excerpt from nouvelles archives de l'art français vol 22 revue de l'art français ancien et moderne vingt troisième année quoi qu'il en soit il est à propos que vous ne perdiez point de temps à avertir les artistes en question de se mettre à l'ouvrage les figures en question doivent être de 18 pouces de hauteur y compris leur soubassement et comme la retraite de la porcelaine dans la cuisson est entre un 7 et un 8 c'est à dire de bien près il faudrait que le modèle encore humide et propre à être coupé en tranches eût deux pouces de hauteur en sus des 18 c'est à dire 20 pouces je le fixe néanmoins à 20 pouces parce que les figures en résultantes auront 18 pouces moins quelques lignes il est aussi nécessaire de prévenir les artistes que ces modèles doivent être livrés humides à la manufacture et qu'en conséquence ils doivent vous avertir aussitôt qu'il les auront arrêtés pour que de votre côté vous en préveniez sur le champ m. régnier about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant this work has been selected by scholars as being culturally important and is part of the knowledge base of
