Russia's Greatest Enemy? 2007-03-28 a remarkably talented linguist foreign correspondent in russia from 1904 1921 and foreign editor for the times russia s greatest enemy traces the fascinating life and career of harold williams this quiet and modest new zealander played a central role in informing and influencing british opinion on russia from the twilight of the tsars through war and revolution to the rise of the soviet union the career of this keen russophile and fierce opponent of bolshevism illuminates the pre world war one movement towards rapprochement with the tsar as well as the drive for intervention and isolation in the soviet period in this fascinating study charlotte alston explores the role of williams as the interpreter of russia to the british and the british to russia in this turbulent period in the history of both countries introduction 1 new zealand 1876 1900 2 journalism 1900 1914 3 britain russia war and revolution 1907 1917 4 from revolution to intervention 1917 1921 5 the times 1921 1928 conclusion bibliography

The Works of William Makepeace Thackeray 1901 the history of pendennis his fortunes and misfortunes his friends and his greatest enemy 1848 1850 is a novel by the english author william makepeace thackeray it is set in 19th century england particularly in london the main hero is a young english gentleman arthur pendennis who is born in the country and sets out for london to seek his place in life and society in line with other thackeray s works most notably vanity fair pendennis offers an insightful and satiric picture of human character and aristocratic society the characters include the snobbish social hanger on major pendennis and the tipsy captain costigan miss amory and sir francis clavering are somewhat reminiscent of becky sharp and sir pitt from vanity fair

The History of Pendennis 1893 secret rochester explores the lesser known history of the town of rochester in kent through a fascinating selection of stories unusual facts and attractive photographs

The History of Pendennis 1899 combines essays bibliographical descriptions and 295 illustrations to chronicle a golden era in the art of the illustrated book artists range from blake turner rowlandson and morris to caldecott greenaway beardsley and rackham

The History of Pendennis: Fortunes and Misfortun greatest Enemy II 2016-09-09 in the preface to his edition of shakespeare alexander pope noted that his age was one of parties both in wit and state much scholarship has been devoted to the complexities of the political parties of the eighteenth century but there has been a surprising reluctance to explore what pope implied were the corollaries of those parties namely parties in literature the essays collected here explore the literary culture that arose from and supported what pitt the elder referred to as the great spirit of whiggism that animated english politics during the eighteenth century from the prehistory of whiggism in the court of charles ii to the fractures opened up within it by the french revolution in the 1790s the interactions between whiggish politics and literature are sampled and described in groundbreaking essays that range widely across the fields of eighteenth century political prose poetry and the novel

The History of Pendennis 1883 worst enemy best teacher presents a powerful system to identify and learn how to best approach the person or problem that

plagues us most whether it s a neighbor a brother in law a new boss or the factory s fiercest competitor combs breaks down problems and threats into more easily understood categories such as conflicts that threaten physical harm emotional pain constriction of one s ability to be unique and intellectual threats and how they affect one s world view and beliefs hands on exercises parables and real life stories show readers how to apply the wisdom gained from studying the opponent to any challenge whether within one s self with friends or family or between companies or nations worst enemy best teacher offers ingenious tips and techniques for learning from the enemy and converting conflict into resolution

The Anecdote of Glasgow 1892 the great author of vanity fair and the luck of barry lyndon was born in india in 1811 at age 5 his father died and his mother sent him back to england his education was of the best but he himself seemed unable to apply his talents to a rigorous work ethic however once he harnessed his talents the works flowed in novels articles short stories sketches and lectures sadly his personal life was rather more difficult after a few years of marriage his wife began to suffer from depression and over the years became detached from reality thackeray himself suffered from ill health later in his life and the one pursuit that kept him moving forward was that of writing in his life time he was placed second only to dickens high praise indeed

The National Union Catalog, Pre-1956 Imprints 1978 the great author of vanity fair and the luck of barry lyndon was born in india in 1811 at age 5 his father died and his mother sent him back to england his education was of the best but he himself seemed unable to apply his talents to a rigorous work ethic however once he harnessed his talents the works flowed in novels articles short stories sketches and lectures sadly his personal life was rather more difficult after a few years of marriage his wife began to suffer from depression and over the years became detached from reality thackeray himself suffered from ill health later in his life and the one pursuit that kept him moving forward was that of writing in his life time he was placed second only to dickens high praise indeed

The History of Pendennis 1898 in the early 1600s barwicke brannon and his wife nicholina gave birth to a child on a ship bound for the new world only to see the child fall ill and its illness spread in order to save the remaining lives onboard the child had to be sacrificed to the sea barwicke agreed but he did not realize that as the baby drowned so would his wife as she threw herself overboard so began the brannon obsession with purity and a lack of genetic defect centuries later thomas brannon is part of the caltech graduating class of 1955 and has been schooled in the family history well according to the brannons death is sometimes necessary to ensure the survival of the human race riff raff are to be disposed of while intelligence beauty and health are to be revered it is an easy sell to his intellectually advanced classmates and together they make a plan that in time would rule the nation soon a secret society arises a society who uses kidnapping and rape to produce the perfect race of mankind now the breeding season is upon them and years of research and surveillance are about to pay off they will manipulate the population and the gene pool of the united states until an escape threatens to reveal their odious

plan and end a four hundred year fight for purity

The History of Pendennis 1882 john garrett s roger williams witness beyond christendom is a radical new assessment of an american folk hero and significant figure in the history of western civilization garrett goes deep into the life and thought of the seventeenth century nonconformist exploring the recurrent themes in his voluminous writings and showing how they are woven together as a personal apologia by this fascinating individual williams is presented as he interacts with the radical separatists of his day the scholars lawyers nobility and gentry of the puritan era and as he becomes a missionary to the indians a stubborn sectarian a politician an anti quaker theologian and an isolated has been on a rude frontier in the eighteenth and nineteenth centuries studies of roger williams were collections of information that varied from praise to blame to some he was a father of american liberty to others impetuous and irresponsible in the 1930s and 1940s american liberal historians explored his political importance and his role as a pioneer of the free pluralistic society the late perry miller of harvard opened a new era in studies of roger williams when he directed students to the fact that williams thought nearly all of the time in theological terms so that his warped image had to be rescued from the defacements of the liberal historians john garrett is familiar with the wide range of writing about williams but he does not engage in controversy with other writers he goes directly to primary sources in an attempt to reconstruct the factors that shaped williams and his thought he has worked afresh with the available materials on both sides of the atlantic and relates williams more fully than has been done before to the currents of contemporary history in both old and new england he believes like perry miller that theology is a necessary clue to williams s mind but he does not think it is enough to look at the history of religious ideas in new england and europe to decipher the enigma of this subtle and puzzling thinker he shows how williams lived with the bible and used it as a direct guide for his life and thought only in this way argues garrett can williams be seen as a whole man as thinker politician missionary englishman american the rebel is revealed by reference to his christology the pluralist by reference to his eschatology and the man by the interweaving of many complex strands of experience and thought

Secret Rochester 2019-03-15 this book offers an analysis of the life and thought of the writer samuel johnson from an historian s viewpoint reversing the orthodoxy which has dominated the subject for over thirty years jonathan clark who has written extensively on english and american religion ideology and politics in the eighteenth century presents here a johnson strikingly different from the apolitical pragmatic and eccentric figure who emerges from the pages of most students of english literature johnson s commitments and conflicts in religion and politics obscured since macaulay are reconstructed his role in the literary dynamics of his age is revealed against a new context for english cultural politics between the restoration and the age of romanticism this book will therefore be of interest not only to johnsonians but to historians of ideas and students of english literature
