## Studios Before the System

2012-09-26

by 1915 hollywood had become the epicenter of american filmmaking with studio dream factories structuring its vast production filmmakers designed hollywood studios with a distinct artistic and industrial mission in mind which in turn influenced the form content and business of the films that were made and the impressions of the people who viewed them the first book to retell the history of film studio architecture studios before the system expands the social and cultural footprint of cinema s virtual worlds and their contribution to wider developments in global technology and urban modernism focusing on six significant early film corporations in the united states and france the edison manufacturing company american mutoscope and biograph american vitagraph georges méliès s star films gaumont and pathé frères as well as smaller producers and film companies studios before the system describes how filmmakers first envisioned the space they needed and then sourced modern materials to create novel film worlds artificially reproducing the natural environment film studios helped usher in the world s second industrial revolution and what lewis mumford would later call the specific art of the machine from housing workshops for set prop and costume design to dressing rooms and writing departments studio architecture was always present though rarely visible to the average spectator in the twentieth century providing the scaffolding under which culture film aesthetics and our relation to lived space took shape

## Making Patton

2020-01-24

forever known for its blazing cinematic image of general george s patton portrayed by george c scott addressing his troops in front of a mammoth american flag patton won seven oscars in 1971 including those for best picture and best actor in doing so it beat out a much ballyhooed m a s h irreverent darling of the critics and grossed 60 million despite an intense anti war climate but as nicholas evan sarantakes reveals it was a film that almost didn t get made sarantakes offers an engaging and richly detailed production history of what became a critically acclaimed box office hit he takes readers behind the scenes even long before any scenes were ever conceived to recount the trials and tribulations that attended the epic efforts of producer frank mccarthy like patton a u s army general and twentieth century fox to finally bring patton to the screen after eighteen years of planning sarantakes recounts how filmmakers had to overcome the reluctance of patton s family copyright issues with biographers competing efforts for a biopic and department of defense red tape he chronicles the long search for a leading man including discussions with burt lancaster john wayne and even ronald reagan before settling on scott a brilliant actor who brought to the part both enthusiasm for the project and identification with patton s passionate persona he also tracks the struggles to shoot the movie with a large multinational cast huge outlays for military equipment and filming in six countries over a mere six months and he provides revealing insider stories concerning for example scott s legendary drinking bouts and the origins of and debate over his famous opening monologue drawing on extensive research in the papers of frank mccarthy and director franklin schaffner studio archives records of the academy of motion picture arts and sciences

fluorescence spectroscopy imaging and probes new tools in chemical physical and life sciences springer series on contemporary journalism and oral histories sarantakes ultimately shows us that patton is more than just one of the best war films ever made culturally it also spoke to national ideals while exposing complex truths about power in the mid twentieth century

## **How to Turn Poems, Lyrics, & Folklore into Salable Children's Books**

2009-03-30

do you want to adapt your poem to a storybook that tells a story in words and pictures or only amplify the images that you create with words would you rather turn your poem into a picture book that tells a story with pictures will words take second place to illustrations decide first whether you will write a story book or a picture book then use the images in your poem to clarify your writing you won't be able to read a picture book into a tape recorder or turn it into an audio book or radio play you will be able to narrate a word book for audio playing start with an inspirational poem proverb or song lyrics ask children what makes them laugh you can make something out of nothing you can make a story out of anything intangible such as an idea with a plan still in your mind capture your children's dreams proverbs song lyrics and the surprise elements that make them laugh record imagination what if talk and personal history a folktale or story is something that could come from any place in the past from science or from nothing that you can put your hands on what children want in a book poem or folklore is a cave where they can go to be themselves when suspending belief children still want to be themselves as they navigate fantasy the story book becomes a den or tree house where children can go inside shut the door and play introduce children to poetry by showing how you transform your poem into a children's book by expanding and emphasizing significant events in the life story of one child poems memorable experiences significant life events or turning points are all ways to make something out of nothing tangible you begin re working a concept framework or vision here's how to write publish and promote salable material from concept to framework to poem to children's book step by step
