Midnight Fire 2012-03-13 honestly the best series i ve read since outlander wow what a series heart thumping this paranormal series is everything this is the ultimate romance fantasy mind blowing sex mystery everything you ll ever want in a paranormal book my heartbeat speeds up my pulse quickens my breathing comes in gasps as i work my way through this work i can t wait to get my hands on and my mind wrapped around each new installment you ll fall in love with the characters they are so well developed with flaws and strengths that make them so very human but with also with special abilities that as humans you envy and wish you possessed i can t say enough good about this series you won t be disappointed brundar and calypso is definitely one of the most beautiful love stories tessa and jackson is sweet and romantic two stories with traumatic events in their childhood and how it changes the life of those that suffer them in one is brundar and in the other is tessa and how those that love them help them heal there wounded souls hooked over the last two months i have read listened to the entire series and have pre ordered the next book i haven t picked up another series during this time normally i listen to one series and read another i could not put these books down i have never read any series like this one i absolutely love that throughout the books you still hear what is going on with the previous characters instead of each book having its own story it is more like one long story where new people get introduced as events happen for me this is the right balance of paranormal content nothing to crazy but just outside the realm of possibility i t lucas please continue to write these stories for as long as possible i am in love with all the characters and don t want to let them go get ready for the heart pounding conclusion to brundar and calypso s story oh god shawn was dead callie still couldn t wrap her head around it nor could she summon even a smidgen of sorrow or regret after all she had some memories with him that weren t horrible she should ve felt something but there was nothing not even shock not even horror at what had transpired over the last couple of hours maybe it was a typical response for survivors feeling euphoric for the simple reason that they were alive especially when that survival was nothing short of miraculous brundar s cold hand closed around hers reminding her that they weren t out of the woods yet her injuries were superficial and the most she had to worry about was some scarring but despite his and anandur s reassurances brundar might never walk again if he ended up crippled because of her she would never forgive herself for getting him involved in her crap are you okay sweetling are you in pain brundar asked her injuries were nothing compared to his and yet he was concerned about her god she loved this man the thing was if she told him that he would run off or crawl away as was the case hey maybe this was the perfect opportunity to spring it on him
