understanding union with christ as a frame of thought as a motif or theme is important for accessing calvin s theology while the union with christ doctrine arises when calvin explains the doctrine itself directly especially in light of soteriology the strong presence of this motif union with christ union with the triune god indicates its pervasiveness when other doctrines or theological themes are explained as well this book suggests that we approach the notion of union of christ as a theological frame of thought that touches on most of the doctrines and theological themes of calvin s theology this book deals with union with christ as a motif or theme rather than as a doctrine

this latest offering by noted theologian sung wook chung examines the ways in which john calvin continues to impact the global evangelical movement in the twenty first century this useful collection is perhaps most distinguished by the diversity of its contributors literally spanning the globe the group of scholars whose work is included represents a wealth of viewpoints from various traditions including dutch neo calvinism the french reformed tradition scottish american presbyterianism anglicanism congregationalism the baptist tradition calvinist dispensationalism asian reformed tradition african american reformed tradition and latin american evangelicalism together they offer an enlightening glimpse into the historical calvin and project that understanding on the evangelical movement of the future

Union with Christ 2023-11-13

for more than two millennia believers have struggled with the antinomy of god s absolute sovereignty over and man s ultimate responsibility in justification and sanctification theologians have used some version of the terms active justification and definitive sanctification in an attempt to illuminate this mystery however in the past decade scholars have begun to criticize these concepts saying that they are unsupported in scripture lead to theological confusion and are of no practical benefit to believers through the work of theologians from the broader dutch reformed tradition especially herman bavinck alexander comrie herman witsius and abraham kuyper jae eun park demonstrates that the terms active justification and definitive sanctification are derived from scripture and serve to clarify not obscure the doctrines of justification and sanctification in addition the book shows that neglect misuse or misunderstanding of the terms have resulted in contemporary criticisms that are unconvincing and unfounded writings of the aforementioned theologians define and expound four characteristics held in common between active justification and definitive sanctification i e inseparability objectivity and decisiveness christ centeredness and god s absolute sovereignty concepts of the mentioned theologians all four characteristics of active justification and definitive sanctification emphasize the god driven nature of salvation jae eun park explains how when properly defined and presented the two terms are important theologically bringing clarity to the issue of the perfect balance between god s sovereignty and human responsibility in salvation he also shows how active justification and definitive sanctification offers practical assurance of their perseverance unto glory to true believers and provides pastors with an invaluable tool for exhorting parishioners who may have lapsed into either triumphalism or defeatism

do you struggle to connect the dots between the bible and your life while christians instinctively want to apply scripture we encounter difficulties that can discourage us and diminish our engagement with god s word indeed biblical application has suffered in various ways in the church everything from neglect to abuse to contempt responding to such challenges beyond chapter and verse provides a biblically based rationale for the practice of application and then proposes a biblically consistent method for application the book is substantive but

accessible relevant for believers generally as well as preachers it begins by sketching the broad theological context of bible application relating it to the gospel generally and to sanctification specifically the heart of the study then synthesizes key old and new testament passages relative to the process of application building on this foundation the book sets forth a sensible approach for arriving at legitimate applications of scripture a rich assortment of positive and negative case studies illustrates the method motivating believers to apply the scriptures for themselves

40 Questions About Salvation 2018-05-15

in today's church use of the term transformation has become commonplace various perspectives are offered on what a christian view of transformation is and on how it may be achieved these often conflicting views suggest an ecclesial landscape characterized by pluralism division fragmentation confusion relativism individualism pragmatism and subjectivism despite the current interest in transformational theology the absence of a common coherent and integrated vision and the lack of transformation is often accepted and affirmed re-envisioning transformation looks at the possibility of moving toward a vision of transformational theology that is cohesive unified broad effectual and distinctly christian in this book the contributions of two radically different theologians of the christian life are examined this provides the basis from which to develop a comprehensive and integrated framework of transformational theology pointing god's people toward the need to express and live out a distinctly christian vision

Beyond Chapter and Verse 2018-02-28

a must read for every concerned american and especially for every christian who weeps at the graveside of his culture r c sproul a cataclysmic change has occurred as our culture has shifted toward belief in oneism every religion and philosophy fits into one of two basic worldviews oneism asserts that everything is essentially one while twoism affirms an irreducible distinction between creation and creator the other worldview exposes the pagan roots of oneism traces its spread throughout western culture and demonstrates its inability to save for bodily holiness and transformed thinking we depend entirely on one amazing thing the incredibly powerful message of the gospel to a sinful world which is the ultimate expression and goal of twoism the only hope is in christ alone

Re-Envisioning Transformation 2018-09-14

a companion to medieval christian humanism explores christian humanism in the writings of key medieval thinkers it explores questions pertaining to human dignity the human person's place in the cosmos and the educational ideals involved in shaping the human person

