Darkest Hour

2017-09-28

from the prize winning screenwriter of the theory of everything this is a cinematic behind the scenes account of a crucial moment which takes us inside the mind of one of the world s greatest leaders and provides a revisionist more rounded portrait of his leadership may 1940 britain is at war european democracies are falling rapidly and the public are unaware of this dangerous new world just days after his unlikely succession to prime minister winston churchill faces this horror and a sceptical king and a party plotting against him he wonders how he can capture the public mood and does so magnificently before leading the country to victory it is this fascinating period that anthony mccarten captures in this deeply researched gripping day by day and often hour by hour narrative in doing so he revises the familiar view of churchill he made himself into the iconic figure we remember and changed the course of history but through those turbulent and dangerous weeks he was plagued by doubt and even explored a peace treaty with nazi germany it s a scarier and more human story than has ever been told

Darkest Hour

2017-11-07

now an oscar nominated major motion picture starring gary oldman from the acclaimed novelist and screenwriter of the theory of everything comes a revelatory look at the period immediately following winston churchill s ascendancy to prime minister he was speaking to the nation the world and indeed to history may 1940 britain is at war the horrors of

blitzkrieg have seen one western european democracy after another fall in rapid succession to nazi boot and shell invasion seems mere hours away just days after becoming prime minister winston churchill must deal with this horror as well as a skeptical king a party plotting against him and an unprepared public pen in hand and typist secretary at the ready how could he change the mood and shore up the will of a nervous people in this gripping day by day often hour by hour account of how an often uncertain churchill turned britain around the celebrated bafta winning writer anthony mccarten exposes sides of the great man never seen before he reveals how he practiced and re wrote his key speeches from blood toil tears and sweat to we shall fight on the beaches his consideration of a peace treaty with nazi germany and his underappreciated role in the dunkirk evacuation and above all how 25 days helped make one man an icon using new archive material mccarten reveals the crucial behind the scenes moments that changed the course of history it s a scarier and more human story than has ever been told mccarten s pulse pounding narrative transports the reader to those springtime weeks in 1940 when the fate of the world rested on the shoulders of winston churchill a true story thrillingly told thoroughly researched and compulsively readable michael f bishop executive director of the international churchill society

Winston Churchill

1971

a biography of the british statesman author and military strategist who was one of the world leaders of the twentieth century

Winston Churchill by His Personal Secretary

2007-09-17

elizabeth nel served as winston churchill s personal secretary during world war ii the vivid and human details of her experiences of her impressions and memories of the irascible and loveable war hero take up the story of churchill s life at no 10 where the bbc s impressive drama the gathering storm leaves off when churchill took over the reins of government at the outset of the war finally the author elizabeth nel at 90 years of age looks back across the years mrs nel was mr churchill s secretary from 1941 to 1945 and her experiences from the first day of inevitable blunders to the wartime meetings in canada the united states moscow yalta and casablanca to which she accompanied him are told with a modest restraint the times literary supplement she was by his side when germany attacked russia when pearl harbour the fall of tobruk and arnhem occurred but somehow the distant roar of guns is dimmed by the sweat of being mr churchill s secretary daily express it is a personal book but one that shows the great admiration churchill was able to inspire in those who worked with him new york herald tribune

Blood, Toil, Tears, and Sweat

1989

churchill s great wartime speeches are brought together along with a sampling of earlier speeches and a few from his later years

Six Minutes in May

2018

London May 1940 Britain is under threat of invasion and Neville Chamberlain's government is about to fall it is hard for us to imagine the second world war without Winston Churchill taking the helm but in Six Minutes in May Nicholas Shakespeare shows how easily events could have gone in a different direction it took just six minutes for MPs to cast the votes that brought down Chamberlain Shakespeare moves from Britain's disastrous battle in Norway for which many blamed Churchill on to the dramatic developments in Westminster that led to Churchill becoming Prime Minister uncovering fascinating new research and delving into the key players backgrounds Shakespeare gives us a new perspective on this critical moment in our history

A History of the English-Speaking Peoples: One Volume Abridged Edition

2021-08-26

This history will endure not only because Sir Winston has written it but also because of its own inherent virtues its narrative power its fine judgment of war and politics of soldiers and statesmen and even more because it reflects a tradition of what Englishmen in the heyday of their empire thought and felt about their country's past the Daily Telegraph spanning Caesar's invasion of Britain to the birth of the twentieth century a history of the English-speaking peoples stands as one of Winston's Churchill's most

magnificent literary works begun during churchill s wilderness years when he was out of government first published in 1956 after his leadership through the darkest days of world war ii had cemented his place in history and completed when churchill was in his 80s it remains to this day a compelling and vivid history this one volume abridged edition of churchill s major work makes accessible to readers the full sweep of his magisterial chronicle of the history of britain it combines churchill s intriguing closely observed biographical profiles of a succession of leaders including alfred the great henry plantagenet henry v richard iii charles i william pitt and queen victoria with the key events and developments that were to shape the course of history restored to this edition is the abridged version of the american history from the individual volumes covering the war of american independence and the american civil war each introduced by the editor

