I Never Knew That About Royal Britain

2012-04-05

with the royal wedding around the corner there no better time than the present to get acquainted with royal britain bestselling author christopher winn explores britain s royal past unearthing a rich legacy of castles and palaces cathedrals and country retreats battlefields and monuments where kings and queens lived and died in this exploration of royal british history discover whose heart is buried near the tower of london which palace was built on top of a mulberry garden the world s oldest and largest occupied castle and the first building in britain to have latrines from the palace of scone to the palace of westminster from pembroke castle the birthplace of henry vii to pontefract castle where richard ii starved to death and from banqueting halls to beheading sites this gem of a book is guaranteed to inform and amuse in equal measure

I Never Knew You

2009-05

this book is based upon christ s words and tells you how you can know for sure that you are saved and will spend eternity in heaven there are many false plans of salvation being taught by the great preachers of today which will not save you or prevent you from standing before christ at the great white throne judgement when one stands before christ at this judgement they will be cast into the lake of fire for all eternity michael bowen holds a master s degree in english technical and professional communication from east carolina university he is currently teaching college level english composition at a community college and operates an ibm as400 computer at a local hospital he enjoys astronomy martial arts and reading

The Man I Never Knew

2011-07

if you could meet yourself come face to face with the person you truly are would you want to this is the question samuel l jones asks himself in the man i never knew how leadership can be developed by faith family and friends a native of the mississippi delta and former college athlete dr jones earned a bachelor s and master s degree from the university of southern mississippi and earned a phd from mississippi state university he eventually became the dean of student affairs at jones county junior college however he realizes all too well that his life could have taken a different path one of failure and hopelessness in exploring the influences and opportunities that prepared him for a position of leadership dr jones inspires us to examine our own experiences and discover the leadership skills that are hidden within each of us about the author samuel l jones received his doctorate in community college leadership from mississippi state university in 2006 he also has a bachelor s degree in advertising 1997 and a master s degree in public relations 2002 from the university of southern mississippi he is currently the dean of student affairs at jones county junior college in ellisville mississippi jones has held several campus positions prior to becoming the dean of student affairs he served as the assistant basketball coach from 1999 to 2003 student recruiter from 1999 to 2006 and assistant dean from 2003 to 2006 having spent ten years developing his leadership skills in athletics and the administration forum he

is committed to being a trailblazer in the lives of his students and his community

I Never Knew My Place

2012-07

american systems church education families government homes neighbors work this book focuses on a personal story of the multitude of struggles survival and thriving techniques a three generational set of families met and overcame during a 100 year period two decades ago someone wrote asking this question is god dead if you could question thousand of black citizens the answer would be no god is alive without him i would be dead today a major struggle is what is wrong with the teachers without the teachers in our lives many of us would be far worse off than it appears is your family falling apart today the family still is the backbone unit especially when we have children in our society depending on the adults for guidance do you know your local city county and state government officials how do you interact with these representatives discover how you can do more than just vote what are the characteristics of a good neighbor what happen when work is not available imagine having faith seeking community harmony spreading love offering hope and maintaining joy being patient peaceful and exhibiting absolute self control

Discovering The Family I Never Knew

2022-10-11

this is a fictional story inspired by real people and real events take an exciting journey with jeffrey madison and his exploration into his family history and the dramatic and unexpected outcome in 1964 jeffrey lost his father jack madison in a tragic airplane crash when he was only 15 years old years later a chance visit to butte montana raised questions about his father and his grandfather arthur madison and kindled an obsessive drive to uncover the truth about their lives this story was a revelation about the family history he never knew his father grew up in the great depression and was a lonely troubled child with an alcoholic mother and a distant father for nearly 24 years his grandfather worked in the dangerous lead and copper mines in oklahoma and montana he was able to overcome adversity and re make himself the story reveals the powerful connection between generations in a family and its significant influence on our own lives it is a parable on the enduring value of family and friendships

i never knew what time it was

2005-04-25

in this series of intricately related texts internationally known poet critic and performance artist david antin explores the experience of time how it s felt remembered and recounted these free form talk pieces sometimes called talk poems or simply talks began as improvisations at museums universities and poetry centers where antin was invited to come and think out loud serious and playful they move rapidly from keen analysis to powerful storytelling to passages of pure comedy as they range kaleidoscopically across antin s experiences in the new york city of his childhood and youth the eastern europe of family and friends and the new york and southern california of his art and literary career the author s analysis and abrasive comedy have been

described as a mix of lenny bruce and ludwig wittgenstein his commitment to verbal invention and narrative as a fusion of mark twain and gertrude stein taken together these pieces provide a rich oral history of and critical context for the evolution of the california art scene from the 1960s onward

I Never Knew That About London

2012-02-28

discover hundreds of fascinating facts about london in this enthralling miscellany travelling through the villages and districts that make up the world s most dynamic metropolis christopher winn takes us on a captivating journey around london to unearth the hidden gems of legends firsts inventions adventures and birthplaces that shape the city s compelling and at times turbulent past see the chelsea river views that inspired turner and find out where london s first nude statue is explore london s finest country house in charlton and unearth the secrets of the mother of parliaments discover which church steeple gave us the design of the traditional wedding cake where the sandwich was invented and where in bond street you can see london s oldest artifact visit the house where handel and jimi hendrix both lived climb the famous 311 steps of the monument and fly the world s biggest ferris wheel brimming with stories and snippets providing spellbinding insight into what has shaped the city i never knew that about london is a beautifully illustrated gem of a book that informs and amuses in equal measure will not fail to enhance months even years of gentle urban exploration any number of morning or weekend outings can be constructed from these rich pages the selections and observations remain unfailingly interesting the guardian uk i never knew that tucked away below clive steps at the end of king charles street can be found the small underground rooms where winston churchill and the war cabinet met during the air raids of the second world war the first ever valentine card was written from the tower where in 1415 the recently imprisoned duke of orleans composed a love poem to his wife the measurement of one foot comes from the length of the foot of st algar s statue carved on the base of one of the columns near the entrance of st paul s cathedral the design for the traditional wedding cake is drawn from the steeple of st bride s church in fleet street

All The Things You Never Knew/Certain Things You Ought To Know

2013-03-11

so maybe it s the stakes if you kiss me in the snow i will always wait for you to call first if you trek out alone into the rugged wilderness to avenge your honor i am coming in after you this combined collection of short stories and literary essays by amber l carter gives voice to what we wish those who made their way into our hearts could have known and what we still need to know for ourselves after they ve made their way out again with the glittering twin cities of minneapolis st paul and the quiet woods of northwest wisconsin serving as a backdrop to her chronicles of pounding love and crashing pain and that pretty ache carter s keen and unflinching observations of the intricacies of the human heart mixed with a complex vulnerability and a delightfully wry humor make each piece both intensely absorbing and startlingly familiar
