build an atom phet interactive simulations

build an atom 1 1 1 phet interactive simulations

Mar 25 2024

explore how to build an atom with protons neutrons and electrons and discover the element charge and mass of your atom play a game and learn more about isotopes and the periodic table

build an atom atoms atomic structure isotope phet

Feb 24 2024

build an atom out of protons neutrons and electrons and see how the element charge and mass change then play a game to test your ideas sample learning goals

how to build an atom phet simulation youtube

Jan 23 2024

this video will tell you the basics of atomic structure as well as how to use the phet simulation to build an atom

build an atom phet downloads colorado edu

Dec 22 2023

build an atom is an interactive simulation that lets you create and explore different atoms and isotopes you can also compare your results with the periodic table and learn how to write isotope symbols try it now and have fun with atoms

this web app simulates the dynamics of simple atoms and molecules in a two dimensional universe the force between the atoms is weakly attractive at short distances but strongly repulsive when they touch use the simulation to explore phases of matter emergent behavior irreversibility and thermal effects at the nanoscale