2006-04

an analytical investigation into prime minister winston churchill s decision making process during every stage of world war ii when winston churchill accepted the position of prime minister in may 1940 he insisted in also becoming

minister of defence this though meant that he alone would be responsible for the success or failure of Britain's war effort it also meant that he would be faced with many monumental challenges and utterly crucial decisions upon which the fate of Britain and the free world rested with the limited resources available to the UK Churchill had to pinpoint where his country's priorities lay he had to respond to the collapse of France decide if Britain should adopt a defensive or offensive strategy choose if Egypt and the war in North Africa should take precedence over Singapore and the UK's empire in the East determine how much support to give the Soviet Union and how much power to give the United States in controlling the direction of the war in this insightful investigation into Churchill's conduct during the Second World War Allen Packwood BA MPhil Cantab FRHistS the director of the Churchill Archives Centre enables the reader to share the agonies and uncertainties faced by Churchill at each crucial stage of the war how Churchill responded to each challenge is analyzed in great detail and the conclusions Packwood draws are as uncompromising as those made by Britain's wartime leader as he negotiated his country through its darkest days

How Churchill Waged War

2018-10-30

the imperial aspect of Churchill's career tends to be airbrushed out while the battles against Nazism are heavily foregrounded a charmer and a bully Winston Churchill was driven by a belief that the English were a superior race whose goals went beyond individual interests to offer an enduring good to the entire world no better example exists than Churchill's resolve to stand alone against a more

powerful hitler in 1940 while the world s democracies fell to their knees but there is also the churchill who frequently inveighed against human rights nationalism and constitutional progress the imperialist who could celebrate racism and believed india was unsuited to democracy drawing on newly released documents and an uncanny ability to separate the facts from the overblown reputation by mid career churchill had become a global brand richard toye provides the first comprehensive analysis of churchill s relationship with the empire instead of locating churchill s position on a simple left right spectrum toye demonstrates how the statesman evolved and challenges the reader to understand his need to reconcile the demands of conscience with those of political conformity

□□□□

1966

in lord churchill s coup stephen saunders webb further advances his revisionist interpretation of the british empire in the seventeenth century having earlier demonstrated that the anglo american empire was classic in its form administered by an army committed to territorial expansion and motivated by a crusading religion webb now argues that both england and its american social experiments were the underdeveloped elements of an empire emerging on both sides of the atlantic and that the pivotal moment of that empire the so called glorious revolution was in fact a military coup driven by religious fears

Churchill's Empire

2010-08-03

the story of britain s invasion of russia at the end of the first world war has remained largely untold although not its initial architect its chief advocate was the passionately anti bolshevik winston churchill churchill s crusade is the first complete account of a unique military operation one which if it had succeeded would have changed the history of russia europe and the world

Lord Churchill's Coup

1999-01-01

perhaps no scientific breakthrough has shaped the course of human history as much as the harnessing of the atom yet the twentieth century might have turned out entirely differently had this powerful technology stayed under the control of great britain whose scientists spearheaded the allies nuclear arms program at the outset of world war ii as award winning science historian graham farmelo reveals in churchill s bomb britain s supposedly visionary leader remained unconvinced of the potentially earth shattering implications of his physicists research churchill ultimately shared britain s nuclear secrets with and ceded its initiative to america whose successful development and deployment of an atomic bomb placed the united states in a position of supreme power at the dawn of the nuclear age a groundbreaking investigation of the twentieth century s most important scientific discovery churchill s bomb reveals the secret history of the weapon that transformed modern geopolitics

Churchill's Crusade

2007-09-23

although churchill is a 1953 nobel laureate in literature his famous speeches have overshadowed his other writing winston churchill s imagination concentrates on key works in modes other than political rhetoric to show how churchill engages readers with those words and ideas that are hallmarks of his imagination chapters take up his literary relationship with lawrence of arabia churchill s intense but little known involvement with cinema in an essay on charlie chaplin and as a script writer and consultant in the 1930s for alexander korda s film studio churchill s evocation of paintings as templates for narrative in his first history and in his only novel his imaginative engagement with science and science fiction the depiction of time duration and alternative history in his biography of marlborough and churchill s last testament in the realm of imagination the dream

