Understanding Aleister Crowley's Thoth Tarot

1983

the tarot is a pack of seventy eight cards there are four suits as in modern playing cards which are derived from it but the court cards number four instead of three in addition there are twenty two cards called trumps each of which is a symbolic picture with a title itself at first sight one would suppose this arrangement to be arbitrary but it is not it is necessitated as will appear later by the structure of the universe and in particular of the solar system as symbolized by the holy qabalah
