An Artist Among the Spirits

2023-06-10

what is a love feast how did the early church celebrate the love feast how might christians today celebrate the love feast in recovering the love feast paul stutzman addresses these questions offering a unique blend of liturgical history and practical theology part i outlines the history of the love feast noting its prevalence in early church worship its gradual decline and its reemergence in the practices of several pietist groups e g the moravians methodists and brethren particular focus is given to five elements of the celebration that is eucharistic preparation feetwashing the fellowship meal the holy kiss and the eucharist proper in part ii stutzman argues that the love feast is a valuable christian practice and a celebration worth recovering in those traditions that may have forgotten the feast rather than prescribing a specific method for celebrating the love feast stutzman proposes that there are five key disciplines that today s love feasts should embody submission love confession reconciliation and thanksgiving this book encourages christians from a range of traditions to experiment with reclaiming the love feast with the hope that each celebration serves as an act of worship to god and an authentic expression of christian discipleship

The New England Life of Cartoonist Bob Montana

2013-10-01

this report draws on a wide consultation with church groups individuals and organizations it reviews the teachings and insights of scripture and the christian tradition about families sets out the facts and figures of contemporary family life examines issues such as lone parent families cohabitation and family breakdown and makes suggestions about how the church and the government can help to encourage stable faithful and committed relationships and build a society where families can flourish

Bibliotheca Americana

1877