Churchill's Bomb

2013-10-08

dudley pound served for longer on the chiefs of staff committee in wartime than any other serviceman in either of the two world wars he was the professional head of the royal navy from july 1939 until his resignation shortly before his death in august 1943 he had to cope with the problems of hitler by day and churchill by night of trying to make the old ships of the royal navy face the challenge of the modern navies of germany italy and japan pound had to run the operational hq of the admiralty while also chairing

the chiefs of staff committee as such he was involved in some of the most controversial decisions in the naval war in norway 1940 the sinking of the french fleet the despatch of the prince of wales and repulse to singapore the scattering of convoy pq17 while all the while courageously fighting failing health and enduring huge strain however by the time of his death the battle of the atlantic had been won and the mediterranean cleared churchill s anchor aims to put dudley pound s achievements into context he held a succession of key commands from a battleship at jutland to the mediterranean fleet for four years alternating with key appointments at the admiralty he was at the centre of naval affairs from 1914 until his death in 1943

Winston Churchill's Imagination

2006

when i was a child living in liverpool england i often stayed with my grandparents near the docks on those long weekends they would tell me amazing stories about the second world war my grandmother was a great storyteller sharing her memories next to the fire smoking cigarettes and constantly drinking tea and the occasional whiskey she had a way of telling a story that would pull you in and with her silhouetted against the perpetual roaring coal fire and cigarette smoke i would let my schoolchild fantasy soar these stories were often about the children in liverpool who had been evacuated including her own children my parents or about soldiers from families she knew who had gone off to fight and had returned home with tales of their own one of the stories she told was that one day she was down on the docks of liverpool she had gone down there because the queen mary cruiser had arrived and she had never seen

that famous ship when she arrived at the docks she noticed a few children from wealthy families playing on the wharf they were enjoying a moment on land before the ship sailed for the five day journey to new york these children were being evacuated but not to farmers outside the city like my parents instead they would be whisked away by sea or air to glamorous and extravagant america as she got closer to the children my grandmother realized they were from different nationalities and was amazed how easily they jumped from one language to another they were the children of diplomats and european royalty industrialists and the famous even though they were young children they were used to a life that my old grandmother could only dream about those tales rubbed off on me as a child i used to write short stories about these children how they would have adventures and as children how they could move almost unnoticed among the rich and influential of the time

Churchill's Children Hard Back

2013-11

it wasn't easy being a churchill child and only mary managed it with serenity and aplomb as her diary of wartime ats service shows anne de courcy sunday

mathematics csec past papers (Download Only)

telegraph mary s affectionately intimate and emotionally volatile diaries are an informal record that perfectly complements churchill s own six authoritative volumes of memoirs of the second world war this is a happy book spectator a fascinating and intimate insight into the iconic prime minister s family life daily telegraph i am not a great or important personage but this will be the diary of an ordinary person s life in war time though i may never live to read it again perhaps it may not prove altogether uninteresting as a record of my life in 1939 seventeen year old mary found herself in an extraordinary position at an extraordinary time it was the outbreak of the second world war and her father winston churchill had been appointed first lord of the admiralty within months he would be prime minister the young mary churchill was uniquely placed to observe this remarkable historical moment and her diaries most of which have never been published provide a front row view of the great events of war as well as exchanges and intimate moments with her father but they also capture what it was like to be a young woman during wartime an impulsive and spirited writer full of coming of age self consciousness and joie de vivre mary s diaries are untrammelled by hindsight or self censorship or nostalgia from aid raid sirens at 10 downing street to seeing action with the ats from cocktail parties with presidents and royals to accompanying her father on key diplomatic trips mary s wartime diaries are full of colour rich in historical insight and a charming and intimate portrait of life alongside winston churchill compiled and edited by mary s daughter emma soames in collaboration with the churchill archives centre

2011-01

these powerful essays offer a fresh appreciation of the speech s political historical diplomatic and rhetorical significance jacket

Mary Churchill's War

2021-09-16

an raf pilot who flew around the world with winston churchill during world war ii tells his story an raf volunteer reserve officer john mitchell was mobilized on the outbreak of war and just missed going to join a battle squadron in france where he would have undoubtedly been killed instead he was posted to no 58 squadron flying whitleys surviving a tour of operations in 1940 41 that included ditching in the north sea awarded the distinguished flying cross he was sent to the us becoming involved in the development of the first navigation training simulators with the famous link trainer factory there he was awarded the us legion of merit signed by harry s truman then returning to the uk in 1942 he was personally selected to join the crew of winston churchill s private aircraft one of the early prototype avro yorks called ascalon for two years he navigated churchill to conferences around the world from north africa to italy the middle east to moscow including the famous teheran and yalta conferences he also flew general lyon aka his majesty george vi on several occasions after the war he enjoyed an eventful career as an air attaché including an intelligence posting to moscow and was senior navigation officer for the long range exercises over the pole in the converted lincoln

aries iii his is an exceptional story told with wit and verve to military aviation historian sean feast who adds authoritative and informed insights

