused it places child abuse today into the context of what was routinely inflicted upon

The Story of My Childhood 2023-10-05 the dissemination of classical material to children has long been a major form of popularization with far reaching effects although until very recently it has received almost no attention within the growing field of classical reception studies this volume explores the ways in which children encountered the world of ancient greece and rome in britain and the united states over a century long period beginning in the 1850s as well as adults literary responses to their own childhood encounters with antiquity rather than discussing the role of classics in education it focuses on books read for enjoyment and on two genres of children s literature in particular the myth collection and the historical novel the tradition of myths retold as children s stories is traced in the work of writers and illustrators from nathaniel hawthorne and charles kingsley to roger lancelyn green and ingri and edgar parin d aulaire while the discussion of historical fiction focuses particularly on the roles of nationality and gender in the construction of an ancient world for modern children the book concludes with an investigation of the connections between childhood and antiquity made by writers for adults including james joyce virginia woolf and h d recognition of the fundamental role in children s literature of adults ideas about what children want or need is balanced throughout by attention to the ways in which child readers have made such works their own the formative experiences of antiquity discussed throughout help to explain why despite growing uncertainty about the appeal of antiquity to modern children the classical past remains perennially interesting and inspiring

Queer little people 2023-07-10 honest exquisitely measured inspiring in its reminder of the human spirit s capacity to endure the new york times book review an astute study of family and place washington post book world in this collection of autobiographical essays maryse conde vividly evokes the relationships and events that gave her childhood meaning discovering her parents feelings of alienation her first crush a falling out with her best friend the death of

her beloved grandmother her first encounter with racism these gemlike vignettes capture the spirit of conde s fiction haunting powerful poignant and leavened with a streak of humor maryse conde s previous work includes the novels windward heights and desirada both available from soho press

Little Citizens: The Humours of School Life 2019-12-19 chinese in the twentieth century intent on modernizing their country condemned their inherited culture in part on the grounds that it was oppressive to the young the authors of this pioneering volume provide us with the evidence to re examine those charges drawing on sources ranging from art to medical treatises fiction and funerary writings they separate out the many complexities in the chinese cultural construction of childhood and the ways it has changed over time listening to how chinese talked about children whether their own child the abstract child in need of education or medical care the ideal precocious child or the fictional child lets us assess in concrete terms the structures and values that underlay chinese life

The Oxford Handbook of Childhood and Education in the Classical World 2013-11-12 do you struggle to remember why the billy goats crossed the bridge perhaps you ve got to the end of the ugly duckling and forgotten how it turns out the bedtime story book will ensure that bedtime stories are never left unfinished again perfect to be read aloud to children or enjoyed alone the bedtime story book is a great reminder of your childhood and a fantastic way to spend time with your children this title includes such stories as puss in boots little red riding hood the hare and the tortoise town mouse and country mouse the golden goose and the emperor s new clothes

The History of Childhood 1995-06 this book features a cutting edge approach to the study of film adaptations of literature for children and young people and the narratives about childhood those adaptations enact historically film media has always had a partiality for the adaptation of classic literary texts for children as economic and cultural commodities mccallum points out how such screen adaptations play a crucial role in the cultural reproduction and transformation of childhood and youth and indeed are a rich resource for the examination of changing cultural values and ideologies particularly around contested narratives of childhood the chapters examine various representations of childhood as shifting states of innocence and wildness liminality marginalisation and invisibility the book focuses on a range of literary and film genres from classic texts to experimental carnivalesque magical realist and cross cultural texts

Childhood and the Classics 2018 for years lydia chukovskaya s support for persecuted writers cut her off from her own audience even her name was banned in the ussr and she was expelled from the union of writers in 1974 though unable to publish at home and cut off from contacts with readers and editors chukovskaya continued to write to the memory of childhood her loving chronicle of growing up beside the gulf of finland with her father the writer kornei chukovsky reveals the sources of her strength and her belief in the power of the written word her father is a household name in russia because of his tales in verse for children but his literary accomplishments ranged far beyond bedtime stories as a critic he wrote controversial articles and lively profiles of cultural figures as a translator he introduced whitman twain kipling and wilde to russian readers when his children s literature was attacked in the 1920s and 1930s he turned to editing scholarship and articles on translation a man of boundless energy he played a vital role in his country s cultural life until his death in 1969 i am not writing kornei ivanovich s biography chukovskaya says but he was the author of my childhood

The Story of My Life from Childhood to Manhood 1893 the global history of childhood reader provides an essential collection of chapters and articles on the global history of childhood the reader is structured thematically so as to provide both a representative sampling of the historiography as well as an overview of the key issues of the field such as childhood as a social construct commonalities and differences globally and why the twentieth century was not the century of the child for most of the world s children the reader is divided into four parts theories and methodologies of the history of childhood constructions of childhood in different times and places children s experiences in different times and places usage of the past to articulate solutions to problems facing children today topics covered include theories and methodologies in the global history of childhood sources for writing a global history of childhood education gender disability race class and religion the individual in history and emotions violence labour and illiteracy with introductions that contextualize each of the four parts and the articles further reading sections and questions this is the perfect guide for all students of the history of childhood
