in volume three of this four volume series we examine the rhetorical development that occurred during the first two terms of

vladimir putin s tenure as president of the russian federation initially putin appeared to follow in the path set by his predecessor boris yeltsin vowing that russia was at heart a european nation and would be a westward facing democracy going forward he even mentioned partnering with the eu and nato eight years later at the 2007 munich security conference putin excoriated the west for in his words attempting to create a unipolar world in which nato expansion threatened russia s security the united states acted as the world s sole hegemon and europe simply followed orders relinquishing any sense of agency in its own affairs

il presente libro nasce come tentativo di sintetico catalogo ragionato del cinema horror degli anni 80 compiuto da uno spettatore che nel 1980 aveva cinque anni e nel 1990 quindici quindi uno spettatore fortemente influenzabile e che pertanto risente nei giudizi delle proprie memorie di giovane testimone delle paure e delle inquietudini che le tematiche horror gli trasmettevano l approccio ai film avviene pertanto su basi fortemente affettive e nostalgiche l angolo di prospettiva seguito è francamente unilaterale non si è voluto rifare qui una storia generale ed approfondita del cinema horror dal 1980 al 1990 ma verificare l influenza diretta delle varie tematiche sulla produzione internazionale le imitazioni del passato e gli

indirizzi e le nuove mete indicate dai maestri quali tobe hooper wes craven kubrick carpenter ect ect così analizzando le varie tematiche e le piccole o grandi ideologie che esse trasmettono potremo ritrovare alcuni tratti tipici di fortunatissimi filoni quali halloween venerdì 13 solo per citare i più importanti inoltre un viaggio nel cinema horror degli anni 80 analizzato sotto un profilo laico ed il profilo religioso prettamente cattolico diversificazioni di analisi certo ma un sicuro approfondimento delle tematiche che ci interessano infatti di tutti i film presi in considerazione non solo si dà un sintetico giudizio laico ma si riporta anche l'approfondita scheda redatta dal centro cattolico cinematografico che analizza la trama valuta il film sotto il profilo etico morale religioso al fine di indicare ai cattolici se può essere visto o meno ne viene fuori uno spaccato veramente interessante e a volte addirittura divertente bisogna dare atto però che la critica cattolica sa diversificare il giudizio religioso da quello tecnico creativo ciò vuol dire che un film può essere riconosciuto come un capolavoro ma non per questo ottenere il nulla osta di visibilità il libro è stato concepito per l'editoria elettronica è come tale ha delle peculiarità che il libro cartaceo non ha la principale è quella della interattività non indispensabile ma opportuna disponendo di una connessione internet sul proprio lettore di ebook sarà possibile collegarsi ad esempio a wikipedia potendo così consultare una scheda approfondita del film e del suo regista inoltre subito dopo l'introduzione si riportano tutti i film horror usciti dal 1980 al 1989 linkati a imdb e a mrqe per le recensioni in lingua inglese

il mastro artigliere bretone è la figura di primo piano di questo terzo ed ultimo romanzo del ciclo nel cui sfondo vi è sempre la guerra di indipendenza americana gli insorti americani hanno liberato dagli inglesi boston le province del sud e new york ora le truppe di washington sono impegnate nel canada È di vitale importanza che alcune urgentissime istruzioni arrivino alle truppe americane presenti vicino al lago champlain ma l'impresa è tanto più difficile e pericolosa in quanto si compie in inverno inoltrato e la zona da attraversare è abitata da indiani che appoggiano gli inglesi e chi poteva essere più adatto di testa di pietra popolarissimo per la sua forza la sua astuzia e la sua mira infallibile perciò il buon mastro e piccolo flocco partono per la difficile missione nonostante il tradimento della guida davis e tante insidie testa di pietra è sempre all'altezza della situazione grazie alla sua forza riesce a sconfiggere in un duello a colpi d'ascia il capo di una tribù indiana e diventa così nientemeno che grande sakem È in questa veste che incontra il suo amato baronetto william mac lellan inviato da washington a controllare la situazione quest'ultimo viene anche informato della presenza molto vicina del fratellastro il pericoloso rivale marchese d'halifax infine nel castello del barone di clairmont avviene lo scontro decisivo tra i due nobili scozzesi la vittoria non può però che spettare al leale e generoso mac lellan ed è con la morte del marchese d'halifax che si chiude definitivamente questo ciclo sullo sfondo di un'altra vittoria quella dell'indipendenza americana

The Routledge Companion to Planning in the Global South

this book takes stock of german gender equality in several policy fields after 16 years of governments led by angela merkel and her conservative christian democratic party cdu while maintaining its status as an economic engine in europe germany has historically been a laggard in adopting gender equality measures the european gender equality index however now ranks germany relatively high and shows substantial progress since 2005 while this has gone mostly unnoticed germany has passed far reaching legislation in major policy fields relevant for gender equality investigating the effects of merkel s tenure on gender equality the chapters in this volume assess policy output and outcomes with a focus on internal power dynamics in germany as well as international and european union eu level pressures in the policy domains of political representation lgbti rights migration the labor market and care it examines how policy measures introduced by conservative governments affect gender norms and gender culture and if they ultimately lead to effective implementation and greater equality the book argues that merkel often led from behind indirectly facilitating claims making instead of proactively pushing them this nonetheless contributed to transformative change in germany by merkel not blocking policy proposals and allowing civil society groups and rival parties to push many progressive gender policies leading from behind gender equality in germany during the merkel era is a fascinating read for students researchers and academics interested in european politics political leadership gender equality and lgbti politics this book was originally published as a special issue of german politics
