TOGAF® 9 Foundation Study Guide – 4th Edition

2018-04-26

This title is a study guide for TOGAF 9 Foundation. It gives an overview of every learning objective for the TOGAF 9 Foundation syllabus and in-depth coverage on preparing and taking the TOGAF 9 Part 1 examination. It is specifically designed to help individuals prepare for certification. This study guide is excellent material for individuals who require a basic understanding of the TOGAF 9 framework: professionals who are working in roles associated with an architecture project such as those responsible for planning, execution, development, delivery, and operation; architects who are looking for a first introduction to the TOGAF 9 framework; architects who want to achieve Level 2 certification in a stepwise manner. A prior knowledge of enterprise architecture is advantageous but not required. While reading this study guide, the reader should also refer to the TOGAF Standard Version 9.2 Documentation Manual, available as hard copy and eBook from VanHaren.net and online booksellers, and also available online at opengroup.org.
