The Complete Rhodes Around Britain

2001

from the arrival of italian ice cream vendors and german pork butchers to the rise of indian curry as the national dish spicing up britain uncovers the fascinating history of british food over the last 150

years panikos panayi shows how a combination of immigration increased wealth and globalization have transformed the eating habits of the english from a culture of stereotypically bland food to a flavorful international cuisine along the way panayi challenges preconceptions about british identity and raises questions about multiculturalism and the extent to which other cultures have entered british society through the portal of food he argues that britain has become a country of vast ethnic diversity in which people of different backgrounds but still british are united by their readiness to sample a wide variety of foods produced by other ethnic groups taking in changes to home cooking restaurants grocery shops delis and cookbooks panayi s flavorful account will appeal to a wide range of readers interested in ethnic cooking food history and the social history of britain wearing his twin hats of foodie and social historian panikos paniyi can appall as well as engender salivation on his tour d horizon of the multicultural history of british food his book demonstrates convincingly that whether drawing on its former colonial and imperial possessions or on its european neighbors the openness of british society has truly enriched its diet and produced its present day variegated cuisine washington times

Spicing up Britain

2008-04-15

browsing through books and tv channels we find people pre occupied with eating cooking and competing with chefs eating and food in today s media have become a form of entertainment and art a survey of literary history and culture shows to what extent eating used to be closely related to all areas of human life to religion eroticism and even to death in this volume early modern ideas of feasting banqueting and culinary pleasures are juxtaposed with post 18th and 19th century concepts in which the intake of food is increasingly subjected to moral theological and economic reservations in a wide range of essays various images rhetorics and poetics of plenty are not only contrasted with the horrors of gluttony they are also seen in the context of modern phenomena such as the anorexic body or the gourmandizing bête humaine it is this vexing binary approach to eating and food which this volume traces within a wide chronological framework and which is at the core not only of literature art and film but also of a flourishing popular culture

The Pleasures and Horrors of Eating

2010

the entertainment world lost many notable talents in 2019 including television icon doris day iconic novelist toni morrison groundbreaking director john singleton broadway starlet carol channing and lovable star wars actor peter mayhew obituaries of actors filmmakers musicians producers dancers composers writers animals and others associated with the performing arts who died in 2019 are included in this edition date place and cause of death are provided for each along with a career recap and a photograph filmographies are given for film and television performers

reich and george stephanopoulos the writer robert penn warren the entertainer kris kristofferson and the supreme court justices byron white and david souter based on extensive research in published and unpublished documents and on hundreds of interviews this book traces the history of the program and the stories of many individuals in addition it addresses a host of questions such as how important was the oxford experience for the individual scholars to what extent has the program created an old boy girl since 1976 network that propels its members to success how many rhodes scholars have cracked under the strain and failed to live up to expectations how have the americans coped with life in oxford and what have they thought of britain in general beyond the history of the program and the individuals involved this book also offers a valuable examination of the american british cultural encounter

Modern Media in the Home

2004

this book examines the role of popular culture in the construction of gendered identities in contemporary society it draws on a wide range of popular cultural forms including popular music newspapers and television to illustrate how femininity and masculinity are produced represented and consumed the authors blend primary and secondary research to offer the reader a balanced yet novel overview of the area students are introduced to key theories and concepts in the fields of gender studies and popular culture which are made accessible and interesting through their application to topical examples such as djs binge drinking and computer games the book is structured into three clear user friendly sections 1 production gender and popular culture an investigation of who produces popular culture why gendered patterns occur and how they impact on content 2 representation gender and popular culture an examination of how men and women are represented in contemporary popular culture and how notions of in appropriate femininity and masculinity are constructed 3 consumption gender and popular culture an exploration of who consumes what in popular culture how gendered consumption relates to space and what the effects of consuming representations of gender are gender and popular culture will be essential reading for students and scholars of media and cultural studies at all levels

Rhodes Must Fall

2018-08-15

taking a long chronological view and a wide ranging interdisciplinary approach this is an innovative and distinctive book it is the definitive work on the posthumous reputation of the ever popular warrior queen of the iceni queen boadicea boudica exploring her presence in british historical discourse from the early modern rediscovery of the works of tacitus to the first historical films of the early twentieth century in doing so the book seeks to demonstrate the continuity and persistence of historical ideas across time and throughout a variety of media this focus on continuity leads into an examination of the nature of history as a cultural phenomenon and the implications this has for our own conceptions of history and its role in culture more generally while providing contemporary contextual readings of boudica s representations martha vandrei also explores the unique nature of historical ideas as durable cultural phenomena articulated by very different individuals over time all of whom were nevertheless engaged in the creative process of making history thus this study presents a challenge to the axioms of cultural history new historicism and other mainstays of twentieth and twenty first century historical scholarship it shows how long before professional historians sought to monopolise historical practice audiences encountered visions of past ages created by antiquaries playwrights poets novelists and artists all of which engaged with articulated and even defined the meaning of historical truth this book argues that these individual depictions variable audience reactions and the abiding notion of history as truth constitute the substance of historical culture
