Cockleshell Heroes 1907

michael korda's hero is the story of an epic life on a grand scale a revealing in depth and gripping biography of the extraordinary mysterious and dynamic englishman whose daring exploits and romantic profile including his blond sun burnished good looks and flowing white robes made him an object of intense fascination still famous the world over as lawrence of arabia an oxford scholar and archaeologist one of five illegitimate sons of a british aristocrat who ran away with his daughters governess lawrence was sent to cairo as a young intelligence officer in 1916 he vanished into the desert in 1917 only to emerge later as one of the greatest and certainly most colorful figures of world war one though a foreigner he played a leading and courageous part in uniting the arab tribes to defeat the turks and eventually capture damascus transforming himself into a world famous hero hailed as the uncrowned king of arabia in illuminating lawrence's achievements korda digs further than anyone before him to expose the flesh and blood man and his contradictory nature here was a born leader who was utterly fearless and seemingly impervious to pain thirst fatigue and danger yet who remained shy sensitive modest and retiring a hero who turned down every honor and decoration offered to him and was racked by moral guilt and doubt a scholar and an aesthete who was also a bold and ruthless warrior a writer of genius the author of seven pillars of wisdom one of the greatest books ever written about war who was the virtual inventor of modern insurgency and guerrilla warfare a man who at the same time sought and fled the limelight and who found in friendships with everyone from winston churchill to george bernard and charlotte shaw from nancy astor to noël coward a substitute for sexual feelings that he rigorously even brutally and systematically repressed in himself as korda shows in his brilliantly readable and formidably authoritative biography lawrence was not only a man of his times he was a visionary whose accomplishments farsighted diplomat and kingmaker military strategist of genius perhaps the first modern media celebrity and one of the first victims of it and an acclaimed writer transcended his era korda examines lawrence's vision for the modern middle east plans that had they been carried through might have prevented the hatred and bloodshed that have become ubiquitous in the region ultimately as this magisterial work demonstrates lawrence remains one of the most unique and fascinating figures of modern times the arch hero whose life is at once a triumph and a sacrifice and whose capacity to astonish still remains undimmed

Anthropological Essays Presented to Edward Burnett Tylor in Honour of His 75th Birthday, Oct. 2, 1907 1907

an autobiographical work in the form of memoirs kingsmill was a junior clerk who joined the raaf as a wireless operator at the beginning of world war ii he served in new guinea and the memoirs cover many observations of wartime behaviour and his experiences of that time this is the sequel to the author s first book the innocent he has written two other books pertaining to life in sydney before the war

For Love of Country 1998

in this fresh consideration of the origins of the ancient greeks ideas and practices concerning their own past carla m antonaccio demonstrates that hero cult and ancestor cult persisted throughout the iron age long before epic poetry s heroic narratives were widely disseminated although it was not until the dissolution of iron age societies that epic poetry and organized hero cult developed to aid claims to legitimacy practices such as visiting tombs to make offerings were common and contradict the usual picture of iron age religious conservatism
