voglio sapere come dio ha creato questo mondo non sono interessato a questo o quel fenomeno allo spettro di questo o quell elemento voglio conoscere i suoi pensieri il resto sono particolari albert einstein queste parole sono il motivo fondante per cui l autore ha scritto questo e book non si tratta di spiegare questo o quel fenomeno ma di cercare di fornire una versione il più organica possibile della creazione del mondo in cui viviamo scevro quanto più è possibile di tutte le barriere le categorizzazioni che via via sono nate this book focuses on a simple dynamic the taking in hand of a heritage the variety of changes induced within it and the handing on of that legacy to new generations our contributors suggest from different standpoints that this dynamic represented the essence of late antiquity as roman society and the societies by which it was immediately bounded continued to develop through to the late sixth and early seventh centuries the interplay between what needed to be treasured and what needed to be explored became increasingly self conscious versatile and enriched by the time formerly alien peoples had established their post classical polities and islam began to stir in the east the novelties were more clearly seen if not always welcomed and one witnesses a stronger will to maintain the momentum of change of a forward reach at the same time those in a position to play now the role of heirs were well able to appreciate how suited to their needs the roman past might be but how by taking it up in their turn they were more securely defined and yet more creatively advantaged transformation is a notion apposite to essays in honour of peter brown the transformation of the classical heritage is a theme to which he has devoted and continues to devote much energy all the essays here in some way explore this notion of transformation the late antique ability to turn the past to new uses and to set its wealth of principle and insight to work in new settings to begin there is the very notion of what it meant to be roman and how that notion changed subsequent chapters suggest ways in which fundamental characteristics of roman society were given new form not least under the impact of a christian polity augustine naturally finds his place and here the emphasis is on the unfettered stance that he took in the face of more broadly held convictions on miracles for example and the errors of the pagan past the discussion then moves on to nelle stupende isole delle hawaii non fa mai né troppo freddo né troppo caldo eppure qualcosa di