The Other Worldview 2015-06-24

the word theology is often construed by many as referring to a very dry and academic discipline only reserved for the professional clergy and seminary professors many lay christians in the church are intimidated by the subject and feel it to be a tedious intellectual exercise that is of no use for their spiritual growth and mission of the church in an attempt to address this concern mark kim presents here an introductory systematic theology that deals with the core doctrinal topics of christianity that is accessible for the average layperson the work will engage heavily with scripture and the voices of the past and present who have contributed to the total theological voice of the church at large in this second edition of the work there is included an extra chapter on the doctrine of the christian life as pointed out in the first edition of the work theology should foremost be practical in its results and application the

author addresses this concern by including a new chapter discussing the nature of the christian life and how christians should live in the world

A Companion to Medieval Christian Humanism 2016-04-08

since the beginning of the biblical counseling movement in 1970 biblical counselors have argued that counseling is a ministry of the word just like preaching or missions as a ministry counseling must be defined according to sound biblical theology rather than secular principles of psychology for over four decades biblical theology has been at the core of the biblical counseling movement leaders in biblical counseling have emphasized a commitment to teaching doctrine in their counseling courses out of the conviction that good theology leads to good counseling and bad theology leads to bad counseling a theology of biblical counseling is a landmark new book that covers the history of the biblical counseling movement the core convictions that underlie sound counseling and practical wisdom for counseling today dr heath lambert shows how biblical counseling is rooted in the scriptures while illustrating the real challenges counselors face today through true stories from the counseling room a substantive textbook written in accessible language it is an ideal resource for use in training biblical counselors at colleges seminaries and training institutes in each chapter doctrine comes to life in real ministry to real people dramatically demonstrating how theology intersects with the lives of actual counselees

Loving God through the Truth, Second Edition 2023-05-25

this study contends that the single thread that runs through romans 6 8 is that of sanctification which is explained in terms of a life that is transformed by the grace of god the author argues that a proper understanding of romans 7 requires that one situate it firmly in the context of the life of freedom from sin in chapter 6 as well as a life of freedom by the holy spirit in chapter 8 in terms of its contemporary relevance paul s view of holiness in romans 6 8 is grounded in relationship with god involving separation commitment and ethical purity it is a call to the roman christians and by implication believers in our present day to live an alternative lifestyle to be a model of god s holiness in order to make him known to the wider society this conclusion is tested in the pauline corpus by examining various passages a picture of paul s view of holiness that is consonant with the message of romans 6 8 emerges from this study for paul holiness must not be reduced to theological propositions but is to be understood as a quality to be demonstrated in the lives of those who are called by the name of the lord

A Theology of Biblical Counseling 2016-04-05

this book is about how the christian actually became a christian the process is marc s focus how does god take the chosen from the womb to salvation then into his eternal bosom the classic position of election and predestination is made plain forcing the reader to address the alternative man s free will choice to be saved or not can these two positions be reconciled no not really the lord assured moses i will make all my goodness pass before you and i will proclaim the name of the lord before you i will be gracious to whom i will be gracious and i will have compassion on whom i will have compassion exodus 33 19 moses was to experience a limited theophany what the greek orthodox call a theosis the physical presence of god himself equivalent to my goodness it is god s very goodness the new testament saint knows to be the indwelt holy spirit the very spirit of christ jesus himself god himself paul cites the exodus passage in romans to demonstrate to the body of christ that god by his sovereignty elected each believer to be his own that we did not elect ourselves to be god s and one saint asked why write about such things that have been covered for hundreds of years true but more recently much about god s sovereignty has been covered over christian modernity has adapted as the author once did to a new evangelicalism whereby some first truths have been buried so deep that when they are unearthed they appear to be a foreign theology to the present generation of evangelical believers marc affords the saint the information necessary to actually understand how he or she actually got saved marc presently lives in orlando florida where he pastors blessed fellowship orlando an outreach ministry of orlando prayer and worship center senior pastor roy futch

winner of the 2017 christian book award for new author named one of the top books of 2016 by john piper's desiring god ministry to experience why the gospel is good news and answer life's most foundational questions about identity destiny and purpose we must understand what it means to be united to christ if you are a christian the bible says that christ has united his life to yours that you are now in christ and christ is in you this almost unfathomable truth is the central theme of the bible from genesis to revelation yet few christians today experience or enjoy this reality union with christ reveals the transformational power of this ancient doctrine while addressing the basic questions of the human heart who am i why am i

here where am i headed how will i get there nothing is more practical for living the christian life than union with christ the recovery of this reality provides the anchor and engine for your life with god for your destiny is not only to see christ but to actually become like him

