second persian war in 480 bce and moving chronologically through history white surrounds hard facts time and place and succinct takeaways who usually gets the blame with lively military social and political histories this paper studies inflation dynamics during 25 historical episodes in advanced economies where output remained well below potential for an extended period we find that such episodes generally brought about significant disinflation underpinned by weak labor markets slowing wage growth and in many cases falling oil prices indeed inflation declined by about the same fraction of the initial inflation rate across episodes that said disinflation has tended to taper off at very low positive inflation rates arguably reflecting downward nominal rigidities and well anchored inflation expectations temporary inflation increases during episodes were in turn systematically related to currency depreciation or higher oil prices overall the historical patterns suggest little upside inflation risk in advanced economies facing the prospect of persistent large output gaps for the ultimate star wars the clone wars fan comes the ultimate guide to all 100 episodes of
