Private Lives 1996 a new biography of william shakespeare that explores his private life in stratford upon avon his personal aspirations his self determination and his relations with the members of his family and his neighbours the private life of william shakespeare tells the story of shakespeare in stratford as a family man the book offers close readings of key documents associated with shakespeare and develops a contextual understanding of the genres from which these documents emerge it reconsiders clusters of evidence that have been held to prove some persistent biographical fables it also shows how the histories of some of shakespeare s neighbours illuminate aspects of his own life throughout we encounter a shakespeare who consciously and with purpose designed his life having witnessed the business failures of his merchant father he determined not to follow his father s model his early wedding freed him from craft training to pursue a literary career his wife s work and probably the assistance of his parents and brothers enabled him to make the first of the property purchases that grounded his life as a gentleman with his will he provided for both his daughters in ways that were suitable to their circumstances anne shakespeare was already protected by dower rights in the houses and lands he had acquired his funerary monument suggests that the man of small latin and less greek in fact had some experience of an oxford education evidences are that he commissioned the

monument himself

The Private Lives and Professional Identity of Medical Students 1983-01-01 from the Sunday Times bestselling author of *Femina Ramirez* blasts a powerful spotlight into the so-called dark ages and snow-skulduggery power struggles and politics. The private lives of the saints offers an original and fascinating re-examination of life in Anglo-Saxon England, taking them down from the clouds of their heavenly status. Sunday Times bestselling author and renowned Oxford historian Dr. Janina Ramirez explores the real lives of the legendary seminal saints. This landmark book provides a unique and captivating new lens through which to explore the rich history of the dark ages.

The Private Life of the Diary 2016-04-21 Money, charm, and sensual skills don't make up for a heart colder than ice.

Religion in Public and Private Life (Routledge Revivals) 2014-06-27 Forget glossy period dramas; here is the real story of Britain's super-rich from the first world war to the end of the roaring twenties.

The Private Life of the Romans. Translated from the French of M. D'Arnay 1761 Elizabeth II is the longest-reigning British monarch, a personally quiet, modest, and dutiful person. She is far better informed about the lives of her subjects than they often realize. She has known every prime minister since Winston Churchill and every American president since Eisenhower. Yet what of the woman behind the crown? This book seeks to take a new look at this exhaustively documented life and show how Queen Elizabeth became the person she is, who and what have been the greatest influences upon her. What are her likes and dislikes? What are her hobbies? Who are her friends? What does she feel about the demands of duty and protocol? Is she really enjoying herself when she smiles during official events? How differently does she behave when out of the public eye? Examining the places in which she grew up or has lived, the training she received, and her attitudes to significant events in national life, it presents a fresh view of one of recent history's most important figures. In recent years, Queen Elizabeth has become the longest-reigning monarch in our history and has cut back on commitments; nevertheless, she is still very active and has made some wise decisions about who takes over a number of her duties.

MEMOIRS OF THE PRIVATE LIFE, RETURN, AND REIGN OF NAPOLEON IN 1815 Vol. 2 2023-11-01 This is a lively and original new study of the social history of Britain between 1870 and 1914. Jose Harris surveys and reinterprets many themes: demography and disease, work and religion, social reform and social theory, feminism and family life. The period was marked by the co-existence of many trends and principles often believed to be mutually exclusive. Dr. Harris vividly conveys a sense of the diversity which characterized the age and reveals the doubts and ambivalences of contemporaries. She shows that in many respects Great Britain at this period was a ramshackle and amorphous society characterized by a myriad of contradictory opinions at every level, from parish pump to empire. Private lives, public spirit suggests that many Victorians and Edwardians were remarkably different from their modern stereotypes and that much of what are now thought of as quintessentially Victorian values stemmed less from traditional ideas and structures than from progressive reformist movements of the very end of Victoria's reign. It is a readable and compelling depiction of Britain during the watershed period before the first world war, a period whose characteristic ideas and structures did not vanish with the war but survived with great tenacity over the next half century.

The Private Life of Jack the Ripper 2001 The net force explorers are shocked: their commander James Winters is being accused of murder. To prove his innocence, they have to delve into his past as a net force agent, to the tragic circumstances surrounding the death of his wife four years earlier. The explorers must use all resources to sift out the truth from the lies.

The Private Life of William Shakespeare 2021-08-26 This play concerns the fascinating personal life of one of the most famous playwrights in British literature. His relationship with actresses were many, including the beautiful Ellen Terry, the brilliant Mrs. Patrick Campbell, the volatile Florence Farr, as well as women politicians, suffragettes, and young students. His marriage to Charlotte Payne Townsend was revealing in that she was his muse, nurse, secretary, as well as being his wife.

The Private Life of the Old Northmen. Translated from the Posthumous Works of R. Keyser 1868 History, sex, and syphilis. Famous syphilitics and their private lives by Tomasz F. Mroczkowski, MD, is a fascinating and iconoclastic read. Written by a well-qualified physician and specialist, the author incorporates his extensive knowledge of the history of the disease with the private lives of the great writers, musicians, and artists who shaped Western civilization and who suffered from a disease that still too little is known about.

The Private Lives of the Saints 2016-09-27 This fascinating and entertaining book offers a glimpse into the private lives and creative processes of some of the most celebrated composers, conductors, and musicians of all time, from Mozart to Beethoven, from Brahms to Tchaikovsky. The authors provide a wealth of anecdotal and biographical information, as well as insights into the inspirations and challenges faced by these musical geniuses. Whether you are a music lover or simply interested in the human side of artistic genius, this book is a must-read. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations within the United States; you may freely copy and distribute this work as no entity, individual, or corporate has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.
