*Jeff, the Roofer, Reflections of a Double Negative Life* 2009-11 this book offers an examination of jeff noon's iconoclastic debut novel vurt 1993 in this first book length study of the novel which includes an extended interview with noon wenaus considers how vurt complicates the process of literary canonization its constructivist relationship to genre its violent and oneiric setting of manchester its use of the orphic myth as an archetype for the practice of literary collage and musical remix and how the structural paradoxes of chaos and fractal geometry inform the novel's content form and theme finally wenaus makes the case for vurt's ongoing relevance in the 21st century an era

increasingly characterized by neuro totalitarianism psychopolitics and digital surveillance with vurt noon begins his project of rupturing feedback loops of control by breaking narrative habits and embracing the contingent and unpredictable an inventive energetic and heartbreaking novel vurt is also an optimistic and heartfelt call for artists to actively create open futures

*Jeff Davis (late a Senator from Arkansas) 1913* in a 2019 interview with the webzine *dc in the 80s* jeff lemire b 1976 discusses the comics he read as a child growing up in essex county ontario his early exposure to reprints of silver age dc material how influential crisis on infinite earths and dc s who s who were on him as a developing comics fan his first reading of watchmen and the dark knight returns and his transition to reading the first wave of vertigo titles when he was sixteen in other interviews he describes discovering independent comics when he moved to toronto days of browsing comics at the beguiling and coming to understand what was possible in the medium of comics lessons he would take to heart as he began to establish himself as a cartoonist many cartoonists deflect from questions about their history with comics and the influences of other artists while others indulge the interviewer briefly before attempting to steer the questions in another direction but lemire creator of essex county trilogy sweet tooth the nobody and trillium seems to bask in these discussions before he was ever a comics professional he was a fan what can be traced in these interviews is the story of the movement from comics fan to comics professional in the twenty nine interviews collected in *jeff lemire conversations* readers see lemire come to understand the process of collaboration the balancing act involved in working for different kinds of comics publishers like dc and marvel the responsibilities involved in representing characters outside his own culture and the possibilities that exist in the comics medium we see him embrace a variety of genres using each of them to explore the issues and themes most important to him and we see a cartoonist and writer growing in confidence a working professional coming into his own
