*The Billings Rollography: Pianists* 1990 brian dolan s social and cultural history of the music business in relation to the history of the player piano is a critical chapter in the story of contemporary life the player piano made the american music industry and american music itself modern for years tin pan alley composers and performers labored over scores for quick ditties destined for the vaudeville circuit or librettos destined for the broadway stage but the introduction of the player piano in the early 1900s transformed tin pan alley s guild of composers performers and theater owners into a music industry the player piano with its perforated music rolls that told the pianos what key to strike changed musical performance because it made a musical piece standard repeatable and easy rather than something laboriously learned it also created a national audience because the music that was played in new orleans or kansas city could also be played in new york or missoula as new music ragtime and dance fox trot styles crisscrossed the continent along with the player piano s music rolls by the 1920s only automobile sales exceeded the amount generated by player pianos and their music rolls consigned today to the realm of collectors and technological arcane the player piano was a moving force in american music and american life

*The Billings Rollography: Recordo and its kin* 1990 first published in 1998 this book is the first resource guide to published materials on scott joplin and encompasses a wide variety of items having to do with the man his iife his music and his influence on ragtime throughout the twentieth century this guide includes articles and listings on festivals concerts clubs or societies individual performers performing groups radio television and film as well as bibliography on joplin and ragtime in general

**The Billings Rollography: QRS Word Rolls, 99-6000** 1990 the remarkable life and times of hi babit now at ninety three author hi babit tells the story of his life from birth until present his autobiographical book the flying piano roll man recounts his experiences mostly as a piano roll maker a pilot and an inventor the flying piano roll man divides the author s life into four time spans 1917 1930 1931 1940 1941 1945 and 1946 to the present time in three different chapters the author also highlights his piano roll years his flying years and his invention ideas in detailed description this volume narrates the author s experience with his first piano teacher his first job and other work experiences that molded him into the person he is today a person who wears multiple hats the author has composed music written songs written lyrics for songs made the master arrangements for piano rolls done artwork when he was young written articles for magazines had a photo business had a leather craft business had a nail head business for clothing was a clothing cutter in the garment line learned flying and became a land sea glider pilot with a commercial rating tunes pianos every day rehearses shows and conducts them played with many bands and in many restaurants and so much more these interesting facts will engross readers in this book as an added incentive to buy this book there are many original musical compositions that were done by hi babit which are located at the end of the book in the appendix
