Children's Books in Print, 2007 2006 a choice outstanding academic title 2012 based on case studies from public schools in toronto canada this book chronicles an inspiring five year journey to develop thinking about and teaching literacy for the 21st century the research which was classroom based and developed by public school teachers in collaboration with university researchers was stimulated by an ethnographic study at joyce public school to track children learning to read in an era of multiliteracies following the kindergarteners interest in goldilocks and the three bears lotherington asked the principal what would goldilocks look like retold through the eyes of the children the resulting classroom experiment to transform learning to read a storybook into multimodal collaborative story telling sparked the development of an award winning school university learning community dedicated to the development of multimodal literacies in the culturally diverse urban classroom pedagogy of multiliteracies tells the evolving story of teachers trial and error interventions to engage children in multiple modes of expression involving structured play with contemporary media using the complex texts created the teachers carve spaces to welcome the voices of children and the languages of the community into the english medium classroom

Help Your Child with Reading 1990 more than fifty specialists have contributed to this new edition of volume 4 of the cambridge bibliography of english literature the design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition the task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

Pedagogy of Multiliteracies 2012-04-23 in this beautiful book of classic fairy tales award winning author philip pullman has chosen his fifty favourite stories from the brothers grimm and presents them in a clear as water retelling in his unique and brilliant voice from the quests and romance of classics such as rapunzel snow white and cinderella to the danger and wit of such lesser known tales as the three snake leaves hans my hedgehog and godfather death pullman brings the heart of each timeless tale to the fore following with a brief but fascinating commentary on the story s background and history in his introduction he discusses how these stories have lasted so long and become part of our collective storytelling imagination these new versions show the adventures at their most lucid and engaging yet pullman s grimm tales of wicked wives brave children and villainous kings will have you reading reading aloud and rereading them for many years to come

The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950 1972-12-07 unrecognized in the united states and resisted in many wealthy industrialized nations children s rights to participation and self determination are easily disregarded in the name of protection in literature the needs of children are often obscured by protectionist narratives which redirect attention to parents by mythologizing the supposed innocence victimization and vulnerability of children rather than potential agency in perils of protection shipwrecks orphans and children s rights author susan honeyman traces how the best of intentions to protect children can nonetheless hurt them when leaving them unprepared to act on their own behalf honeyman utilizes literary parallels and discursive analysis to highlight the unchecked protectionism that has left minors increasingly isolated in dwindling social units and vulnerable to multiple injustices made possible by eroded or unrecognized participatory rights each chapter centers on a perilous pattern in a different context women and children first rescue hierarchies geographic restriction abandonment censorship and illness analysis from adventures real and fictionalized will offer the reader high jinx and heroism at sea the rush of risk finding new families resisting censorship through discovering shared political identity and breaking the pretenses of sentimentality

Grimm Tales 2012-09-27 in this book honeyman looks at manifestations of youth agency and representations of agency produced for youth as depicted in fairy tales childlore and folk literature investigating the dynamic of ideological manipulation and independent resistance as it can be read or expressed in bodies first through social puppetry and then through coercive temptation our consumption replacing the more obvious strings that bind us reading tales like popeye hansel gretel and pinocchio honeyman concentrates on the agency of young subjects through material relations especially where food signifies the invisible strings used to control them in popular discourse and practice modeling efforts to come out from under the hegemonic handler and take control at least of their own body spaces and ultimately finding that most examples indicate less power than the ideal holds