Timeless Truths from a Faithful Shepherd 2011

the declaration by paul the apostle that if any one be in christ he is a new creature old things have passed away behold all things are become new encapsulates the restorative transformation of the believer yet many don t have a clear understanding of the status this transformation confers on the believer in christ in the position of the adopted child of god dr uruakpa presents in a readable and compelling language the transcendent newness of the adopted child of god detailing the necessity of the adoption the cost method and consequences of the adoption and the benefits of the newness accruing to the believer in the form of their secure inheritance the author sounds a note of warning to twenty first century believers to beware of all the forces that threaten to sabotage this privileged position as god s adopted child this position in spite of all odds the author underscores is unassailable in the life of the child of god who is seated with christ astounding

beliefs that really matter is both exegetical and theological in nature and gives clarity to contemporary readers of subject matter that they may find themselves struggling with in living the christian life just to name a few topics that the author has discussed in beliefs that really matter are a god breathed scripture b gods plan of grace c a new beginning and d the faith of one man beliefs that really matter makes people think about why they believe certain doctrines and to examine the doctrines whether if it is biblically sound the christian life is unique which we cannot deny but the real challenge for us is to live the christian life according to gods standards and not ours these concerns should be relevant and timely to the practicing christian that this book represents each chapter of beliefs that really matter is thought provoking and engages the readers not to settle for cheap messages of the gospel that our culture is so quickly to accept that lead many astray from the bible for example cheap messages of the gospel do not develop the believer into a spiritual mature person but only leaves the believer to sink in their christian experience and causes confusion for many and disappointment for others no wonder many christians face numerous spiritual challenges and find themselves drifting from the sacred writings beliefs that really matter points the professing christian to study the scriptures and to scoop out the meaning for themselves from gods word that they begin to apply in their lives as having to form a firm foundation quite often we may read a book that does nothing for our spiritual growth and does not challenge certain teachings or examine the scripture in beliefs that really matter the author exposes shallow christian beliefs that resemble a grab bag and calls attention to the unique word of god that shapes our lives for a firm foundation beliefs that really matter is written for college students pastors and lay leaders and for those who desire to grow in their spirituality and to experience a hunger for gods presence in their lives for example the reader would benefit tremendously from the book by doing a bible study on their own share in a small group discussion to be used as a text for a sunday school class or to be used as a college text book in the discipline of christian theology especially in the area of apply soteriology the contents of the book are clear and specific that does not leave the reader in the dark but rather motivate the reader to strengthen his faith and to connect with the sacred writings that feeds his soul beliefs that really matter is a wealth of information to the readers that enjoy responsible exegesis and theological explanation of words and there meanings grammatical tenses expressions misunderstandings and contradictions each chapter is concluded with a short study guide that enables the readers to think about their need for spiritual growth and enrichment and to dig into gods word as hidden treasure sincerely veerasammy carpen

a série fé reformada apresenta aos leitores as distinções da teologia reformada teologia reformada para o gasto este volume responde cinco questões jesus no antigo testamento o que é conversão verdadeira o que é o homem o que é providência o que é a trindade no capítulo 1 iain duguid sustenta que cristo está presente em todo o antigo testamento ele está presente em todas as páginas como tema central e enredo de todo o livro interpretado corretamente todo o antigo testamento é sobre jesus cristo duguid aponta a perspectiva que o próprio novo testamento nos ensina a ter em relação ao antigo testamento explora o que significa ver corretamente cristo no antigo testamento e por fim examina algumas maneiras específicas nas quais o antigo testamento se concentra em cristo e no seu ministério bem como nos prepara para vê los e entendê los no capítulo 2 stephen smallman explica o significado da verdadeira conversão a cristo ele escreve de maneira pessoal e com base em sua própria experiência numa tentativa de incentivar você a pensar na sua smallman discuti a conversão explicando a partir do texto bíblico a obra das três pessoas da santa trindade seja você um novo convertido ou um cristão maduro este capítulo será uma ajuda para refletir sobre o impressionante amor de deus para conosco não apenas pelo fato de ter enviado seu próprio filho para a cruz para pagar pelos nossos pecados mas ao enviar seu espírito santo para pacientemente nos conquistar apreciar a obra de deus em nós não é apenas uma fonte de alegria mas é crucial para a nossa capacidade de incentivar outros incluindo nossos próprios filhos na trajetória em direção à fé verdadeira em jesus em seguida troxel explora uma pergunta inquietante quem sou eu muitos terminam esta vida sem jamais encontrar a resposta acima dessas vozes está a verdade do deus vivo que não tem medo de formular perguntas desse tipo nem está indisposto a fornecer respostas inestimáveis no capítulo 4 derek w h thomas examina a doutrina da providência de maneira bíblica e teológica mostrando como ela aponta o cuidado de deus com o mundo tanto a sua supervisão de todos os acontecimentos e circunstâncias quanto a sua provisão para todas as nossas necessidades É mais do que a capacidade de deus de ver o futuro é o seu cuidado ativo e determinado

para assegurar que o que ele prometeu a nós realmente venha a acontecer o último capítulo trata da trindade com frequência a natureza desafiadora da trindade nos intriga especialmente porque nenhuma passagem sozinha na bíblia a explica os primeiros credos foram escritos para unir as crenças da igreja quanto à doutrina mas ainda hoje as pessoas têm dificuldades para entendê-la este capítulo examina o ensinamento da trindade em toda a bíblia e ao longo da história abordando como deus é tanto um quanto trino e segue definindo a trindade e suas inferências na nossa prática cristã
