A Rosenberg by Any Other Name 2016-02-02 winner 2019 saul viener book prize given by the american jewish historical society a groundbreaking history of the practice of jewish name changing in the 20th century showcasing just how much is in a name our thinking about jewish name changing tends to focus on clichés ambitious movie stars who adopted glamorous new names or insensitive ellis island officials who changed immigrants names for them but as kirsten fermaglich elegantly reveals the real story is much more profound scratching below the surface fermaglich examines previously unexplored name change petitions to upend the clichés revealing that in twentieth century new york city jewish name changing was actually a broad based and voluntary behavior thousands of ordinary jewish men women and children legally changed their names in order to respond to an upsurge of antisemitism rather than trying to escape their heritage or pass as non jewish most name changers remained active members of the jewish community while name changing allowed jewish families to avoid antisemitism and achieve white middle class status the practice also created pain within families and became a stigmatized forgotten aspect of american jewish culture this first history of name changing in the united states offers a previously unexplored window into american jewish life throughout the twentieth century a rosenberg by any other name demonstrates how historical debates about immigration antisemitism and race class mobility gender and family the boundaries of the jewish community and the power of government are reshaped when name changing becomes part of the conversation mining court documents oral histories archival records and contemporary literature fermaglich argues convincingly that name changing had a lasting impact on american jewish culture ordinary jews were forced to consider changing their names as they saw their friends family classmates co workers and neighbors do so jewish communal leaders and civil rights activists needed to consider name changers as part of the jewish community making name changing a pivotal part of early civil rights legislation and jewish artists created critical portraits of name changers that lasted for decades in american jewish culture this book ends with the disturbing realization that the prosperity jews found by changing their names is not as accessible for the chinese latino and muslim immigrants who wish to exercise that right today

By Any Other Name 2013 i picked up the book and thumbed through the pages names in alphabetical order names with meanings names i knew names i d never heard of how to pick nothing that would stand out nothing that would link me to the past those were the instructions the past as if everything that had gone before this moment was buried already holly is fifteen years old but she s only been holly for a matter of months because of what happened she and her family have entered witness protection and assumed new identities but holly can t shake the urge to reconnect with her old life even when she becomes friends with joe the mysterious boy who lives up the road will one moment of weakness put holly and her family s lives in danger

The Name's Familiar II 2001-06-30 the fictional characters dracula madeline and lois lane were all inspired by real people there really is a nathan behind nathan s hotdogs a cliff behind cliffsnotes and an anne behind auntie anne s but j crew is just a figment of a marketing director s imagination monica sandra rita and the other girls of mambo no 5 fame are lou bega s real life ex girlfriends for those of you who have wondered about these names and those who never thought to laura lee details the stories behind them and many others in her new book the name s familiar ii this sequel to her book the name s familiar contains over 350 entries that tell the origins and originators of words characters brand names and even towns elmira new york for instance was named after a rambunctious little girl whose mother was constantly calling her

neighbors heard her name so much they decided to call the town elmira the names explained in this book range from those of contemporary pop culture to ancient legend whether it s smokey the bear or julius caesar you ll be given new insight that will change the way you look at names forever

Love...From Both Sides 2012-10-25 when nick spalding self published love from both sides and love and sleepless nights he became one of the bestselling ebook authors of 2012 now for the first time the love books are being published in a longer format with more of the love story more of laura and jamie s ups and downs and more of the laugh out loud hilarious moments that fans have come to know and love sometimes the hardest part of finding love is keeping a straight face for jamie newman being a single guy isn t proving to be much fun especially when confronted with a sexually belligerent divorcee and a goddess so far out of his league she might as well be a different species mind you being a girl in search of love isn t a bowl of cherries either just ask laura mcintyre who s recently contended with a horny estate agent on a quest for light relief and a rabid mountain bike enthusiast with a penchant for lycra that leaves little to the imagination when jamie and laura bump into one another quite literally it looks like their luck may have changed but sometimes finding the right person is only the start of your problems love from both sides is a warts and all romantic comedy for everyone who knows how tricky the quest for love can be

The Story of Don Miff As Told by his Friend John Bouche Whacker: A Symphony of Life

