Murder of An Open Book 2015-09-01 new york times bestselling scumble river series a nasty faculty feud leaves one scumble river teacher belly up her honeymoon may have been less than relaxing but skye boyd née denison is still high on marital bliss with her new husband wally the fact that their family is about to get bigger is even more exciting even if skye is dealing with morning sickness and trying to hide the news from her ever meddling mother may but skye quickly comes crashing down from cloud nine when the body of one of her coworkers science teacher and volleyball coach blair hucksford is found in the school swimming pool the troublesome trainer was on the bad side of almost everyone on staff and many of the girls on her team leaving skye to sort through a huge roster of suspects now she must figure out which wronged party was mad enough to kill and quickly before someone else in town gets bumped off

Practical Human Resources for Public Managers 2017-09-25 employers face a myriad of issues when hiring how to recruit whom to select how to interview equal employment opportunity policies fair salary offerings health issues performance evaluations behavior disciplinary actions turnover and the list goes on and on practical human resources management for public managers a case study approach provides insight into human resource trends and demonstrates how complex situations can be successfully managed by public sector practitioners the authors take us step by step into the real world with examples of historical events that compare what happened with what could have happened as well as suggested readings for more in depth analysis and important points to remember exploring the space between theory and what actually occurs in the world this book supplies instructional case studies based upon actual events the authors introduce key human resources issues with clear concise language and provide techniques to address these issues in a real world setting the case studies cover legal and liability issues recruiting and hiring employee performance reward and discipline issues retention termination workplace violence mentorship motivation and managing through transitions the authors bring know how from a wide array of working environments including teaching and administrative experience in public universities and management in municipalities of various population sizes from a few thousand to more than a million they have also worked in a variety of capacities within these organizations which allow them to see different perspectives on how different departments handle similar situations they use their from the trenches knowledge to explore pragmatic ways to deal with human resource issues in public sector workplaces

Outsiders 2019-01-28 what is the future of civil rights like a living thing discrimination evolves adapting to its time as discrimination becomes more individualized as difference becomes more pronounced we need a civil rights that is attuned to the way identity is performed today outsiders is filled with stories that demand attention stories of people whose search for identity has cast them to the margins their stories reveal that we need to refresh our vision of civil rights taking its cue from religious discrimination law outsiders proposes two major changes to civil rights law the first is a right to personality identity comes from within the goal of civil rights law should be to take people as they come to let each of us determine who we are and how we relate to the world around us the second change is a shift in how the law responds to discrimination the critical question driving equality law should be whether there is space to accommodate a person s identity accommodations are about respecting difference not erasing it accommodations are a way to bring outsiders in outsiders seeks to change the way we think about identity equality and discrimination it argues that difference not sameness should be the cornerstone of civil rights mixing doctrine and theory art and personal narrative outsiders proposes a civil rights for everyone being different is universal we are all outsiders
