2010!1934

Conscious 2018-07-18 conscious is a deeply human approach to personal change our world is changing faster than our ability to adapt ambushed by speed complexity and uncertainty many of us are unprepared for this acceleration we act on autopilot as new challenges confront us we are too reactive to problems and miss out on opportunities we get hijacked by conflicting values and polarizing relationships we face uncertainty with fear and mistrust stress and burnout are pervasive as many of us do not perform up to our potential organizations are not adapting well either seventy percent of change efforts fail slow execution unrealized growth unhealthy cultures and obsession with short term results undermine long term success inside communities there is more tension diminishing trust in our institutions and a growing inability to solve our most complex social problems the primary culprit for these maladies is our lack of awareness let s face it our current approach to change is running out of steam and the cost of unaware people is too high to pay in this age of acceleration we need a fresh approach to living and leading conscious is our wake up call to be aware awake and accountable nothing is more important than understanding ourselves our relationships and our surroundings being conscious helps us think deeper learn faster and collaborate better the more conscious we are the faster we adapt and the higher performing we become conscious is the new smart as one of the premier global experts on leadership and transformation bob rosen and healthy companies have revealed a profound truth about modern day change the most successful people at all levels of society follow four powerful practices of being conscious go deep discover your inner self think big see a world of possibilities get real be honest and intentional step up act boldly and responsibly conscious is your personal roadmap through transformation helping you adapt and accelerate into the future to create sustainable change for yourself and your business why not be the one with your head lights on while others are driving in the dark

GM Agriculture and Food Security 2019-08-13 efforts to improve food security in the developing world have been hampered due to myths surrounding gm agriculture this book explores the theory evidence and rhetoric of the impact of food production on the environment and the impact of the environment on food production the chapters address food security and technology expertise and opportunism the promise of technology the politicization of risk industrial agriculture the meaning of natural the potential of the local food movement food labelling genetic diversity in the agro industrial era sustainability and chemical application plant vitality and future prospects for food security each chapter includes a personal introduction from the authors about the issues at hand followed by a detailed analysis with further references the book considers the origins of concerns and then examines the evidence around the issues and the impacts in terms of policy regulation and agricultural practice it also a refutes common consumer and environmental organization myths about biotechnology b highlights the importance of food security in both the developing and developed world c provides a pro science approach to increasing food security this book will be of interest to students and researchers in biotechnology food security and public understanding of science and also to policy makers regulators and industry managers

**The Politics of the Pill** 2019-10-23 the announcement of a health and human services hhs rule requiring insurance providers to cover the costs of contraception as part of the affordable care act sparked widespread political controversy how did something that millions of american women use regularly become such a fraught political issue in the politics of the pill rachel vansickle ward and kevin wallsten explore how gender has shaped contemporary debates over contraception policy in the u s within historical context they examine the impact that women and perceptions of gender roles had on media coverage public opinion policy formation and legal interpretations from the deliberation of the affordable care act in 2009 to the more recent supreme court rulings in burwell v hobby lobby stores inc and zubic v burwell their central argument is that representation matters who had a voice significantly impacted policy attitudes deliberation and outcomes while women s participation in the debate over birth control was limited by a lack of gender parity across institutions women nevertheless shaped policy making on birth control in myriad and interconnected ways combining detailed analyses of media coverage and legislative records with data from public opinion surveys survey experiments elite interviews and congressional testimony the politics of the pill tells a broader story of how gender matters in american politics

**Transnational Repression in the Age of Globalisation** 2024-04-30 bringing together leading scholars this volume is the first of its kind to address the growing global phenomenon of transnational repression in a comparative perspective authoritarian regimes in places like china russia and saudi arabia are infamous for cracking down on domestic opposition movements and democracy activists at home and in our age of globalisation migration and technological development dictators are increasingly able to extend their authoritarian power over their critics abroad using tactics that include surveillance coercion harassment and physical violence transnational repression threatens the lives of democracy defenders the basic rights of diaspora members and the rule of law in host states

**St Edmund's Church and the Montagu Monuments** 2016-08-01 st edmund s church in the beautiful village of warkton northamptonshire is an unassuming place but it holds some of the most exquisite sculptures in all of britain commissioned by the local montagu family these four baroque marble statues commemorate the lives of four of their members two of the statues were created by louis francois roubiliac one of the greatest sculptors of georgian england adorned with related poems by schoolchildren and other locals this illustrated guide explains the history of st edmund s church the montagu family and the monuments they erected between the 1750s and 1830s it also details their painstaking restoration in recent years and the role of the church in the community

**Capturing Talk: The Institutional Practices Surrounding the Transcription of Spoken Language** 2024-05-22 across a range of institutional settings practitioners and professionals are eliciting and capturing spoken talk from clients sarangi 1998 transcribing that talk and later repurposing the transcripts in place of the original interaction this research topic seeks both to shed light on this often overlooked institutional process and to encourage further linguistic input into this area of professional practice transcription is almost always an institutional practice park bucholtz 2009 providing a written record of spoken interaction to be used by another party at a later date in another setting or context there are a number of underappreciated features and consequences of this transformational process which we hope this research topic will expose and examine