2011-01-01 it is pretty well understood i presume that while books are written for the entertainment of the public a preface has fulfilled its mission if it prove a solace to the author and an edification to the proof reader thereof yet however it may be with an author an editor must it seems write one most mysteriously then and i knew not whence or from whom the manuscript of this work found itself in my study some time since accompanied by the request that i should stand sponsor for it i shall do nothing of the kind true the grammar of it will pass muster i think and its morals are above reproach but the way our author has of sailing into everything and everybody quite takes my breath away lawyers military men professors and students parsons agnostics statesmen billiard players novelists poetesses saints and sinners he girds at them all i should not have a friend left in the world were it to go abroad that this mr j b whacker s opinions were also mine if but to enter this disclaimer therefore i must needs write a preface this author of ours then is as you shall find an actor in the scenes he describes and is quite welcome to any sentiments he may see fit to put into his own mouth he entertains i am free to admit an unusual number of opinions more than one man s share perhaps but not one of them is either reader or editor called upon to adopt it seems fair too to warn the eccentric person who shall read this preface against putting too much faith in the account mr whacker gives of himself the astounding pedigree to which he lays claim in chapter i may be satire for aught i know but when he poses as a lawyer a bachelor and a ton of a man weighing though he does not give the exact figures not much less than three hundred pounds he is counting too much on the simplicity of his editor for the internal evidence of the work itself makes it clear that he is a physician ever so much married and nestling amid a very grove of olive branches he assures us too for example he is never tired of assuring us of something that he is entirely ignorant of music yet divides his work not into books as a christian should but into movements indicating presumably the spirit and predominant feeling of each by the opening page of the orchestral score of one of the four numbers of a famous symphony

The Open Court 1889 Rabelais looked past her father as she replied in a voice that was not hers no father I will not deliver the omitted commandments to all mankind but forty generations hence in a new world orben the messenger will bring additional enlightenment to the world and the lord's work will be done christianity judaism and islam accept the ten commandments as revealed truth etched into stone and handed down to Moses on Mount Sinai but were the commandments as we know them the only words from God on the subject of human conduct the brilliant biblical saga *Broken Commandments* postulates the existence of ten additional commandments in addition to the ones that millions of believers live by today the missing commandments were supposedly carved on the reverse side of the original tablets given to Moses Moses smashed them in disgust when he came down from the mountain and saw the Israelites worshipping a golden calf thousands of years later the one chosen by the Lord will enlighten the world and bring forth all of the twenty commandments he is prophesied to spread tolerance throughout a new nation and become the leader of the new faith of faiths do the lost stones hold the key to the survival of the human race

Laura's Pride. A Novel. By the Author of Mary Constant 1868 this study focuses on the work of four Victorian anti-feminist women writers Eliza Lynn Linton Charlotte M Yonge Mrs Humphry Ward and Margaret Oliphant examining their self-contradictory responses to the debate about women's role in family life and society individual chapters review women's anti-feminism from 1792-1850 and fresh readings of their best-known novels emphasize the inconsistencies of their masculine and feminine ideals

Broken Commandments 2005-08 as a standard bearer for intellectual freedom the school librarian is in an ideal position to collaborate with teachers to not only protect the freedom to read but also ensure that valued books with valuable lessons are not quarantined from the readers for whom they were written

Once a Week 1875 you can check out of freak camp but can you ever leave Jake and Tobias hit the open road together and are determined to live out of the shadows of the prison Tobias once called home but when Jake's past beckons they're ready to embrace their destiny as hunters pursuing the grisly supernatural threats lurking in America's dark alleys and dusty roads every hunt deepens Jake and Tobias's bond transforming their friendship into something neither knows how to name in a world where supernatural threats intertwine with human struggles they face new challenges every day but the path to love is winding amidst echoes of pain and the promise of a future Jake and Tobias must confront their deepest fears fighting not only for their love but for their freedom as shadows close in their love becomes a beacon of hope in the heart of the abyss freedom is the third book in the *A Monster by Any Other Name* series an M/M paranormal romance readers are recommended to start with either book 1 *Freak Camp* or book 2 *Fear Please* take note that *Freedom* includes references to past sexual and physical abuse torture and neglect of children this series is the slowest of burns but each book comes with a happy for now happily ever after

