Cambridge Global English is a nine stage language rich course for learners of English as a second language following the Cambridge International Examinations Curriculum Framework. Teacher's Resource 6 provides step by step guidance notes for teachers for each lesson in every unit to support teaching the content of Learner's Book 6. Notes on Activity Book 6 are also included. A unit overview provides a snapshot of lesson objectives and the language and skills covered. The notes include answer keys to activities in the Learner's Book and Activity Book. Complete audio scripts, suggestions for differentiation and assessment, cross-curricular links, portfolio opportunities and additional unit linked photocopiable activities and unit based wordlists.

English Matters is unique in that the Learner's Book and the Reader are two separate books sold as one. Not only does this offer a tremendous cost saving but it is designed to provide learners with the skills to communicate confidently in English, explore new knowledge, expand their general knowledge and read for pleasure. The content and activities have been successfully trialed and whilst it is suitable for learners who use English as a language of learning, the focus is on learners who use English as an additional language. The Teacher's Guide contains an overview of the RNCs year and phase plans for long term planning, remedial ideas and additional ideas for learners with special needs, grids showing how the learning outcomes have been covered, grids showing how integration across the learning areas is incorporated, photocopiable assessment sheets that can be applied to each activity.

## ***Creative English Course Book for class 6 2018-01-24***

what the book does extremely well is do describe the way things are in terms of the requirements of the framework for teaching english the curriculum and the new specifications and for this reason it is likely to be most useful to those contemplating english teaching in the maintained sector from outside returnees aspiring nqts or those in the independent sector times educational supplement instead of taking us yet again on a tour through the four modalities of english this book's tripartite structure takes a refreshingly different approach by offering thought provoking argument grounded in classroom practicality nick mcguinn university of york students comments on teaching secondary english the book is written in clear digestible terms offering many practical ideas for teaching the key skills and the wide range of material encountered in the english classroom it is the kind of book which can be dipped into which is particularly useful for people who spend most of their time planning lessons teaching secondary english is a must for student teachers and nqts it is a clear comprehensive and practical guidebook dealing not solely with theory and pedagogy but with the very real issues facing new teachers today it is clear that teaching secondary english unlike so many textbooks on the subject is written by someone with recent classroom experience and this helps the reader to trust and respect the advice it purports i certainly feel it is grounded in practicalities not pie in the sky theory that will not work in most real classrooms this book enables english teachers to implement change and rise to new challenges while remaining true to an ethically and socially just position which provides the rationale for their vocation the author describes and evaluates recent changes to english teaching brought about by initiatives such as the literacy strategy the new a levels and the requirement to focus on spiritual moral social and cultural development examples of innovative teaching and learning strategies are provided throughout the author helps teachers to foster keen readers writers and communicators he shows how they can enable their students to acquire skills and knowledge as well as to recognize the value of aesthetic experience emotional literacy and spiritual and moral response to literature in their own lives and in their communities this book is essential reading for pgce students as well as practising teachers and all those involved in english in education
