**Report of the Deccan Education Society, Poona, for the Year ...** 1991 india is slowly awakening from the sleep extending over half a century and gradually taking its rightful place in the comity of nations gone are the days when agrarian economy characterized the indian economy today industrial and services sectors are playing important role in the country s economy while fast development is perceptible in these sectors considerable progress has also been made in the agricultural sector owing to the green revolution consequently there has been a marked increase in the national income since independence but will it be correct to say that india has succeeded in providing all its citizens a better quality of life has it built up a nation where even the poorest citizen can lead a life of simple dignity with at least his basic needs being satisfied has it been able to ensure that not a single citizen will remain hungry even for a day has it guaranteed an affordable shelter to all and access to education to all its citizens has it instilled the spirit of unity and oneness among the millions of citizens of diverse caste creed community religion or state has the government policy brought a significant improvement in the general lot or the people are still striving for their socio economic rights numerous questions need to be answered to realise the steady progress of india in diverse fields in true spirit the present book attempts to trace

the quality of life as enjoyed by an average citizen of india after more than fifty years of independence beginning with the pre independence era the book analyses india s steady progress in the diverse areas agriculture industry infrastructure education health rural development to name a few in the light of progress made by countries like south korea japan china malaysia taiwan etc which judged by any standards are far ahead of india socio economically besides the basic question is democracy losing ground has been approached to from a different perspective it is hoped that the present book on socio economics will appeal to all general readers concerned with the development of the indian economy

India 2007 competition science vision monthly magazine is published by pratiyogita darpan group in india and is one of the best science monthly magazines available for medical entrance examination students in india well qualified professionals of physics chemistry zoology and botany make contributions to this magazine and craft it with focus on providing complete and to the point study material for aspiring candidates the magazine covers general knowledge science and technology news interviews of toppers of examinations study material of physics chemistry zoology and botany with model papers reasoning test questions facts quiz contest general awareness and mental ability test in every monthly issue