Churchill's "Iron Curtain" Speech Fifty Years Later

1999

a dogged enemy of hitler resolute ally of the americans and inspiring leader through world war ii winston churchill is venerated as one of the truly great statesmen of the last century but while he has been widely extolled for his achievements parts of churchill s record have gone woefully unexamined as journalist madhusree mukerjee reveals at the same time that churchill brilliantly opposed the barbarism of the nazis he governed india with a fierce resolve to crush its freedom movement and a profound contempt for native lives a series of churchill s decisions between 1940 and 1944 directly and inevitably led to the deaths of some three million indians the streets of eastern indian cities were lined with corpses yet instead of sending emergency food shipments churchill used the wheat and ships at his disposal to build stockpiles for feeding postwar britain and europe combining meticulous research with a vivid narrative and riveting accounts of personality and policy clashes within and without the british war cabinet churchill s secret war places this oft overlooked tragedy into the larger context of world war ii india s fight for freedom and churchill s enduring legacy winston churchill may have found victory in europe but as this groundbreaking historical investigation reveals his mismanagement facilitated by dubious advice from scientist and eugenicist lord cherwell devastated india and set the stage for the

massive bloodletting that accompanied independence

Churchill's Navigator

2010-10-19

the hopkins touch offers the first portrait in over two decades of the most powerful man in roosevelt s administration david roll shows how harry hopkins an iowa born social worker who had been an integral part of the new deal s implementation became the linchpin in fdr s and america s relationships with churchill and stalin and spoke with an authority second only to the president s gaunt nearly spectral and malnourished following an operation to remove part of his stomach the newly widowed hopkins accepted the president s invitation to move into the white house in 1940 and remained roosevelt s closest advisor speechwriter sounding board and friend nearly to the end between 1940 and 1945 with incomparable skill and indefatigable determination hopkins organized the lend lease program and steered the president to prepare the public for war with germany he became fdr s problem solver and fixer helping to smooth over crises such as when the british refused to allow an invasion of europe in 1943 enraging stalin who felt that the soviet union was carrying the military effort against the nazis lacking an official title or a clear executive branch portfolio hopkins could take the political risks his boss could not and proved crucial to maintaining personal relations among the big three beloved by some such as churchill who believed that hopkins always went to the root of the matter and trusted by most including the paranoid stalin there were nevertheless those who resented the influence of the white house rasputin based on newly available sources the hopkins touch is an absorbing

substantial new work that offers a fresh perspective on the world war ii era and the allied leaders through the life of the man who kept them on point until the war was won

Hearings

1955

Hearings

1956

winston churchill is undoubtedly one of the most respected and best loved characters the nation has ever known however much of how people view him is based on his leadership during the bleak and dire times of the second world war if it wasn t for him britain would almost definitely have lost the war there were those in government who encouraged churchill to strike a deal with hitler at the time of the dunkirk evacuations which took place just three weeks after he had been made prime minister but he stuck resolutely to his guns and said no however churchill was never the favorite to take over after neville chamberlain resigned indeed everyone believed lord halifax would be the next prime minister although even he thankfully recognized that winston churchill was the best man for the job even though king george vi disagreed yet there was

another side to churchill that is not often spoken of and one that led to him making some questionable decisions some of these it could be argued were for national security reasons but others were not proving that even the very best are not always as perfect as they first appear

War Claims and Return of Enemy Assets

1956

covering the major social and political events of british history from the late victorian era through to the present day the 6th edition of this landmark textbook helps students critically examine the relationship between the british state and its citizens with accessible and engaging prose the book guides students through a mix of chronological and thematic coverage connecting key political economic and social changes helping them examine the main themes and trends in british political history newly featuring definitions of key terms and with 20 additional illustrations the 6th edition has also been updated to cover events since the 2015 general election including the 2017 and 2019 general elections the brexit vote and negotiations the covid 19 pandemic the resignation of david cameron the fall of theresa may and the rise of boris johnson the rise of cultural politics including feminism black lives matter the centralisation of government and identity politics this book is essential for anyone looking to for an introduction to modern british social and political history