Eve's Renegades 1997-02-12 the author of this book started writing the stories in it when he was starting to recover from mental illness at first the stories were only written in his head to help ease the confusion of reality within himself that was decades ago and over the many years since then he has written them down on paper

Proceedings of the American Society for Psychical Research 1912 literature is aroused by the new learning which was the inspiration of great prose poetry and drama many of the Elizabethans

were fascinated by idealsthey wanted to know how to be perfect courtier or gentleman or governor most elizabethan poems picture nature and human beings in a graceful and idealized manner surely the elizabethan believed in perfection when shakespeare could write that if he is mistaken in thinking that the true love is unchanging then i never writ nor no man ever loved the englishmen of the renaissance were in love with human beauty which they considered the outward sign of mans spirit striving for perfection for the english were not content to write about perfection they tried to achieve it in their lives yet sir thomas wyatt brought the sonnet from italy and the earl of surry for the first time used blank verse which has been a standard english meter ever since furthermore lyric or singing poetry was developed for england was becoming a nation of musician and singers the lighter side of literature and life in seventeenth century is reflected in the lyrics of the cavalier poets in blakes poetry we find the traits and attitudes that mark the change from classicism to romanticism these have already been pointed out briefly as 1 a study and plainly expressed belief in the brotherhood of man 2 a deep sympathy with humble lives human and animal alike 3 a sense of independent spirit of man and natural right to freedom such attitudes are evident on a grand scale in the american revolution as a way of thinking and as an approach to literature romanticism is associated with vitality powerful emotion limitless and dreamlike ideas the mood of romanticism prepared the country for a literary outburst wordsworth and coleridge opened new subjects for poetry byron shelley and keats produced poetry excelling in lyric beauty following world war i some of the energy and inventiveness in modern drama seemed to leave england as it entered america

Teaching Banned Books 2001-06 book delisted

Of cemeteries, or burying-places; with an inquiry, how and when the custom of burying in churches first came in 1878 the tenth volume of women in german yearbook

offers new perspectives on issues of gender and sexual identity richard mccormick analyzes through a reading of g w pabst s film geheimnisse einer seele social anxieties about gender identity in weimar popular culture elizabeth mittman discusses christa wolf and helga k nigsdorf as different embodiments of the drastically altered eastern german public sphere in 198990 ruth ellen b joeres suggests that the homosocial content of letters by early nineteenth century german women writers created a social sphere distinct from those usually identified as public or private marjorie gelus analyzes the obsessive focus on sex and gender in three of kleist s stories gail hart argues that kleist s defeminization of anmut in his marionettentheater essay reinforces the exclusivity of a male homosocial universe the relationship of masochism to female erotic desire is the subject of brigid haines s examination of lou andreas salomä s eine ausschweifung silke von der emde investigates irmtraud morgner s use of postmodern strategies to promote feminist goals susan anderson rereads monika maron s die berlÜuferin analyzing the self emancipatory effects of fantasy a cluster of articles providing feminist perspectives on the holocaust is introduced by ruth kl ger s dankrede zum grimmelshausen preis karen remmler discusses the relationship between memory and the portrayal of female bodies in two recent holocaust narratives suzanne shipley examines the significance of exile in the autobiographies of two women who fled austria for new york sigrid lange introduces marie therese kerschbaumer s der weibliche name des widerstands a challenge to austria s attempts to minimize its role in nazi persecutions miriam frank provides an overview of lesbian literature and publishing practices in germany and luise pusch reports on a recent attempt at language censorship in the german parliament the volume closes with the editors look at women in german after twenty

years jeanette clausen is an associate professor of german at indiana university purdue university at fort wayne she is coeditor of german feminism and since 1987 has coedited the women in german yearbook sara friedrichsmeyer is a professor of german at the university of cincinnati raymond walters college and author of the androgyne in early german romanticism she has been coeditor of the women in german yearbook since 1990

English Writers 1889 as she constructively engages feminist critiques of christianity's complicity in violence deidre nicole green challenges traditional beliefs that self sacrifice amounts to love and that suffering is inherently redemptive by arguing for a kierkegaardian conceptions of christian love that limits self sacrifice back cover

