Transactions of the Edinburgh Field Naturalists' and Microscopical Society 1898

since its publication in 1905 the scarlet pimpernel has experienced global success not only as a novel but in theatrical and film adaptations sally dugan charts the history of baroness orczy s elusive hero from the novel s origins through its continuing afterlife including postmodern appropriations of the myth drawing on archival research in britain the united states and australia her study shows for the first time how orczy s nationalistic superhero was originally conceived as an anarchist pole plotting against tsarist russia rather than a counter revolutionary englishman dugan explores the unique blend of anarchy myth and magic that emerged from the story s astonishing and complex beginnings and analyses the enduring elements of the legend to his creator the pimpernel was not simply a swashbuckling hero but an english gentleman spreading english values among benighted savages dugan investigates the mystery of why this imperialist crusader has not only survived the decline of the meta narratives surrounding his birth but also continues to enthrall a multinational audience offering readers insights into

the pimpernel's appearances in print in film and on the stage dugan provides a nuanced picture of the trope of the scarlet pimpernel and an explanation of the phenomenon's durability

Subject Index of the Modern Works Added to the Library of the British Museum in the Years ... 1897

during the victorian period there developed a new anxiety about male female relations and roles in modern society as described by a member of the athenaeum in 1858 the distinction of man and woman their separate as well as their joint rights begins to occupy the attention of our whole community and with no small effect these essays examine victorian painting in the light of this woman question by analysing the change in representation of the family romance social issues such as emigration and colonialism the use of the female nude and the traditions of portraiture history painting and still life the art and artists are considered in a socio political context and the connections between victorian sexism racism and classism are examined these essays bring to light much previously unknown work especially by women and reappraise many well known paintings
