Night Shift 2022-12-08

in night shift an exhilarating medical mystery thriller by robin cook a doctor s murder will lure jack and laurie into the dark underbelly of their new york hospital juggling intense work with family pressures jack stapleton and laurie montgomery are married doctors with hectic schedules the last thing they need on their plates is a murder when laurie s long time friend dr sue passero dies mysteriously in a hospital car park an autopsy is required it falls squarely under laurie s remit as newly appointed chief medical examiner but when laurie asks jack to take special care with the examination he can hardly refuse as he looks more closely into the case jack senses foul play around sue s sudden death he sets out to investigate on site at manhattan memorial hospital even if it means defying the rules what starts as an inquiry soon becomes a deadly game of cat and mouse between jack stapleton and a deranged killer ready to strike again

Desperate to Die 2017-06-30

is there a fine line between euthanasia suicide and murder medical student annabel tilson is deep into her internal medicine rotation when one of her patients dies of natural causes which may not be typical at all as she undergoes a personal loss herself and is confused by the male friendships in her life she realizes there are no easy solutions to difficult problems such as end of life care meanwhile however her patients lives are at stake which is it are machiavellian deeds being done or perpetrated on annabel s discharged patients and those on the medical floor or are painful deaths and intolerable situations being circumvented for some patients by an angelic protector this is book three in the medical and personal adventures of medical student annabel tilson and is also a standalone story book one dead stillbook two deadly delusionsbook three desperate to die

Dying to Recall: A Medical Thriller 2019-08-27

a suicide a break in an ominous warning is it a coincidence or have jackie and curt unleashed the wrath of vengeful pharmaceutical executives emboldened by the support of law enforcement officials and a prominent physician jackie and curt embark on a crusade against alzcura they have compelling evidence of unethical business practices and countless numbers of unreported patient deaths related to their miracle cure for alzheimer s but when a key witness is found hanging in his office their case against the pharmaceutical giant is significantly weakened

on top of that jackie s home is broken into and an ominous warning was left on her wall and someone posing as curt s brother tried to pick up his kids from school shaken jackie and curt must reassess the potential cost of continuing their fight would jackie and curt be able to garner sufficient support and evidence to bring alzcura to justice or would their continued efforts bring down a reign of terror that would make them pay with their lives dying to recall is the second book in the page turning table for four medical thriller series it s a captivating story of good versus evil with engaging characters who will take you on an emotional roller coaster ride pick it up now you ll have trouble putting it down a portion of the proceeds from this series is donated to the alzheimer s foundation of america

Manner of Death 2023-12-07

in this new fast paced medical mystery thriller from the new york times bestselling author robin cook fan favorites jack and laurie must determine the manner of death after a pathology resident s suspicious suicide reeling from a devastating encounter that nearly ended his life jack stapleton is still in recovery leaving his wife laurie montgomery new york s chief medical examiner to manage a difficult situation at home and an even tougher one at work when a young man appears on the medical examiner s table an apparent death by suicide laurie is compelled to try and understand what happened the autopsy reveals the disturbing possibility that foul play was involved and provides many more questions than answers ignoring her own professional rules laurie personally investigates who might want the man dead and why so begins a descent into a dangerous world filled with ruthless individuals who will do anything to protect their business interests and that might just cost laurie her life

Control 2019-08-08

a dark and compulsive medical thriller written by a doctor who has seen it all perfect for fans of don t wake up and tess gerritsen a suspenseful and frightening thriller lynda la plante not all doctors are heroes renowned surgeon michael trenchard locks his office door and prepares for a relaxing evening but what follows is a living nightmare when later he is discovered in a locked in coma the victim of an auto erotic asphyxiation it is left to doctor kash devan trenchard s young protégé to uncover the truth and what he discovers is chilling in his ruthless pursuit of wealth and success trenchard has left a trail of wrecked lives and angry people behind him which of trenchard s victims hated him so much that they wanted to ruin not only his reputation but his life as well

The Head Hunters 2017-08-18

washington dc and terror in an isolated government sanctioned medical laboratory as the potential of medicine goes horrifyingly wrong when susan a young researcher loses her fiancée in a terrible accident she is seduced by michael a friend and the head doctor on a top secret neurometric project backed by the white house and the famed borg harrison foundation joining michael s team susan is unaware of the terrible danger she faces in the high security facility and from katherine the team psychologist who will go to any lengths to protect the lab s vital secrecy and her own carnal desires when susan stumbles onto the true nature of the project it s to find herself in it too deep to walk away and trapped in the worst kind of nightmare threatened every second to becoming a ghastly medical experiment herself in the head hunters david osborn explores the murky boundaries between ethics and medical research between volunteer and victim ambition and ruthlessness and between life and death when a team of responsible doctors plays a deadly game in which any of the players can be condemned to a purgatory more ghastly than hell

