The Abbeville Jaw; an Episode in a Great Controversy, Being a Paper Read Before the Hull Literary and Philosophical Society, March 15, 1864 1864 a collection of 100 writing and crafting papers with european flower designs selected by the well known japanese designer reiko harajou this book is a collection of carefully selected rare and antique european illustrations from classic botanical art to floral calligraphy and frames the beauty of the european floral art in the collection makes this book a perfect gift all 100 pages are removable and each pattern is printed on a variety of textured papers

Copy of a paper [signed, H. P.] printed in the Monthly Magazine on the manufacture and quality of Cheshire Salt, in a reply to a paper circulated in America ... ascribing the yellow fever, etc., to the salt brought from Liverpool. [By-Wilckens?] 1804 this book takes a long term approach spanning from the end of the 16th to the 19th century to explore how men and women in italy france and spain collected displayed and passed down various types of papers the contributors share a core interest in the relationship between social actors and their paper heritage the collectors who come from diverse cultural social and gender backgrounds provide insights into the reasons and processes behind the accumulation valorisation and transmission of their paper heritage unlike most studies on collecting this book shifts the focus away from collections and institutions to the owners of the collected objects and their desires for their accumulated papers this volume covers three centuries and provides insights into the aspirations of collectors and the fate of their papers after transmission it takes place against the backdrop of major social political and cultural changes affecting the italian peninsula the spanish monarchy and france the cultural interests and the collector networks often extended beyond europe as noted by many of the essays in this volume paper heritage in italy france spain and beyond 16th to 19th centuries will interest scholars and students of early modern and modern european history across various fields including social and cultural history intellectual history gender history history of collecting and patronage
