from the classrooms and playgrounds of early 1900s new zealand to the battlefields of gallipoli the tragedy of the marquette and the trenches of france this is the story of private leslie mcalpine many families in new zealand have an anzac who served in the first world war leslie is the anzac in our family he is a fit healthy young man who never completely loses hope that he will get back home his story shows how decisions made in the wider world affect our lives and our opportunities leslie leaves new zealand as one of the 2235 men in the 4th reinforcements and the story follows their lives and deaths in 1914 as new zealand goes to war leslie is in the navy on the torch and loving it but he wants to see a bit more action he reads the accounts in the papers describing what the new zealand and australian soldiers are doing as they travel across the world in convoy and he wants to be part of that so in january 1915 he enlists in the army in the 4th reinforcements he is just 18 with an adventure before him that everyone in new zealand approves of and celebrates what can possibly go wrong the allied forces and politicians plan strategies and make decisions leslie and the 4th reinforcements follow orders and do their very best surviving gallipoli and the marquette disaster leslie is killed in action on the western front he is just 19

Pathways for Life - 25 Principles for Finding YOUR TRUTH for Real Success and Happiness 2019-08-27

taxation is a subject of enquiry that cuts across a range of disciplines including law economics politics psychology history and accountancy to name a few however research into taxation as a social and institutional phenomenon rather than as abstraction from the real world is largely neglected taxation a fieldwork research handbook opens up new avenues of enquiry in the research of taxation by offering suggestions on how research might be conducted into actual tax practice rather than abstract models this book introduces tax as a field of enormous potential for research to all social scientists explains the methodological issues relating to tax research provides new opportunities for tax researchers to widen the scope of their enquiries encourages researchers to think differently about this subject given the importance of taxation to modern society not only as a revenue raising mechanism but also as a tool of governance used to influence social actors this unique text is a vital read for any social science researcher interested in this subject
