# **The Family in India**

1998

this collection of essays on the family in india covers a wide range of theoretical methodological substantive and policy issues professor shah s work challenges many popularly held beliefs about the family in india

# **Great Transition in India**

2020

this volume critically examines the notion of a new india by acknowledging that india is changing remarkably and by indicating that in the overzealous enthusiasm about the new india there is collective amnesia about the other older india the book argues that the increasing consolidation of capitalist markets of commodity production and consumption has unleashed not only economic growth and social change but has also introduced new contradictions associated with

market dynamics in the material and social as well as intellectual spheres

## **A New India?**

2010-12-01

in this book das deploys class theory to decipher india s economic and political situation it deals with the specificities of india s capitalism and neoliberalism and their economic consequences it critically examines lower class struggles led by the left and the fascistic politics of the right

## **Subaltern Perspectives in Indian Context**

2021-02-03

nature of indian modernity

# Critical Reflections on Economy and Politics in India

2020-03-02

how was the post modernist project contested subverted and assimilated in india this book offers a personal account and an intellectual history of its reception and response tracing independent india s engagement with western critical theory paranjape outlines both its past and post the book explores the discursive trajectories of post modernism post colonialism post marxism post nationalism post feminism post secularism the relations that mediate them as well as interprets in the light of these discussions core tenets of indian philosophical thought paranjape argues that india s response to the modernist project is neither submission willing or reluctant nor repudiation intentional or forced rather india s modernity is unauthorized different subversive alter native and alter

modern the book makes the case for a new integrative hermeneutics the idea of the indigenous critical vernacular and presents a radical shift in the understanding of svaraj beyond decolonisation and nationalism to express transformations at both personal and political levels

## **Debating the 'post' Condition in India**

2018

indian english has been universally accepted as a unique style of discourse with its own nuances giving expression to indian multiculturalism in the works of writers in india or those abroad not only the new indian writers in the west expatriates second and third generation writers but also the classic

authors like a k ramanujan nissim ezekiel mulk raj anand r k narayan and bhabani bhattacharya are being interpreted in the old new critical mode as well as the current critical styles of multiculturalism postcoloniality and diaspora v s naipaul is being interpreted not only as a caribbean or british author but also a diasporic writer engaged in a quest for the indianness inherited by him the twelve essays in this book deal with the various aspects of indian english writing in the light of the current critical trends the essays originally published in reputed research journals or critical anthologies over the years are contemporary indian english literary scene multiculturalism and indian english literature indian english prose writing a k ramanujan s credo nissim ezekiel s credo soul stuff and vital language the poetry of p lal mulk raj anand on the novel anand s vision of war and death in across the black waters bhabani bhattacharya s a dream in hawaii a study in postcolonial spirituality philosophers and lovers paradox of experience in shiv k kumar s the bone s prayer technique in the short stories of tagore and from

articles through which authors have tried to sincerely articulate their noble ideas on queer studies in indian context the book will be helpful not only for readers who want to know about indian queers but also prove resourceful to scholars who intend to do further studies on it

## **Fertility Control in India**

1980

a magisterial class based analysis of the economic situation in contemporary india

## **Many Voices, Many Worlds**

2024

this book introduces the diverse practices of three non canonical practitioners david macdougall desire machine collective and kumar shahani it offers analysis of their documentary methods and aesthetics exploring how their

oeuvres constitute a critical and self reflexive approach to documentary making in india

## **Critical Essays on Indian English Writing**

2005

the paper included in the volume focuses on three critical issues namely value education education and social justice and education and employment linkages it provides the rational for a new approach to educational policy and planning relevant to the needs of a developing country and highlights some development parameters having significant influence on the development of human resources

## **Agrarian Reforms in India**

1991

do weak institutions call for reform and regeneration or are they a reflection of rapid social change of strong traditional

societies and the lack of honest and committed political leadership can institutions be understood in terms of universal frameworks or are they shaped by the specificities of each country these are the central questions that constitutional and democratic institutions in india grapples with the first part explores theoretical approaches to the study of institutions in india while the remaining four parts cover the parliament the higher judiciary the election commission of india and some federal and social institutions respectively against the backdrop of recurring political instability and a neo liberal policy environment the contributors raise many fundamental issues about the functioning of these institutions their capabilities and the need for reform and in the case of the parliament the possibility of a shift to the presidential system of government and a model of cooperative federalism

## **India**

1974

folklore studies in india critical regional responses is an interesting compilation of twenty eight critical articles on the beginning of folklore studies in the different parts of india in the absence of a book that could map the history of indian folklore studies single handedly this book can be deemed as the first of its kind to feature the historical development of folklore studies in the different states of india this book succinctly introduces the readers to the folk culture folk arts and folk genres of a particular region and to the different aspects of folkloristic researches carried out in that region

## The Novels of Rohinton Mistry

2004

this book lays down the critical family personal and criminal laws which are specific to women the challenge in law is that it is bigger than the seven seas it is very easy to get lost in this sea this book is designed to help women understand and navigate through the vastness of the laws applicable to them

instead of getting lost and misguided in the legal sea the knowledge of these relevant laws along with the landmark cases where they are applied will enable women to understand and apply these laws in their lives this would empower them to utilize and leverage the power of the law

2022-03-25

have neoliberal policies truly yielded beneficial effects for india two decades of market reform in india presents a collection of essays that challenge the conventional wisdom of indian market reforms examining the effects of neoliberal policies enacted by the indian government and exploding the myths that surround them in particular the volume questions the perceived benefits of india s reform policies in the areas of growth agriculture industry and poverty alleviation and examines how the government s focus on preventing a fiscal deficit caused a large scale decline in development

expenditures which in turn has had a negative impact on the well being of the poor with its rich and insightful analysis two decades of market reform in india bravely shines a light on the true implications of india s neoliberal governmental policies and provides a revealing indication of how policy reform since 1991 has at times detrimentally affected the general populace of india

nuclear power in india a critical history is an unbiased account of the trials and tribulations faced by indian scientists while working on the country s nuclear power programme an engrossing account of how engineers had to overcome not just technical snags but also political ambitions before they succeeded in testing two powerful nuclear bombs in 1974 and 1998 predictably however the world did not take too

kindly to india s nuclear ambitions and all technical and monetary assistance that it had been receiving from other nuclear states ceased abruptly not only that these powerful nations placed various sanctions on the country severely incapacitating its ambitious dreams of entering the coveted nuclear club all further work on the country s nuclear arsenal and power plants was therefore delayed but these may now be things of the past especially if the indo us nuclear deal comes through this interesting history of india s bombastic entry into the power club also includes balanced arguments on the controversial hyde act

## **Critical Reflections on Economy and Politics in India. Volume 1**

2021-08-31

a first of its kind in india the book addresses the fundamental questions of environmental concern and enquires into the complex patterns of human nature interaction within the

discipline of environmental history in india this book delves into history to examine a number of critical themes such as waterbodies and water forests land use wildlife and the issue of the history of climate in india it focuses on the methodological and historiographical aspects of environmental history and raises new questions to open up new windows leading to fresh research questions the book argues that environmental history would serve as an important gateway to the history of the human nature relationship for example exploring the role of water history would help in understanding the present context of water crisis in indian cities critical themes in environmental history of india is a powerful reminder of the fact that in the context of indian history it is now necessary to listen to the voice of nature more carefully
