one man's gifted daughter may be the cure to a mysterious illness causing hallucinations and death in this horror novel by the author of Little Girls. First the birds disappeared, then the insects took over and the madness began. They call it Wanderer's Folly, a disease of delusions of daydreams and nightmares, a plague threatening to wipe out humanity after two years of creeping decay. David Arlen woke up one morning thinking that the worst was over by midnight. He's bleeding and terrified; his wife is dead, and he's on the run in a stolen car with his eight-year-old daughter who may be the key to a cure. Ellie is a special girl, deep, insightful, and she knows David is lying to her, lying about her mother, lying about what they're running from, and lying about what he sees when he takes his eyes off the road. Praise for the writing of Ronald Malfi, Best Horror Novel of the Year. Hunter Shea slowly but surely creeps under your skin. The Horror Bookshelf: an emotionally compelling and interesting read. Booklist: a beautiful and ultimately terrifying story. Shotgun Logic.

This delightful dream legend is being hailed a perfect choice for bedtime reading for ages 4-9. Kirkus Review: DePalma's latest rhyming masterpiece, *The Night Parade*, has the distinct feeling of an instant classic with stunning illustrations by Kyle Brown that beautifully capture and blend the orchestrated chaos and whimsy of a world where dreams and nightmares run free. This simple yet elegant tale reminds both the young and the young at heart that our dreams are always out there waiting for us to find them.

A thrilling epic fantasy adventure in the astonishing realm of Legend of the Five Rings as two rival clans join forces to investigate a lethal supernatural mystery. Chaos has broken out in the isolated dragon clan settlement of Seibo Mura during the full moon. Horrifying creatures rampage through the village, unleashing havoc and death. When the dragon samurai Agasha no Isao Ryotora is sent to investigate, he faces even greater danger than expected. To save the village, he must confront his buried past, not to

mention an unexpected phoenix clan visitor asako sekken who has his own secrets to hide the quest to save sebo mura will take the two samurai into the depths of forgotten history and the shifting terrain of the spirit realms and bring them face to face with an ancient terrifying evil
