The Sisters of Summit Avenue

2019-09-10

from the bestselling author of Mrs. Poe and Twain's End comes a poignant beautifully rendered story of two sisters who find the courage to reclaim their bond after years of misunderstandings and heartbreak. Melanie Benjamin, New York Times bestselling author during the Great Depression, 1934, Ruth has been single-handedly raising four young daughters and running her family's Indiana farm for eight long years ever since her husband John was infected by the infamous sleeping sickness, devastating families across the country. If only she could trade places with her older sister June, blonde and beautiful, married to a wealthy doctor living in a mansion in St. Paul, and June has a coveted job too, as one of the Bettys, the perky recipe developers who populate the famous Betty Crocker Test Kitchen. But these gilded trappings hide sorrows she has borne: no children and the man she loves more than anything belongs to Ruth. When the two sisters reluctantly reunite after a long estrangement, June's bitterness about her sister's betrayal sets into motion a confrontation that's been years in the making, and their mother Dorothy, who's brought the two of them together, has her own dark secrets which might blow up the fragile peace she hopes to restore between her daughters. An emotional journey of redemption, inner strength, and the ties that bind families together for better or worse, *The Sisters of Summit Avenue* is a moving and heartfelt tribute to mothers, daughters, and sisters everywhere.

A Throne for Sisters (Books 1, 2, and 3)

2017-12-11

Morgan Rice's imagination is limitless. In another series that promises to be as entertaining as the previous ones, *A Throne for Sisters* presents us with the tale of two sisters, Sophia and Kate, orphans fighting to survive in a cruel and demanding world of an orphanage. An instant success, I can hardly wait to put my hands on the second and third books. Books and movie reviews: Roberto Mattos, a bundle of the first three books in Morgan Rice's new fantasy series, *A Throne for Sisters*, *A Throne for Sisters: A Court for Thieves*, and *A Song for Orphans*. Here are three bestselling novels all in one convenient file which offer a great introduction to the *A Throne for Sisters* series. Over 250,000 words of reading all for an incredible price. It also makes the perfect gift. In *A Throne for Sisters: Book One*, Sophia, 17, and her younger sister Kate, 15, are desperate to leave their horrific orphanage. Orphans, unwanted and unloved, they nonetheless dream of coming of age elsewhere, of finding a better life, even if that means living on the streets of the brutal city of Ashton. Sophia and Kate also best friends have each other's backs, and yet they want different things from life. Sophia, a romantic, more elegant, dreams of entering court and finding a noble to fall in love with. Kate, a fighter, dreams of mastering the sword, of battling dragons, and becoming a warrior. They are both united though by their secret paranormal power to read other's minds, their only saving grace in a world that seems bent to destroy them. In *A Court for Thieves*, *A Throne for Sisters: Book Two*, Sophia, 17, finds her world upside down as she is cast from the romantic world of aristocracy and back to the horrors of the orphanage. This time the nuns seem intent on killing her, yet that doesn't pain her as much as her broken heart. Will Sebastian realize his mistake and come back for her? Her younger sister Kate, 15, embarks on her training with the witch, coming of age under her auspices, mastering the sword, gaining more power than she ever imagined possible, and determined to embark on a quest to save her sister. She finds herself immersed in a world of violence and combat, of a magic she craves and yet one that may consume her. In *A Song for Orphans*, *A Throne for Sisters: Book Three*, Sophia, 17, journeys in search of her parents. Her quest takes her to foreign and strange lands and to a shocking secret she could never imagine. Kate, 15, is summoned by the witch as her time has come to repay the favor, but Kate is changing, coming of age, becoming ever more powerful, and what will become of Kate if she makes a deal with darkness? Sebastian, a romantic, follows his heart, throwing it all away to reject his family and find Sophia, but Lady D'Angelica is still bent on killing her, and may have other plans. *A Throne for Sisters* is a dazzling new fantasy series rife with love, heartbreak, tragedy, action, adventure, magic, sorcery, dragons, fate, and heart-pounding suspense. A page-turner, it is filled with characters that will make you fall in love and a world you will never forget. Book 4 in *A Throne for Sisters* will be released soon.

