QSE Quick Smart English 2006

in the first full length study of christopher smart s translations and the place and function of translation in smart s poetry rosalind powell proposes a new approach to understanding the relationship between smart s poetics and his practice drawing on translation theory from the early modern period to the present day this book addresses smart s translations of horace phaedrus and the psalms alongside the better known religious works such as jubilate agno and a song to david five recurrent threads run throughout powell s study the effect of translation on the identity of a narrative voice in a rewritten text the techniques that are used to present translated texts to a new literary cultural and linguistic readership performance and reading contexts the translation of great works as an attempt to achieve literary permanence and finally the authorial influence of smart himself in terms of the overt religiosity and nationalism that he champions in his writing in exploring smart s major translation projects and revisiting his original poems powell offers insights into classical reception and translation theory attitudes towards censorship expressions of nationalism in the period developments in liturgy and hymnody and the composition of children s books and school texts in the early modern era her detailed analysis of smart s translating poetics places them within a new contemporary context and locality to uncover the poet s works as a coherent project of englishing

Student's book & CD 2006

the oxford dictionary of family names of ireland contains more than 3 800 entries covering the majority of family names that are established and current in ireland both in the republic and in northern ireland it establishes reliable and accurate explanations of historical origins including etymologies and provides variant spellings for each name as well as its geographical distribution and where relevant genealogical and bibliographical notes for family names that have more than 100 bearers in the 1911 census of ireland of particular value are the lists of early bearers of family names extracted from sources ranging from the medieval period to the nineteenth century providing for the first time the evidence on which many surname explanations are based as well as interesting personal names locations and often occupations of potential family forbears this unique dictionary will be of the greatest interest not only to those interested in irish history students of the irish language genealogists and geneticists but also to the general public both in ireland and in the irish diaspora in north america australia and elsewhere

Qse 2006

reprint of the original first published in 1871 the publishing house anatiposi publishes historical books as reprints due to their age these books may have missing pages or inferior quality our aim is to preserve these books and make them available to the public so that they do not get lost
