witchcraft has proven an important if difficult historical subject to investigate and interpret over the last four decades or so modern historical research into witchcraft began as an attempt to tease out the worldview of ordinary people in 16th and 17th century england but it quickly expanded to encompass the history of witchcraft in most cultures and societies that have existed with scholarly studies now extending back to the time of earliest law code that punished sorcery the babylonian code of hammurabi 1792 1750 b c e and forward to the last witchcraft cases in england those of helen duncan and jane yorke tried in 1944 there has also been a significant amount of interest in the development of the modern religion of witchcraft or wicca as various forms of neo paganism continue to attract adherents the second edition of historical dictionary of witchcraft covers the history of the witchcraft from 1750 b c e though the modern day this is done through a chronology an introductory essay and an extensive bibliography the dictionary section has over 300 cross referenced entries on witch hunts witchcraft trials and related practices around the world this book is an excellent access point for students researchers and anyone wanting to know more about the history of witchcraft

## **The Manual of Dates: a Dictionary of Reference to the Most Important Events in the History of Mankind 1874**

a great deal has been written about the history of witchcraft but much of what has been written is unreliable exaggerated or inaccurate this problem is especially acute in regard to modern witchcraft or wicca and its supposed connections to historical witchcraft in medieval and early modern europe the a to z of witchcraft provides a reliable reference source for both academics and general readers interested in the actual historical development of witchcraft in the western world the focus of the dictionary is on western europe during the late medieval and early modern periods when the specific idea of diabolical witchcraft developed and when the so called great witch hunts occurred entries are also provided that deal with magic and witchcraft in the earlier christian period and classical antiquity as well as with the lingering belief in witchcraft in the modern world and with the development of the modern neo pagan religion of witchcraft also known as wicca for comparative purposes some entries have been provided that deal with aspects and systems of magic found in other parts of the world that seem to bear some relation to the idea of witchcraft as it developed in christian europe the regions dealt with are mainly africa along with such new world practices as voodoo and santeria entries in the dictionary cover important people in the history of witchcraft from the medieval inquisitors and early modern magistrates who developed the stereotype of the historical witch to the modern individuals who have developed the religion of wicca also included are legal terms and concepts important to the prosecution of the supposed crime of witchcraft and religious and theological concepts pertaining to the demonic elements that came to be associated with witchcraft as well as more popular beliefs and aspects of common folklore and mythology that became attached to the developing idea of witchcraft geographic entries are also included discussing the scope of witch hunting in various regions of europe and the world and describing specific examples of major witch hunts such as those that occurred in salem massachusetts