Host 2015-10-22

host the explosive thriller from new york times bestselling author and master of the medical thriller robin cook takes readers back to where the genre began and the questions posed in

coma what happens when innocent hospital patients are used as medical incubators against their will lynn peirce a fourth year medical student at mason dixon university thinks she has her life figured out but when her otherwise healthy boyfriend carl is admitted to hospital for routine surgery lynn is devastated by his sudden death convinced there s more to the story than the authorities are willing to reveal lynn searches for evidence of medical malpractice with the help of her lab partner michael what she uncovers however is far more disturbing hospitals associated with middleton healthcare have unnervingly high rates of unexplained complications and patients contracting serious and terminal illnesses following routine surgery when lynn and michael begin to receive death threats they realize they must discover the truth before the shadowy forces behind middleton healthcare can put a stop to their efforts once and for all

Memory's Hope: A Medical Thriller 2019-11-13

the case against alzcura intensifies until the fda s shocking response to the data will the guilty parties walk or will they be brought to justice jackie and curt find solace in one another s company as law enforcement officials increasingly take over the case against alzcura things look promising when alzcura cooperates with a request to produce a person of interest only to have hopes dashed when the person commits suicide before being questioned hope is renewed when food and drug administration officials ask to meet with law enforcement over the evidence against alzcura but their response to the facts is far from helpful and serves only to thwart the momentum of the case with the crusade and the case against alzcura at a critical juncture would justice prevail or would the well heeled executives with insider connections escape accountability for their crimes and the deaths of untold thousands who entrusted their lives to their so called miracle cure memory s hope is the final book in the page turning table for four medical thriller series it s a captivating story of good versus evil with engaging characters who will take you on an emotional roller coaster ride pick it up now you ll have trouble putting it down a portion of the proceeds from this series is donated to the alzheimer s foundation of america

Dangerous Doctor 2019-01-10

both of them suspected that something was wrong terribly wrong in the great medical research center where they worked both of them wondered why a beautiful young woman had died on the operating table and her brain secretly removed both of them found it impossible to explain the rash of female patients exhibiting bizarre mental breakdowns and shocking behavior both of them were placing their careers and very lives in deadly jeopardy as they penetrated the eerie inner sanctums of a medical world gone mad with technological power and the lust for more

Bad Medicine 2020-12-15

nazi doctor konrad zindell flees to south america at the end of world war two to continue the experiments he began at auschwitz working under the infamous dr josef mengele forty five years later brilliant neurosurgeon paul raymond is abducted from his seattle home the only person who can connect the two is medical student steve raymond looking for answers to the disappearance of his father he and his girlfriend janet newell suddenly find themselves in a desperate race to save their own lives as they inadvertently uncover one of the third reichs deadliest secrets in this intricately woven medical thriller eric b olsen creates a shocking alternative history in the tradition of marathon man and the boys from brazil the fourth reich is not in south america but far to the north as a young couple races against time to stop a mad man from trying to take over the world

Brain 1982-01-04

it s spring in buffalo new york at sprawling st paul s hospital new interns rush through the halls staff doctors scramble to catch their protégés mistakes and everyone is aware of one unrelenting threat a new and vicious strain of severe acute respiratory syndrome sars has hit

america hard and is menacing the hospital like a wolf at the door wrapped in spacesuit like garb to search for every possible source of infection the hospital staff desperately tries to protect the lives of patients and of each other yet despite st paul s best efforts people are dying in this chilling medical landscape no one notices the slight spike in the death rate in a palliative care ward the prevailing attitude is they re supposed to die that s why we call them terminal when these same patients complain of terrifying near death experiences the hospital staff attributes it to delirium caused by medication but when er chief dr earl garnet gets blamed for the unexpected death of a patient he defies protocol and opens an independent investigation he quickly becomes suspicious that something far more sinister than disease is killing the hospital s most vulnerable patients for garnet looking into the deaths means rattling relationships that have been built over years relationships with several men and women he once trusted but now must doubt with the sars epidemic spinning out of control and a storm of suspicion fear and mistrust raging through the corridors of st paul s the hospital is rocked by a horrifying crime a respected researcher is found brutally murdered and his executioner may be ready to strike again with brilliant pacing scalpel sharp suspense and an unmatched knowledge of the workings of a big city hospital peter clement is a thriller writer in a league of his own in his new work he takes us on a galvanizing frightening and constantly fascinating journey set on the front lines of medicine where some dangers can be prevented and others can only be feared

Death'S Head 2017-03-31

a pharmaceutical company promises you hope and happiness in a pill would you take it if it cost your relationship with god dr nicklaus hart returns from responding to a massive earthquake that rocked the middle east allowing an isis terror cell to enter the ancient area of mesopotamia captured tortured and blinded by the hands of the radical terrorists nick arrives home a broken man he has lost everything he holds dear his sight independence profession and most of all hope but at the bottom of the pit god sends him a lifeline and restores his physical and spiritual vision faced with reinventing himself a pharmaceutical company in singapore offers nick a position on the dark side of medicine the drug company s slogan better living through science is actuated as it develops medications that manipulate the brain chemicals but at a significant cost to the patient nick exposes the dangers of the drug in the jungles of borneo amongst orangutans and the original headhunters the ancient iban tribe nick continues to dream hope against hope even when the outlook doesn t warrant it not looking for it in the lesser comforts of life or a medicine bottle but by abiding in the truth where he finds the greatest hope of all love the rusted scalpel is the third book in a series of skillfully crafted medical thrillers if you like fast paced adventure international settings sizzling medical suspense then you ll love this heart pounding thriller by timothy browne
