let s face it being a kid isn t easy compared to adults kids are inexperienced immobile powerless and short and just as it would be irresponsible to send travelers to a strange city without a map it would be wrong to let defenseless children loose in suburban jungles

prowled by parents teachers and other mysterious adults without a guide as to how the other older but not necessarily wiser half lives the young person s guide to grownups explores such shocking facets of adult life as money toys love appearances and why they don t want kids to have fun and it does it all with an accessible tongue in cheek attitude that kids will love
