newest mobile phone comes in the form of the iphone 6s and 6s plus these upgraded models
launched at the latest apple press conference are scheduled to be released to the public at the end of
september 2015 to date the new devices has received rave reviews and has been lauded for its

significant upgrades and improved features when initially released the new iphone 6s and 6s plus will be available in only a number of countries which include australia the united states of america and the united kingdom consumers are able to pre order the devices online or at apple stores from as early as september 12 2015 the iphone 6s and 6s plus boasts features that include 3d touch increased processing speed isight camera twelve megapixel rear camera optical image stabilization and battery life that exceeds fourteen hours of talk time most notable in the design of the new iphones is the use of the new ios 9 software the iphone 6s and 6s plus are the newest phones that have been released by top rate electronic manufacturer apple incorporated these newer models are the latest in technology and was only recently released to the public there are significant upgrades and improvements in their technology and will allow users to achieve their needs effortlessly these devices can be purchased online at leading electronic distributors or in store at an apple store or via an electronic retail store this phones have been upgraded to process the needs of the user much faster than previous models in addition to this there are improved cameras battery life and recognition features these allow the user to

life that exceeds fourteen hours of talk time most notable in the design of the new iphones is the use of the new ios 9 software are you new to iphone 6s plus devices or do you just acquire a new iphone or willing to know more about what you can do with your iphone mobile phone this is the guide for you as you will get simplified instructions to the shortcuts tips and tricks you should know about iphone 6s plus this simplified book will also get you equipped with knowledge on how to take the maximum advantage of your icloud iphone 6s plus camera like a professional photographer how to fix common iphone 6s plus problems yourself without stress improved performance features advance tips and workaround that will make you a pro in 30minutes and lot more also this book is simple enough to understand and a follow through guide suitable for kids adolescents teens and adults even if you are a beginner or dummy seniors or an expert in the computer and technology category phila perry s book helps you accomplish everything you would need to know and learn in a more simplified and enjoyable form are you new to iphone 6 devices or do you just acquire a new iphone 6 or willing to know more about what you can do with your iphone mobile phones this is the guide for you as you will get

simplified instructions to the shortcuts tips and tricks you should know about iphone 6 and workarounds that will turn you into an iphone geek this simplified book will also get you equipped with knowledge on how to take the maximum advantage of your icloud iphone 6 camera like a professional photographer how to fix common iphone 6 problems yourself without stress improved performance features tips for maximizing your iphone like a pro and lot more also this book is simple enough to understand and a follow through guide suitable for kids adolescents teens and adults even if you are a beginner or dummy seniors or an expert in the computer and technology category phila perry s book helps you accomplish everything you would need to know and learn in a more simplified and enjoyable form **iphone 6s** **iphone 6s plus** **iphone 6s and 6s plus** need help with the iphone 6s or iphone 6s plus the iphone 6s and 6s plus introduced the 3d touch feature which completely redefines how you use your iphone many other new features were also introduced in ios 9 this guide will introduce you to these new features as well as ios 9 the guide to the iphone 6s gives task based instructions without using any technical jargon learning which buttons perform which

functions is useless unless you know how it will help you in your everyday use of the iphone therefore this guide will teach you how to perform the most common tasks instead of presenting arbitrary instructions in lengthy paragraphs this book gives unambiguous simple step by step procedures additionally detailed screenshots help you to confirm that you are on the right track this guide also explains secret tips and tricks to help you accomplish your day to day tasks much faster if you get stuck refer to the troubleshooting section to isolate and solve the problem help is here in 30 minutes learn how to unlock the secrets of your iphone 6 iphone 6s or iphone 6 6s plus whether you own an iphone or are thinking about buying one this guide will help you get the most out of the device and its powerful hardware the ios operating system and the ever expanding universe of iphone apps written in plain english with a touch of humor and lots of screenshots this guide covers basic features as well as hidden tricks and time savers topics include setting up your new iphone 6 iphone 6s iphone 6 plus iphone 6s plus how to customize your iphone s appearance what you need to know if you are migrating from android touch screen basics 3d touch peek and pop managing your home screens

switching apps and multitasking typing and text tricks siri and its kid brother dictation getting the most out of the powerful iphone camera limitations of apple s photos app managing icloud settings security features from find my iphone to touch id wi fi and other wireless settings four ways to conserve battery power five ways to free up storage space on your iphone how to tame notifications and after hours calls moving deleting and grouping apps nine great apps for your iphoneiphone 6 and iphone 6s in 30 minutes is authored by ian lamont an award winning technology journalist and the founder of i30 media corp he has written for more than a dozen online and print publications and was the managing editor of the industry standard he has authored several in 30 minutes guides including dropbox in 30 minutes google drive docs in 30 minutes twitter in 30 minutes and excel basics in 30 minutes about the series since 2012 in 30 minutes guides have helped people all over the world understand complex topics including technology medicine and personal finance for more information visit in30minutes.com in 30 minutes quick guides for a complex world tm  iphone  iphone 