**Diabetes Drug Notes** 2022-07-12 diabetes drug notes diabetes is becoming more common in both older and younger generations and in keeping with this escalation in cases there are an ever increasing number of drugs and drug classes that are suitable to treat hyperglycaemia in a unique blend of diabetes practice clinical pharmacology and cardiovascular medicine diabetes drug notes describes the principles of clinical pharmacology with regards to diabetes prescribing each drug class for the treatment of diabetes is covered in detail along with the effect on the cardiovascular and renal systems caused by each drug building upon the success of their drug notes series for practical diabetes and their drugs for diabetes series in the british journal of cardiology the team of experts focuses on the glycaemic management of type 1 and type 2 diabetes with other effects of antidiabetic drugs covered as well diabetes drug notes also includes comprehensive and up to date coverage of the drugs for the glycaemic

management of patients with type 1 or type 2 diabetes expert reflection on prescribing considerations for special groups as well as common pitfalls in prescribing detailed case histories to illustrate relevant information summaries of recent guidelines related to diabetic intervention diabetes drug notes is a user friendly guide for a general diabetes medical nursing and pharmacology readership as well as those who support them

**Doctor Who, Die verlorene Dimension, Teil 2** 2020-03-31 wenn die gesetze von zeit raum und realität zusammenbrechen dann und nur dann kann es passieren dass sich verschiedene inkarnationen des doctors treffen in diesem zweiteiler kommt es zu einer beispiellosen zusammenkunft aller doctors die einen epischen kampf um die zukunft des universums führen müssen an ihrer seite jenny die tochter des doctors gemeinsam versuchen sie gegen ein alles in sich aufsaugendes weißes loch zu bestehen und werden mit dem geheimnis des nichts zwischen den universen konfrontiert ein grandioses multi doctor event

*There's Still No Such Thing As 'Naughty'* 2024-03-28 the most eye opening game changing and liberating book on parenting i ve read fearne cotton changed my life joe wicks kate writes with humour and compassion and without judgement turning a potentially daunting subject into a personal one susan cooke head of research and evidence nspcc struggling with screen time anxiety around school in there s still no such thing as naughty sunday times bestselling author and child therapist kate silverton explains that while our children aged 5 12 are becoming more independent and physically mature they need us more than ever emotionally backed by neuroscience neurobiology and her practical clinical experience kate offers compassionate wisdom and insight into the inner workings of your child s mind demonstrating how to help them better soothe their anxiety regulate their emotions cultivate resilience foster empathy and navigate thoughts and big feelings with ease how parents can support their child s healthy brain development how to help with anxiety around going to school the importance of time spent in play how to support our own mental health as much as our children s how to strengthen the connections with our children and have an easier time of it too why there is still no such thing as naughty

**A Public Sector Journey to Operational Excellence** 2023-09-28 lean management can lead to operational excellence but toward what end this book examines the power of linking lean government operations with purposeful public policy when lean process improvement principles and techniques entered the public sector after decades of proven effectiveness in private industry they brought the same transformative potential these programs can improve public services boost employee morale and free up previously underutilized capacity the freed capacity can then be applied to accomplish important societal objectives this book has four parts part 1 the foundation of continuous improvement ci the reader is introduced to the field of ci and to lean principles and techniques as applied to public sector organizations ci initiatives can improve services boost employee morale and free up previously underutilized capacity this part includes an overview of best practices and strategies for overcoming common challenges part 2 lean public policy discussion of both purpose and function lean practitioners are systems thinkers viewing disparate processes as components of a whole we seek to integrate functions across silos to maximize value quality and efficiency it would be great if public programs could be designed for optimal functionality if that were the case then lean practitioners would simply apply the plan do study act adjust pdsa cycle for ongoing improvement in the real world policy making tends to be ad hoc and reactive this part explores impediments to leaning existing programs and considers what lean public policy would look like government regulatory functions and health care policy are used as examples part 3 operational excellence pulling policy and administration together by introducing john m bernard s concept of three levels of maturity in government part 4 putting it together what to do how to do it and who can get it done a summary and overview of ci methodology and the prerequisites for the implementation of policies that will lead to progress on societal goals drawing lessons from practitioners striving for level 3 maturity in government the book closes with a series of recommendations

*Los disidentes* 2022-04-01 hoy día disponemos de numerosos trabajos dedicados a recuperar mujeres que hicieron aportes a distintas ramas del saber y del arte desafiando la condición de subordinación a la que estaban destinadas pero no existe hasta este libro una obra dedicada a teóricos varones que a contrapelo del discurso preponderante en su tiempo se procuraron desarticular los argumentos de base teológica o naturalista que establecían la inferioridad de la mujer que contribuían así a robustecer la ideología patriarcal este es el eje de los disidentes el nuevo libro de maría luisa femenías que rescata del olvido la vida obra de una serie de filósofos contrahegemónicos precursores de la igualdad de sexos la autora indaga las influencias que marcaron a cada pensador rastrea los coetáneos con que dialoga o discute reconstruye argumentos volviéndolos accesibles a un público general y traza las líneas que ellos abrieron a la espera de que alguien alguna vez descubra en ellas algún hilo promisorio del cual tirar porque como afirma la autora la filosofía es su propia historia y por ello su historia es también su presente en suma se trata de un libro que no solo hace una contribución novedosa a la filosofía de género y el feminismo filosófico sino que ayuda a obtener una visión más matizada y menos sesgada de un tema que por su actualidad e importancia pocas veces había sido abordado con el conocimiento y la profundidad que merece