English Writers. 4 1889 at netherfield a glorious evening of music and dancing but out in the garden two men are arguing while a ferocious rainstorm swirls round and then the unthinkable happens a lightning bolt from heaven strikes in that instant everything changes jane austen's heartthrob hero becomes the bumbling reverend collins shorn of his fortune his social standing and his good looks mr darcy is trapped in mr collins body and mr collins wakes up to discover that he is master of pemberley could there be anything worse but the inner man is still darcy he is in love with elizabeth bennet and now he is living in her house discover the pride and prejudice body swap that has readers laughing in surprise and delight

NJ Route 52 (1) Causeway Between City of Somers Point, Atlantic County and Ocean City, Cape May County 2002 the long awaited compelling sequel of the best selling book the essenes children of the light 1 what is the secret of mary magdalene's power 2 who were the female disciples of jeshua 3 did jeshua and mary magdalene have a child 4 how can we understand the new children now being born 5 what changes will the new consciousness bring into our lives this is the story of the essenes and the female disciples of jeshua who were deliberately marginalised and written out of the record this book focuses on the partnership of jeshua and mary magdalene and culminates in the work of the crystal children who are just now being born this fascinating story was revealed through the process of past life regression and through the insight of an angelic being called alariel this is the inner history of our planet as it has never been told before a narrative to inspire the spirit and warm the heart

Campfires of Cracker Tom 1919 this unique collection of the complete travel books anecdotes memoirs of mark twain illustrated has been designed and formatted to the highest digital standards the innocents abroad humorously chronicles twain s great pleasure excursion on board the chartered vessel quaker city through europe and the holy land in 1867 roughing it follows the travels of young mark twain through the wild west during the years 1861 1867 the book illustrates many of twain s early adventures including a visit to salt lake city gold and silver prospecting real estate speculation and a journey to the kingdom of hawaii old times on the mississippi is a short account of twain s experiences as a cub pilot learning the mississippi river a tramp abroad details twain s journey through central and southern europe with his friend as the two men make their way through germany the alps and italy they encounter situations made all the more humorous by their reactions to them life on the mississippi is a memoir by mark twain of his days as a steamboat pilot on the mississippi river before the american civil war recounting his trip along the mississippi river from st louis to new orleans after the war following the equator in an attempt to extricate himself from debt twain undertook a tour of the british empire in 1895 a route chosen to provide numerous opportunities for lectures in english the book is a social commentary critical of racism towards blacks asians and indigenous groups some rambling notes of an idle excursion presents a series of stories about a trip that twain and some friends took to bermuda from new york city chapters from my autobiography comprises a rambling collection of anecdotes and ruminations of mark twain assembled during his life samuel langhorne clemens 1835 1910 better known by his pen name mark twain was an american writer humorist entrepreneur publisher and lecturer

The Encyclopedia Americana 1994-06-01 i am part of the generation that came of age when bi any other name was already in print this groundbreaking anthology gave me the language courage and sense of community i needed as a young queer woman daisy hernández a cup of water under my bed the 25th anniversary edition bi any other name bisexual people speak out first debuted in 1991 this groundbreaking book helped catalyze a national movement for bisexual identity justice and equality often dubbed the bisexual bible bi any other name was on lambda book review s top 100 glbt books of the 20th century and became a beloved reference text in many classrooms doctors offices libraries and pulpits a 2007 mandarin translation was published in taiwan the new 2015 introduction of this book updates readers to the enormous changes the past quarter century has brought for bi people the larger society and the sexual

rights and liberation movement of which we are a part when did you know how did you come out what was your experience the coming out stories in this book speak to the many ways bisexuals embrace realities outside rigid either or categories throughout the passage of our lives everyday stories of women men transgender bisexuals teenagers to octogenarians from many different cultures and family arrangements the fierce truth of these lives made visible puts a check on bisexual erasure exposing the binary constructions of gay straight and male female as oversimplifications that reduce spectrums to mere opposites caught between the mainstream culture s persistent discounting of bisexuality the sensationalizing characterizations presented in media and the sexual liberation movement s continual disregard of bisexuality as a serious identity bisexual people are often not seen or heard when they speak out there is a vital need for these earnest voices to be heard in the new century enormous cultural changes have occurred in the past 25 years yes but understanding bisexualities has just begun