chapter 10 if you believe some news stories the latest iphone update ios 9 is radically different and you should beware of updating they re wrong this book is for both new users of iphone and those upgrading to the latest update i ll walk you through the changes and show you why updating is nothing to be afraid of the iphone doesn t come with a handbook user guide this doesn t mean that you have to buy someone else s handbook iphone does have a handbook there are three ways to get it 1 download it from the apple ibookstore it s free 2 get it online by going to manuals info apple com 3 get it on your phone if you go to your

bookmarked pages on safari the last bookmark is for the iphone user guide so why do you need this book this book was written for my parents people who needed to know as much as possible as quickly as possible there are people who want to know every single little detail about the iphone and you will find that in apple s comprehensive manual if you are like my parents though new to the iphone and just want to learn all the basics in about 30 to 60 minutes or an hour that is then this guide will help you people who just want to know how to add their contacts how to take photos and how to email it s not for advanced users though if you are upgrading from the previous apple ios ios 8 then you will most probably find it useful if you are ready to learn read on [3d touch](#) [live photos](#) [take a bite out of all your iphone has to offer](#) as easy and intuitive as the iphone is it s more complex than most of us realize and what s better than learning all the insider tips and tricks with the iphone portable genius 3rd edition whether you re just starting out with your first iphone or upgrading to a newer model this full color guide will have you tapping swiping and typing like an apple genius in no time you ll find essential information about ios siri icloud and how to use your phone to manage

organize and navigate your life written in clear no nonsense language iphone portable genius 3rd edition offers expert tips and tricks that will save you time and hassles and help you unlock all your device has to offer designed for the visual learner it provides plenty of full color screenshots that illustrate exactly what you ll see and do on your iphone plus genius icons throughout the text highlight smarter more innovative ways to do what you need to do so what are you waiting for everything you need to truly make the most of your iphone is here connect to a network configure your settings and work with icloud max out the media features surf the and check your e mail manage your contacts appointments e books and libraries sync your apps photos music and more 3d touch live photos 3d touch live photos this guide is designed for novices and advanced iphone ios users alike the tips and instructions here are tailored to the iphone 6s iphone 6s plus and ios 9 but you ll find plenty of relevant information for older iphone models and older versions of the software just be aware that iphone 6s and ios 9 have introduced quite a few new features that may not be available on older iphones we ve broken things down into six major parts part

1 meet your iphone will help you unpack the box learn how to interact with your iphone and glide through the set up process part 2 getting to know your iphone will introduce you to the basic features and navigational system of the device part 3 mastering your preinstalled apps will walk you through the twenty eight preinstalled apps in detail to help you master what s available right out of the box part 4 making it your own guides you through customization and personalization part 5 maintenance and security will help you keep your iphone healthy and safe finally part 6 must have apps for your iphone includes a list of 52 of our favorite apps we hope you enjoy them as much as we do there s a lot of information here but don t feel like you need to absorb it all at once think of this guide as a friendly support system for you as you learn to use and enjoy this incredible piece of consumer technology if you re new to iphone or to ios start by reading through parts 1 and 2 this should get you on your feet be sure to look at part 5 to learn how to care for your new iphone you may want to use parts 3 4 and 6 as reference material you can read them straight through from start to finish or just browse the table of contents for the information most helpful to you these chapters will also be helpful for experienced

users who want to get the most out of iphone 6s and ios 9 few devices are as painless to use as the iphone we hope you have fun and enjoy the journey now let s get started need help with the iphone 6s are you new to the iphone the guide to iphone 6s for seniors is a book written specifically for those who have difficulty using electronics such as phones personal computers and tablet computers iphone 6s is the newest smartphone from apple as of september 25th 2015 iphone 6s introduced many new features which redefined the iphone there is a wealth of knowledge about the iphone 6s in this book which can be easily accessed and navigated for quick reference whether you are puzzled about managing your electronic address book or how to take and send a picture to a friend you will find the information in this guide the internet is riddled with advanced tips and tricks but the goal of this book is to sort through the extra information to simplify your first experience with using an iphone help is here here are some examples of the topics discussed in this guide charging the device finding the iphone and ipad buttons calling a contact using the speakerphone during a voice call adding a new contact composing a new text message adding an attachment to a text message taking a picture capturing a

video navigating to a page setting up email setting up an itunes account buying an application plus what to do when the phone does not turn on can t make a call touchscreen does not respond as expected and much more

iphone 1 iphone 2 iphone 3 iphone 4 iphone 4s iphone 5 iphone 5s iphone 6 iphone 6 plus iphone 7 iphone 7 plus iphone 6s 6s plus iphone se
