saving 8 laws of saving money budgeting your savings and debt managing your personal finance that doesn t suckhave you ever been thinking that it s time to start saving money but you just can seem to get around to it personal finance sometimes feels like a money management burden that will never leave you debt free in fact thomas jefferson felt the same way he had some very profound feelings about debt in both his public and private worlds and he left behind some wise insight that allows us to realize we re all in the

same boat with the same worries in this book saving money the 8 laws of saving money we cover 8 great money saving strategies and rules that will change your way of thinking about frugal living and budgeting for beginners of course we do this with a little help and insight from the words of thomas jefferson himself law 1 saving is symbolic and debt is symbolic we have to look past the abstract about what money symbolizes and see it for what it really is we have to do the same with debt and when it becomes clear that debt is a form of slavery we might think twice about volunteering for slavery law 2 it s time to break it down let s break down where the most obvious money habits that fail you remember we ve going to learn how to save money in a way that doesn t suck so first we cull the stuff we don t care about this activity will help with that challenge law 3 think of your savings like it s a bill that must be paid to yourself how frustrating when this rule is so much easier said than done let s discuss the reality of this concept and find out how to make it happen law 4 start making comparisons about the services you subscribe to this where the meat of your savings happens you don t need to cut into the quality of your life like you think you might and you can still save hundreds of dollars a month law 5 don t be fooled by the smoke and mirrors of the guy standing next to you keeping up with the jones s is the biggest scam society ever made you believe cause the jones s might be stupid with their personal finance learn to be smarter than the next guy not fooled into consuming every shiny thing law 6 don t make emotional money decisions don t be tripped up over your emotions learn a few useful skills to work with those emotional feeling discover when it s time to buy the thing you love and when to turn and walk away law 7 know your team not everybody cares about your success identify who to work with and who to say no to when it comes to digging into your pockets law 8 small goals vs big goals we all have the goal that drives us to financial success but you want to discover how the small goals will help you achieve the bigger ones in fact you might need to buy that laptop and reward yourself if you want to make it to that big dream goal tags saving money saving money tips personal finance that doesn t suck hot to save money a guide to saving money save money tips money management frugal living frugal living tips debt free debt free living debt to pay budgeting for beginners budgeting and finance personal finance books
