Excerpt from the marriage of Elinor Well of course it was a thing that he knew might happen any day and which he had expected to happen for the last four or five years it was nothing to him one way or another nothing could be more absurd than that a hearty and strong young man in the full tide of his life and with a good breakfast before him should receive a shock from that innocent little letter as if he had been a sentimental woman but the fact is that he pushed his plate away with an exclamation of disgust and a feeling that everything was bad and uneatable he drank his tea though that also became suddenly bad too full of tannin like tea that has stood too long a thing about which John was very particular he had been half an hour later than usual this morning consequent on having been an hour or two later than usual last night these things have their reward and that very speedily but as for the letter what could that have to do with the bad toasting of the bacon and the tannin in the tea? do you know the man there was a sort of covert insult too in the phraseology as if no explanation was needed as if he must know by instinct what she meant he who knew nothing about it who did not know there was a man at all about the publisher Forgotten Books publishes hundreds of thousands of rare and classic books find more at [forgottenbooks.com](http://forgottenbooks.com) this book is a reproduction of an important historical work Forgotten Books uses state-of-the-art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

First produced at the Odéon in 1784 the Marriage of Figaro the second play of Beaumarchais' trilogy was an instant success and ran for an unprecedented 116 performances written six years earlier the play had been subject to the rigorous demands of no fewer than six censors appointed one after the other by Louis XVI with the principal purpose of preventing such a

sedition piece of work from ever reaching the stage perhaps the king was right for beaumarchais revolutionary attitudes towards women and the aristocracy espoused the popular feeling that would turn social order on its head and cause the king to lose his own in the subsequent decade figaro full of an irrepressible joie de vivre remains one of drama s arch plotters determinedly outwitting the cast of villains mountebanks and rivals who seek to ensnare him and bring about his downfall his survival is not simply a testimony to his own endurance and inner strength but a signal to the world that the common man has rights and that the modern world must reform itself or be reformed if he is to be allowed to enjoy them
