in today s world much unlike the world of long ago before the 1980s where women probably and seemingly didn t play as many games and didn t scheme as much as the women of today one can clearly see witness and attest to the ever present and overwhelming amount of game playing and scheming ways of most of the females we know know of see and interact with on a day to day basis most every man at one point or some point in his life has fallen victim to a

game or scheme of a female whom he has either tried to get with or hook up with and many guys get hit with games and schemes even with those that they are married to or in relationships with practically no man is exempt we all at some point will find ourselves faced with a woman whose sole purpose is to either go for what's in our pockets or bank accounts or to try to get us to do something for them for free or to get us to buy them stuff without them appreciating it and then turning around and buying us stuff too as well that's a big part of the world we live in as far as men interacting with women and the sole purpose of this book is to at least get guys to recognize when they are being played and to not fall for the simple games that women play twenty four hours a day