Sisters of Richard III

2024-05-16

this book is the narrative of three women of York, sisters to not one but two kings of England. Anne, Elizabeth, and Margaret Plantagenet were the daughters of Richard Duke

of york and his wife cecily neville and therefore sisters to edward iv and richard iii these women watched from the sidelines as their father challenged england s anointed king and lost his life as their brothers fought together for the throne of england and then amongst themselves and as the plantagenet dynasty fell making way for the reign of the tudors but they were not just bystanders they had their own stories to tell anne of york was married to the lancastrian duke of exeter who sided against her father and brother before finding later happiness albeit briefly with her second husband elizabeth of york married john de la pole duke of suffolk and became the mother of eleven children who would become thorns in the side of the tudor kings and margaret of york became duchess of burgundy a hugely influential woman in her adopted kingdom although she never stopped supporting her family back in england between them they witnessed and contributed to one of the most turbulent times in english history yet they have naturally been overshadowed by their more famous brothers this is their story

A Little Good

2012-01-09

an anthology of writings by some of the most influential women in history on the often misunderstood and misrepresented female drug experience with great honesty bravery and frankness women from diverse backgrounds write about their drug experiences women have been experimenting with drugs since prehistoric times and yet published accounts of their views on the drug experience have been relegated to either antiseptic sociological studies or sensationalized stories splashed across the tabloids the media has given us an enduring but inaccurate stereotype of a female drug user passive addicted exploited degraded promiscuous but the selections in this anthology penned by such famous names as billie holiday anais nin maya angelou and carrie fisher show us that the real experiences of women are anything but stereotypical sisters of the extreme provides us with writings by women from diverse occupations and backgrounds from prostitute to physician who through their use of drugs dared cross the boundaries set by society often doing so with the hope of expanding themselves and their vision of the world whether with lsd peyote cocaine heroine mdma or marijuana these women have sought to reach through their experimentation other levels of consciousness sometimes their quests have brought unexpected rewards other times great suffering and misfortune but wherever their trips have left them these women have lived courageously if sometimes dangerously and written about their journeys eloquently

On a Summer Tide (Three Sisters Island Book #1)

2019-04-30

a history of moonville ohio and a collection of its haunting tales revised edition is an updated version of a previous work the author had published back in 2008 this revised edition contains more detailed history about moonville and its surrounding towns such as zaleski on how they came to be most notably that moonville was named by the railroad after a general store proprietor rather than the man who had actually founded the town and that zaleski was named after a polish french financier who never came to america to see his namesake town this revised edition also contains more haunting tales of what had happened to some of those who had lived and worked in this remote mining town in eastern vinton county ohio mainly covering those who had been involved in train accidents surrounding the still standing tunnel as these trains came barreling through the area plus there are a few tales of murder as well there are also a few light hearted tales most notably that of a well known english author who had passed through moonville on his way to tour america back in the late 1860s as well as a story about some feisty sisters in athens who took on the expanding railroad there are human interest elements in all of this most notably to me is the story of the dexters who had been enslaved in virginia escaping in the 1860s having made their way to moonville in order to live out their lives in freedom this book is about preserving the history of a mining town that began back in the 1850s thriving for nearly fifty years before it began its long slide into history though not completely forgotten for it had been once a vital part of ohios history especially in the days leading up to the american civil war and that is why i wrote and revised this work for moonvilles history is a part of ohios history

Sisters of the Extreme

2000-05-01

senel poyrazli s and chalmer thompson s international case studies in mental health presents a variety of global cases from both developed and developing countries detailing descriptions of the people who are seeking help to eliminate their distress and of the exceptional practitioners who provide the help in most of the cases the practitioner is someone who shares a similar heritage with her or his help seeker and who is influenced at least partly by western psychotherapy traditions each chapter also is a showcase of how scholars pair up with mental health practitioners to create a work that weaves together contextual and individual qualities to inform an

understanding of the help seeker and the intervention this book aims to help prepare both mental health trainees and practicing professionals to be effective in the provision of healing in their work with people in different regions of the world consequently the authors hope to offer practitioners a glimpse of what can be achieved in these regions by people whose reputations within the respective communities are strong
