## **The Relatively Public Life of Jules Browde 2016-08-01**

i sat there divided though my grandfather was visibly shaken by the force of this memory i felt a bubbly thrill because this was such good stuff and i remember turning my eyes away from his distressed face to make sure the wheels of the dictaphone were still turning when daniel is tasked with writing the biography of his grandfather jules browde one of south africa s most celebrated advocates he sharpens his pencils and gets to work but the task that at first seems so simple comes to overwhelm him as the book recedes month after month year after year he must face the possibility of disappointing his grandfather whose legacy now rests uncomfortably in his hands daniel s troubled progress stands in contrast to the clear edged tales his grandfather tells him spanning almost a century they compellingly conjure other worlds the streets of 1920s yeoville the battlefields of the second world war the courtrooms of apartheid south africa the relatively public life of jules browde is more than the portrait of an unusual south african life it is the moving tale of a complex and tender relationship between grandfather and grandson and an exploration of how we are made and unmade in the stories we tell about our lives

## **Why Alex Beats Bobbie at Poker 2011**

meet alex and bobbie who both like to play poker alex is a professional poker player who plays for a living and is a solid long term winner bobbie is a recreational player who plays a decent enough game but mainly wants to have a good time if you play poker regularly you will meet thousands of players like bobbie in your games and very few like alex of course one would expect that in the long run alex will perform better than bobbie but have you ever wondered exactly what it is that alex understands better and does differently to bobbie this is a rather complex question that does not have a simple answer in this book ucla maths professor duncan palamourdas addresses this question via a journey through human psychology game theory easy to understand mathematics and even philosophy topics include understanding the instinctive but unprofitable tendencies of inexperienced players how to identify what a mistake actually is in poker and how to exploit it why poker does not revolve around bluffing the great impact of variance in poker and how to account for it how to develop a consistent approach that allows you to play like alex and not bobbie

## **The Gambit Book of Instructive Chess Puzzles 2010-11-22**

solving tactical puzzles is one of the most effective ways to improve your chess this convenient book provides 300 exercises with instructive points highlighted in the solutions there is something here for everyone the puzzles in the first two chapters are based on a clear cut tactic or checkmate such as those explained in gambit s best sellers how to beat your dad at chess and chess tactics for kids the endgame challenges highlight tactics and principles in action in practice it is vital to defend resiliently and seek counterattacking chances there is an innovative chapter on these rarely covered themes as well as puzzles where the reader must decide how to punch home an attack later chapters help readers develop a vital skill the ability to make tough chessboard decisions attack sacrifice grab material defend or simplify it s for you to decide principles and guidelines are emphasized together with common sources of error the final section of puzzles will prove a stern challenge even for the best players with the reader exposed to the full complexity of modern chess with a few helpful hints along the way

## **Never Mind Where the Ball Went and Other Golf Stories 2014-09-22**

have you ever thought of throwing your clubs with a bit of draw or deliberately playing slowly to rattle the opposition have you used the well timed tactless remark to gain advantage read on and realise how such behaviour rebounds on the club golfer discover also the satisfaction of taking part in the running of events and of the unusual way of stifling discussion in committee whoever would have thought

of cutting the holes square for a change and horrified the greenkeeper where does the red wolf fit in the author forbes abercrombie is a retired surgeon who took up golf in his early twenties getting down to a single figure handicap at his best he accompanied his clubs to many courses in many countries and had many adventures in play he has chosen thirty episodes which illuminate the corners of the great game you will not find any instructional material here just the moments that gave him most pleasure at the time incredible though these stories may seem every story is true there is something for everyone in this slim volume a word of warning though this is not recommended bedtime reading as you will have finished the book before you can put it down

## **The Sci-Fi Movie Guide 2020-01-28**

once upon a time science fiction was only in the future it was the stuff of drive ins and cheap double bills then with the ever increasing rush of new society altering technologies science fiction pushed its way to the present and it busted out of the genre ghetto of science fiction and barged its way into the mainstream what used to be mere fantasy trips to the moon wristwatch radios supercomputers capable of learning are now everyday reality whether nostalgic for the future or fast forwarding to the present the sci fi movie guide the universe of film from alien to zardoz covers the broad and widening range of science fiction movies from the trashy to the epic from the classics to today s blockbusters this cinefile s guidebook reviews nearly 1 000 of the biggest baddest and brightest from every age and genre of cinematic and tv science fiction you ll find more than just star wars star trek and transformers with reviews on many overlooked and under appreciated gems and genres such as monsters pacific rim godzilla the thing creature from the black lagoon superheroes thor iron man x men the amazing spider man superman avant garde masterpieces solaris 2001 brazil and many many more categories and movies

## ***I Know You're in There 2006-03***

this isn t just another one of those autism books for parents rather this book is a groundbreaking guide that will give both parents and doctors treating autism tools and a pathway to help your child there was something wrong with ryan his parents knew it before the psychiatrist predicted he would end up in an institution ryan was diagnosed as autistic at age four he wouldn t look people in the eye had troubles with socialization difficulties with language and more like most kids that range from mild to severe autism or even asperbergers like all parents who receive this diagnosis that day changed everything as your ticket is punched to autism island population one or two there was no understanding your child with autism no manual for parenting autism recovery from autism there was no cure there was no hope or was there i know you re in there tells the true story of how through diet applied behavior analysis aba consistent and rigorous medical treatment and more ryan s family took the jump and was able work on healing the symptoms known as autism and ultimately to overcome autism it took a lot of trial and error but today ryan isn t just high functioning on the autism spectrum disorder but rather uniquely human and is an aerospace engineer has friends relationships and lives a happy typical life his recovery wasn t miraculous but instead the result of getting proper medical care and his parents never taking no for an answer this book provides an early start for your child with autism marcia sincerely provides real world examples and actionable steps to take to get your child the treatment and care that could help them beat autism if your child has been diagnosed with autism or the warning signs are there which are also covered here i know you re in there is an indispensable resource in your fight against autism spectrum disorder

## ***The Office Politics Handbook 2014-02-28***

the office politics handbook is for business executives managers consultants lawyers agents editors and anyone who wants to become more politically astute more powerful and more successful this is not a book on political game playing it is for people who hate power games but who know that politics takes place in every organization and want to make sure they wind up on top of the heap not at the bottom of the barrel this book will explain why people are political animals and why they engage in power seeking behavior it will also discuss different instruments of power to help you understand the cultural and collective forces at work in human nature and the occasionally aggressive characteristics of the political animal the office politics handbook will show you how to cultivate your political skill exercise power beyond your place in the organizational chart defend yourself against political attacks know when to fight when to retreat and when to lead

## **The Unusual Odyssey of an Octogenarian**

this odyssey of an octogenarian is certainly different from 1920 when at age 5 my first disastrous adventure occurred until the present time i have experienced moment after moment of unexpected surprises of traumatic panics of impossible coincidences and finally of idiotic decisions i made which some how have always turned into very happy memories i know that most books are written for monetary profit at ninety years of age and with out any close relatives my writing for profit is kind of ridiculous of the two other choices i hope this effort will be construed as a labor of love rather than as an ego trip in any event i have arranged for any possible royalties to be donated to bakersfield and other american worth while endeavors so please read and enjoy in any event i have arranged for any possible royalties to be set aside and donated directly to the katrina rita disaster fund
