The Goddess

1997

the image of a mother goddess who embodies all the processes of nature has proved to be one of the most resonant and influential symbols of the 20th century the goddess is today a potent figurehead for feminists paganists and environmentalists as well as for countless others concerned about finding a more harmonious way to live in the modern world this book is an exploration of goddess worship in different cultures from the palaeolithic period to the present day beginning with an examination of ancient goddess worship in the light of the discoveries of the last two centuries the text moves on to explore the goddess s role in the fertility of the earth and humankind and her sexual function in relation to the preservation of the cosmos the final chapter discusses the tremendous resurgence of interest in goddess worship in the modern age from publisher description

The Myth of the Goddess

1993-03-25

a comprehensive scholarly accessible study in which the authors draw upon poetry and mythology art and literature archaeology and psychology to show how the myth of the goddess has been lost from our formal judeo christian images of the divine they explain what happened to the goddess when and how she was excluded from western culture and the implications of this loss

The Goddess Legacy

2012-07-31

for millennia we ve caught only glimpses of the lives and loves of the gods and goddesses on olympus now aimée carter pulls back the curtain on how they became the powerful petty loving and dangerous immortals that kate winters knows calliope hera represented constancy and yet had a husband who never matched her faithfulness ava aphrodite was the goddess of love and yet commitment was a totally different deal persephone was urged to marry one man yet longed for another james hermes loved to make trouble for others but never knew true loss before henry hades s solitary existence had grown too wearisome to continue but meeting kate winters gave him a new hope

The Goddess

1984

the goddess is at once a scholarly and intensely personal journey that shows how the great female figures of archaic and classical greece can serve to illuminate the present and future of women everywhere moreover the author uncovers the patriarchal representation of the more ancient matriarchal traditions with a sensitivity and sympathy that allows the strength of the goddess to emerge as images of liberation for men as well as women here is a radical and brilliantly new understanding of an ancient and honored theme we find not just jealous hera but also she who is eternal maiden and solitary widow persephone is both the virgin goddess of spring and the awesome queen of death and the underworld athene s courage and wisdom too often seen as masculine attributes are discovered as authentically feminine through her subtle interweaving of the many variants and layers of tradition with her own dreams and experiences christine downing communicates the pertinence of each figure she addresses not just to isolated incidents but to the whole of life with an energy at once tender and powerful this book enables the reader to enter deeply into the labyrinth where myth is the image of life and life the image of myth provided by publisher

The Goddess of Love

1977
