[lindipeterson](https://twitter.com/lindipeterson) so who is Louis van Gaal an inflexible ex PE teacher who only knows how to act like a dictator or a footballing visionary that has made him one of the greatest ever European managers wherever he has gone van Gaal has been accused of being a domineering disciplinarian and a control freak he is certainly by his own admission a man who leaves nothing to chance a disciple in the 1970s of Rinus Michels total football philosophy he is a fascinating contradiction an ultra individualist utterly devoted to the collective effort he believes in the team over the individual in always having a plan and a team prepared to follow it van Gaal led the young Ajax team he moulded to Champions League glory in 1995 went on to win titles across Europe with Barcelona AZ Alkmaar and Bayern Munich and served two stints as national coach of Holland it is a career that has never been short on colour and drama from fallouts with players to rants at the media wherever he has managed Dutch football commentator Maarten Meijer's has written the definitive biography of van Gaal both the man and his methods it offers the best psychological insight so far from his earliest roots to his greatest triumphs into the man given the task of returning the glory days to Manchester United new chapter on Louis van Gaal's first season with Manchester United from
