**Mike Martin** 2013-10 the small town of grand bank in southeast newfoundland at the very eastern tip of canada is in crisis their largest employer and link to the glorious past the fish plant is closing sgt winston windflower s personal life is also in crisis since his longtime girlfriend sheila hillier is leading a community protest to try and stop the closure it may be too late for the fish plant but is it too late for windflower and sheila if that wasn t enough they are buried in snow and an epidemic of prescription drug abuse that is creating major problems for people and the police who patrolled the area an accidental death on a snow covered highway leads only to more questions and more problems for sgt windflower and the rcmp to resolve page 4 of cover

**A Twist of Fortune** 2015-04 why are we willing to die for our countries how can ideology persuade someone to blow themselves up when we go to war morality religion and ideology often take the blame but mike martin boldly argues that the opposite is true rather than driving violence these things help to reduce it while we resort to ideas and values to justify or interpret warfare something else is really propelling us towards conflict our subconscious desires shaped by millions of years of evolution

**Why We Fight** 2018-05-03 two legendary battles which sprang from the depths of history to shine as symbols of self sacrifice heroism and glorious defeat encounters which took the lives of two of america s most famous figures davy crockett and general custer what is the essential link between the battles of the alamo and the little bighorn why did crockett choose to leave a safe political career to throw in his lot with suicidal adventurers what drove custer to ignore common sense and ride to certain death how could it be that the defenders of the alamo were made up largely of lawyers and doctors or that the troopers of the 7th cavalry numbered a majority of irishmen and germans did you know that crockett kept his besieged comrades entertained with fiddle tunes or that custer s devoted wife may have had a romantic fling with one of her husband s officers these are just a few of the many questions answered by this new book which explores connections between these events for the first time the battles are linked exploring reasons causes outcomes and personalities basing his viewpoint on years of research and travelling across the relevant areas of the usa the author gives a detailed account which is accessible to anyone coming to the subject for the first time illustrated with the author s own photographs maps and sketches from crockett to custer takes the reader on an informative journey through the battlefields as they were and as they are today an ideal introduction to the battles of the alamo and little bighorn which will give a true understanding of what happened and the legacy which remains

*"He Who Wears Big Boots"* 2010 an intimate war tells the story of the last thirty four years of conflict in helmand province afghanistan as seen through the eyes of the helmandis in the west this period is often defined through different lenses the soviet intervention the civil war the taliban and the post 2001 nation building era yet as experienced by local inhabitants the

helmand conflict is a perennial one involving the same individuals families and groups and driven by the same arguments over land water and power this book based on both military and research experience in helmand and 150 interviews in pashto offers a very different view of helmand from those in the media it demonstrates how outsiders have most often misunderstood the ongoing struggle in helmand and how in doing so they have exacerbated the conflict perpetuated it and made it more violent precisely the opposite of what was intended when their interventions were launched mike martin s oral history of helmand underscores the absolute imperative of understanding the highly local personal and non ideological nature of internal conflict in much of the third world

**Life of Michael Martin** 1821 the ministry of branding takes you on a brand building journey one of the greatest inventions ever created was the microphone this book is just that it is the tool you have been looking for to amplify the significance of your voice for any business the brand is one of their most important assets the ministry of branding aims to help you widen the influence and reach of your brand in this book you are going to learn the meaning of branding a biblical basis for branding the jesus brand model how to build a brand how to launch a brand and so much more this book is unlike any other branding book you have read or seen on the shelf whether you are a novice or a marketing director you are going to find the tools you need in this book there is nothing like having a personal coach to escort you into the reality of your dreams the ministry of branding will directly coach you through every step of the branding process

**From Crockett to Custer** 2004-01-18 this thrilling adventure novel from francis alexander durivage follows the escapades of a notorious highwayman in the wild west full of daring heists epic showdowns and unexpected twists readers will be on the edge of their seats until the very end this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**An Intimate War** 2017-11-30 a weekend visit to picturesque newfoundland by a large crew of outlaw bikers leaves behind another mess for sgt windflower to clean up this time he s facing violence murder mystery and intrigue this adventure has windflower questioning everything he thought he knew there are troubles on the home front cutbacks in the policing budget old friends leaving and new ones not quite here yet windflower is seeking to find answers in territory that is both dangerous and unfamiliar this instalment in the sgt windflower mystery series has our hero dashing all over the beautiful little island of newfoundland along the way he never wavers in his pursuit of justice but he stills tries to find a way to enjoy the natural beauty that lays all around him and to bring out the best from everybody he meets a long ways from home is about more than just homicides or the dirty dealings of outlaw bikers it is also about helping people and communities face up to and overcome new and very difficult challenges windflower relies on his friends and allies including some four legged ones to help him and them find the answers he also discovers that we are never really alone even when we are a long ways from home

**The Ministry of Branding** 2018-10-12 has any war in history gone according to plan monarchs autocrats and elected leaders alike have a dismal record on launching and

prosecuting wars from pursuing over ambitious goals to making decisions without considering intelligence terrain morale or the enemy s capabilities they have all erred this not only wastes the lives of civilians the enemy and one s own soldiers but also means a failure to accomplish your objectives conflict scholar and former soldier mike martin takes the reader through the hard elegant logic of how to fight an interstate war on land including the factors that are often overlooked the importance of psychology training getting the logistics right and maintaining your esprit de corps he then explains how to orchestrate the building blocks of military force from infantry artillery and air support to information and cyber warfare in order to prevail over your adversary how to fight a war explains in cool and precise prose the art of using extreme violence to convince your enemy that they should submit it should be read by everyone who seeks to understand today s conflicts and those to come and by all those who wish to lead us through the next decade of wars
